# Descendants of Adam De Dutton

## First Generation

### 1. Adam De Dutton was born about 1150 and died in 1208 aged about 58.

General Notes: The most comprehensive version of the family tree of the Warburtons of Arley was published in 1819 by George Ormerod in his 'The History of the County Palatine and City of Chester'. Much of this tree was repeated in 'Warburton: The Village and the Family' by Norman Warburton, published in 1970. I also have a tree provided by the late Virginia Warburton, whose husband is descended from the Garryhinch Warburtons. Additional material is from the Arley Hall Guide Book, 'Seven Households' by Charles Foster, and a website 'martinrealm.org' whose main source is 'Burke's Landed Gentry'.

There are numerous entries relating to members of the family on IGI. Apart from a few actual records of baptisms this information, particularly in terms of dates, is dubious. However, some details, with the above caveats, have been added from IGI when they add to the information already known.

It is my policy to render dates prior to 1754 that fall between the modern New Year and the old New Year (21st March) by their modern equivalent. Thus 1st Feb 1666/7 is rendered as 1st Feb 1667.

Adam was the second son of Hugh de Dutton, and great grandson of Odard who came to England, along with his four brothers with the Norman Conquest. These brothers were said to be the sons of the Viscomte de Cotentin. There is no contemporary proof of this but they are likely to have come from such a family given the position they held in the retinue of Hugh d'Avranches, and the favours they were granted.

According to the Domesday Book the land at Warbuton consisted of two moieties. One, originally held by Ernui, was then held by William Fitz-Nigell, Baron of Halton. The other, formally held by Ravene, was then held by Osbern son of Tezzon. Adam acquired both moieties in the time of Richard I.

Adam's dates are from the Arley Hall Guide Book. He was made Seneschal of Blackburnshire in 1178, and was the Lord of Dutton and Warburton in the time of Henry II, Richard I, and John. In 1190 he granted land at Warburton for a priory for the White Canons of St Norbert. In the same year he witnessed a charter establishing the first ferry over the river Mersey at Runcorn.

Adam married **Agnès Fitz-Alured** about 1170.

Marriage Notes: CHAN: NOTE 18:14

General Notes: Agnes was the daughter and co-heir of Roger Fitz-Alured in the time of Henry II.

Children from this marriage were:

- + 2 M i. **Sir Geoffrey De Dutton** was born after 1170 and died about 1248.
- 3 M ii. **John De Dutton** died in 1190.  
General Notes: John is buried at Warburton.
- 4 F iii. **Agatha De Dutton**.

## Second Generation (Children)

### 2. Sir Geoffrey De Dutton (*Adam*<sup>1</sup>) was born after 1170 and died about 1248.

General Notes: Geoffrey took part in the Crusades accompanying John, 8th Baron Halton, and under the command of Richard of Cornwall. He is said to have severed the head of a Saracen leader, probably at the siege of Damietta in Egypt in 1218 (Arley Hall Guide Book), and adopted the gory emblem for his crest. According to Norman Warburton he was also active in the rescue of Jerusalem in 1244 but the two dates seem rather far apart.

He was also referred to as 'of Buddeworth' (as was his son).

Geoffrey married **Alice De Lacy**.

Marriage Notes: CHAN: NOTE 17:34

General Notes: Norman Warburton has a query against the identity of Alice as Geoffrey's wife. She was the daughter of John Lacy, Constable of Chester and Baron of Halton.

The child from this marriage was:

# Descendants of Adam De Dutton

- + 5 M i. **Sir Geoffrey De Dutton** was born about 1200 and died after 1275.

## Third Generation (Grandchildren)

- 5. **Sir Geoffrey De Dutton** (*Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*) was born about 1200 and died after 1275.

General Notes: Geoffrey succeeded to the estate about 1248 and was living in 1275. He settled in Warburton. He was referred to as Lord de Werberton in several documents.

Geoffrey married **Unknown**.

Marriage Notes: CHAN: NOTE 11:30

Children from this marriage were:

- + 6 M i. **Sir Peter De Warburton** was born about 1229 in Warburton, Cheshire and died before 1315 in Warburton, Cheshire.

- 7 M ii. **Thomas De Dutton**.

General Notes: Thomas Dutton of was granted lands at Thelwall in 1258.

- 8 F iii. **Margaret De Dutton** was born in Warburton, Cheshire.

General Notes: Margaret married first Robert de Denbigh, and afterwards Sir Nicholas Leycester of Tabley.

Geoffrey next married **Isabella**.

Marriage Notes: CHAN: NOTE 17:27

## Fourth Generation (Great-Grandchildren)

- 6. **Sir Peter De Warburton** (*Geoffrey (Sir)<sup>3</sup>, Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*) was born about 1229 in Warburton, Cheshire and died before 1315 in Warburton, Cheshire.

General Notes: Ormerod's tree and text, and Norman Warburton's tree show Peter as Geoffrey's son, but Norman's text refers to Geoffrey being succeeded by his grandson Peter.

Peter was originally known as Peter de Dutton but after he built a new manor house in Werberton (Warburton) and formed a Great Park beside it, it became the principal seat of the family and he became known as Peter de Werberton. As surnames evolved this became the family name. The name has been rendered as Warburton for consistency but this spelling did not come into use until the late 16th century.

Peter was living in 1261 and in 1 & 4 Edward II (circa 1307 and 1310).

The birth dates for Peter and the next three generations given on IGI and are inconsistent, and improbably early, given that the dates of death can be more precisely estimated from various records. The date used for Peter's birth is the latest of the IGI dates. However it doesn't fit with IGI's birth dates for his children, so these are omitted.

Norman Warburton also refers to a son of Sir Peter's called William who acquired 4/18ths of the manor of Partington in 1319/20 and became founder of the line of Partington Warburtons. Peter also settled a small property at Bollington on William, and the document names his mother as Hawise de Heffield (possibly a second wife). Other parts of the Partington estate were settled on William's sisters Cecelia and Alice.

Peter married.

Marriage Notes: CHAN: NOTE 16:18

His children were:

- + 9 M i. **Sir Geoffrey De Warburton** was born in Warburton, Cheshire and died about 1343.

- + 10 M ii. **Peter De Warburton**.

- + 11 M iii. **Hugh De Warburton** died after 1307.

- 12 M iv. **Adam De Warburton** was born in 1309.

General Notes: Adam is not mentioned by Ormerod but introduced by Norman Warburton with a dotted line to Peter, suggesting it is uncertain he was Peter's son. The date is far later than his supposed siblings, though

# Descendants of Adam De Dutton

within Peter's life.

Peter married **Hawise De Heffield**.

Marriage Notes: CHAN: NOTE 16:44

Children from this marriage were:

13 M i. **William De Warburton**.

General Notes: William acquired 4/18s of the manor of Partington in 1319-20. His descendants were still on the land in the late 17th century.

14 F ii. **Cecelia De Warburton**.

15 F iii. **Alice De Warburton**.

## Fifth Generation (Great Great-Grandchildren)

**9. Sir Geoffrey De Warburton** (*Peter (Sir)<sup>4</sup>, Geoffrey (Sir)<sup>3</sup>, Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*) was born in Warburton, Cheshire and died about 1343.

General Notes: Geoffrey was living in 4 Edward II (circa 1310), knighted circa 2 Edward III (circa 1328), Sheriff of Lancashire from 1324-5, and died in or soon after 1343. His date of birth on IGI is circa 1239 which seems improbable given his date of death.

Geoffrey married **Margaret Le Boteler** about 1269.

Marriage Notes: CHAN: NOTE 16:36

General Notes: Margaret was the daughter of Sir Henry le Boteler and Isabel le Boteler (who were cousins) of Warrington. She was living in 1314. Margaret's identity is from martinrealm.org.

Children from this marriage were:

+ 16 M i. **Sir Geoffrey De Warburton** was born in Warburton, Cheshire and died about 1368.

17 M ii. **Sir Robert De Warburton** was born about 1272 and died after 1327.

General Notes: Robert was living in 1327.

**10. Peter De Warburton** (*Peter (Sir)<sup>4</sup>, Geoffrey (Sir)<sup>3</sup>, Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*).

General Notes: Peter was given lands in Aston and Budworth.

Peter married **Agnes**.

Marriage Notes: CHAN: NOTE 17:15

Children from this marriage were:

18 M i. **Peter De Warburton** died before 1355.

General Notes: Peter was heir to the lands in Aston and Budworth. His wife was a widow in 1355.

Peter married **Ellen**. Ellen died after 1355.

Marriage Notes: CHAN: NOTE 17:20

19 M ii. **Robert De Warburton**.

General Notes: Ormerod states "by deed s.d. supposed s.p". Does "by deed" mean his son by deed, and so illegitimate? S.d. = sine die = indefinitely. S.p. = without issue.

**11. Hugh De Warburton** (*Peter (Sir)<sup>4</sup>, Geoffrey (Sir)<sup>3</sup>, Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*) died after 1307.

General Notes: Hugh was granted lands in Nether Walton. The last reference to him is in 1307.

Hugh married.

Marriage Notes: CHAN: NOTE 17:17

His child was:

# Descendants of Adam De Dutton

20 M i. **Geoffrey De Warburton.**

General Notes: Geoffrey had issue.

## Sixth Generation (3rd Great-Grandchildren)

**16. Sir Geoffrey De Warburton** (*Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born in Warburton, Cheshire and died about 1368.

General Notes: Geoffrey succeeded to the estates circa 1343. He was Senechal of Trafford and Stony Dunham in 33 Edward III (circa 1359) and died soon after 41 Edward III (circa 1368). His date of birth is given as circa 1270 on IGI but this seems too early given his date of death. The birth dates of his children also seem like guesses.

Geoffrey married **Alice**.

Marriage Notes: CHAN: NOTE 22:21

General Notes: The name of Alice for Geoffrey's wife is by email from Kenneth Kinman.

Children from this marriage were:

+ 21 M i. **Sir Geoffrey De Warburton** was born about 1298 in Warburton, Cheshire and died about 1383 aged about 85.

22 M ii. **Peter De Warburton** was born about 1300 in Warburton, Cheshire and died after 1348.

General Notes: Peter was living in 1348. His birth date is from IGI.

23 F iii. **Margaret De Warburton** was born about 1302 in Warburton, Cheshire and died after 1338.

General Notes: Margaret was living in 1338. Her birth date is from IGI.

Margaret married **Peter De Lymm**.

Marriage Notes: CHAN: NOTE 22:37

+ 24 M iv. **Richard De Warburton** was born about 1304 in Warburton, Cheshire.

25 F v. **Amelia De Warburton** was born about 1315 in Warburton, Cheshire.

General Notes: Amelia is not mentioned by Ormerod, or by Norman Warburton but is mentioned in a number of IGI entries with birth dates from 1310 to 1320.

Amelia married **Urian De Egerton**. Urian was born in 1312 in Egerton, Nantwich, Cheshire.

Marriage Notes: CHAN: NOTE 22:31

General Notes: Urian de Egerton was the son of Philip Malpas de Egerton, Sheriff of Chester, and Margaret de Wrenbury (IGI).

## Seventh Generation (4th Great-Grandchildren)

**21. Sir Geoffrey De Warburton** (*Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1298 in Warburton, Cheshire and died about 1383 aged about 85.

General Notes: Geoffrey' was living in 1381 but died in 1382 or 1383. His birth date on IGI is circa 1298 which seems too early for his date of death. The IGI dates for the births of his children also appear to be guesses. They do however establish a sequence for the children.

Geoffrey married **Alice** [Danyers] about 1328. Alice was born about 1302 and died before 1374.

Marriage Notes: Marriage date is from IGI.

CHAN: NOTE 18:12

General Notes: Alice is called Ellen by Norman Warburton. She died before 47 Edward III (cir 1374). She is identified as Alice (or Nichola) Danyers on martinrealm.org, though this might be a confusion with his daughter-in-law Nichola Danyers.

Children from this marriage were:

+ 26 M i. **Geoffrey De Warburton** was born about 1329 in Warburton, Cheshire and died before 1373.

# Descendants of Adam De Dutton

- 27 M ii. **Thomas De Warburton** was born about 1331 in Warburton, Cheshire.  
General Notes: Thomas died before his father, without issue.
- + 28 M iii. **John De Warburton** was born about 1333 in Warburton, Cheshire and died before 1391.
- 29 M iv. **William De Warburton** was born about 1335 in Warburton, Cheshire.  
General Notes: William is not mentioned by Norman Warburton but appears on IGI. This William is the supposed ancestor of the Grafton Warburton (Ginnie Warburton).
- 30 F v. **Catherine De Warburton** was born about 1337 in Warburton, Cheshire.
- 31 F vi. **Johanna De Warburton** was born about 1339 in Warburton, Cheshire.
- 32 M vii. **Richard De Warburton** was christened about 1341 in Warburton, Cheshire.  
General Notes: Richard is not mentioned by Ormerod, or by Norman Warburton but appears on IGI.

Geoffrey next married **Alina De Eland**.

Marriage Notes: CHAN: NOTE 17:03

General Notes: Alina of Carlina Hawe was a widow in 6 and 9 Ric. II (1382-3 and 1385-6). She was previously widowed and had a son Thomas de Eland of Carlina Haw before becoming Geoffrey's second wife.

**24. Richard De Warburton** (*Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1304 in Warburton, Cheshire.

General Notes: Richard is not mentioned in Ormerod, and does not appear on IGI and is only suggested as a possible son by Norman Warburton. He is however "son of Geoffrey".

Richard married.

Marriage Notes: CHAN: NOTE 22:42

His child was:

- + 33 M i. **Adam De Warburton** was born about 1340 and died after 1386.

## Eighth Generation (5th Great-Grandchildren)

**26. Geoffrey De Warburton** (*Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1329 in Warburton, Cheshire and died before 1373.

General Notes: Geoffrey had no issue and died before his father. He possibly served under the Black Prince in 39 Edward III (cir 1364).

Geoffrey married **Nichola Danyers** about 1358.

Marriage Notes: Marriage date is 33 Edward III in Ormerod.

CHAN: NOTE 14:49

General Notes: Nichola was the daughter and heir of Sir John Danyers.

The child from this marriage was:

- 34 F i. **Margaret De Warburton**  
Margaret married **Alan De Rixon**.  
Marriage Notes: CHAN: NOTE 14:49

**28. John De Warburton** (*Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1333 in Warburton, Cheshire and died before 1391.

General Notes: John's date of birth is from IGI. He succeeded to the estates before 1383 and died before 1391 according to Ormerod, or in 1384-5 according to Norman Warburton.

John married **Agnes De Wevere** about 1371. Agnes was born about 1337.

Marriage Notes: The marriage contract was dated 46 Edward III (1372-3) but Norman Warburton suggests the marriage

# Descendants of Adam De Dutton

may have been in 1371.

CHAN: NOTE 18:16

General Notes: Agnes was the daughter of Richard de Wevere.

Children from this marriage were:

- + 35 M i. **Peter De Warburton** was born about 1372 in Warburton, Cheshire and died before 1415.
- 36 M ii. **Richard De Warburton** was born after 1372 in Warburton, Cheshire and died after 1425.

General Notes: Richard is not mentioned in Ormerod, but is linked by a dotted line in Norman Warburton. He was Sherriff of Cheshire in 3 Hen. VI (cir 1424).

**33. Adam De Warburton** (*Richard*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1340 and died after 1386.

General Notes: Adam of Halton was alive in 41 Edward III (1367), and held lands in Elton in 10 Ric. II (1386).

Adam married **Isabell De Venables** before 1367. Isabell was born about 1340 and died after 1386.

Marriage Notes: CHAN: NOTE 23:00

General Notes: Isabell was the widow of Hugh Venables of Wymbaldestroghford and is attested on the same dates as her husband.

Children from this marriage were:

- 37 M i. **Thomas De Warburton**.

General Notes: Thomas of Halton is a probable son of Adam. He was alive in 1402 and a juror in 6 Henry V (circa 1418).

- 38 M ii. **Robert De Warburton**.

General Notes: Robert is the cousin of Richard de Warburton who was Sherriff of Cheshire in 3 Henry VI (1424).

Robert married **Matilda De Hellesby**.

Marriage Notes: CHAN: NOTE 23:09

General Notes: Matilda was the widow of Richard de Hellesby of Hellesby and Happesford.

## Ninth Generation (6th Great-Grandchildren)

**35. Peter De Warburton** (*John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1372 in Warburton, Cheshire and died before 1415.

General Notes: Peter was under age in 1391, and aged 21 in 1393. He fought at the Battle of Shrewsbury 21 July 1403 against Henry IV, but was later pardoned.

Peter was contracted to marry Douce Massey when she was under 5 years old. However the contract was dissolved in 1402 so he could marry Alice Braylesford. Alice was a widow by the second year of Henry V (1415). The Inquisition of his death was held in 8 Henry V (circa 1421).

IGI has birth dates for his children in the 1390's but these are too early for the date of his Marriage Dispensation.

Peter married **Douce Massey**.

Marriage Notes: This may have been a contract to marry rather than a marriage as Norman Warburton suggests she was 5 when the contract was dissolved in 1402.

CHAN: NOTE 16:20

General Notes: Douce was the daughter of Sir John Massey of Tatton.

Peter next married **Alice Braylesford** in 1402. Alice was born about 1368 and died after 1428.

Marriage Notes: Marriage Dispensation 4 May 1402.

# Descendants of Adam De Dutton

CHAN: NOTE 18:21

General Notes: Alice was the daughter of Henry Braylesford (Ormerod, also Burke's 'Commoners of Great Britain and Ireland'). Her birth date is from IGI. She made her will in 1428.

Children from this marriage were:

- 39 M i. **Peter De Warburton** was born before 1408 in Warburton, Cheshire and died after 1418.  
General Notes: Peter was described as heir in the Inquisition of 8 Henry V (1421) but must have died soon after without issue as the estates passed to his brother. IGI says he married Katherine Warburton though it is unknown if his wife was a Warburton cousin, or called by her married name because her actual name is unknown. Peter is not mentioned by Norman Warburton.
- + 40 M ii. **Sir Geoffrey De Warburton** was born about 1408 in Warburton, Cheshire, was christened in Warburton, Cheshire, died about 1448 aged about 40, and was buried in 1448 in Norton Priory.
- 41 F iii. **Margaret De Warburton** was born after 1408 in Warburton, Cheshire and died after 1448.  
General Notes: Margaret was living in 1448. Both Norman Warburton and IGI place her after Geoffrey.

## Tenth Generation (7th Great-Grandchildren)

**40. Sir Geoffrey De Warburton** (*Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1408 in Warburton, Cheshire, was christened in Warburton, Cheshire, died about 1448 aged about 40, and was buried in 1448 in Norton Priory.

General Notes: He came into possession of his estates in 1429, which Norman Warbuton interprets as his becoming 21. However his son Piers was 'of age' by 1648 suggesting he was born before 1427, when Geoffrey was only 19.

Norman Warburton questions whether Piers might have been the son of Beatrice. IGI has marriage dates of 1624 for Beatrice and 1427 for Ellen. Ormerod does not mention Beatrice making Piers the son of Ellen.

Geoffrey was knighted before 10 Henry VI (circa 1432), and Seneschal of Halton in 20 Henry VI (circa 1641).

The birth dates of Geoffrey's children (other than Piers) are from IGI though their provenance is unclear. IGI also describes them all as 'of Arley' but the family did not move there until 1469. Petronel and Marion are not included by Ormerod, or Norman Warburton, but are known from IGI.

Geoffrey married **Beatrice Dutton** about 1424.

Marriage Notes: CHAN: NOTE 18:46

General Notes: Norman Warburton simply describes her as Beatrice, but there are IGI entries which include the name Dutton. She is not mentioned by Ormerod.

Geoffrey next married **Ellen Bruyn** about 1427. Ellen was born about 1401 in Arley, Cheshire.

Marriage Notes: CHAN: NOTE 18:46

General Notes: Norman Warburton describes Ellen as the sister of John Bruyn of Tarvin. IGI also names her father John. After Sir Geoffrey's death she married first Henry Legh, and then Ralph Grosvenor.

Children from this marriage were:

- + 42 M i. **Piers De Warburton** was born after 1427 in Warburton, Cheshire and died in 1495.
- 43 F ii. **Joan De Warburton** was born about 1430 in Warburton, Cheshire.  
General Notes: Joan is living, under age, in 12 Henry VI (circa 1433).
- 44 M iii. **Thomas De Warburton** was born about 1432 in Warburton, Cheshire.  
General Notes: Thomas is living in 1448 when he was a legatee in his father's will. He is described by Randall Holme the Herald as 'of Halton' (Norman Warburton).
- + 45 M iv. **John De Warburton** was born about 1434 in Warburton, Cheshire.
- 46 M v. **Richard De Warburton** was born about 1436 in Warburton, Cheshire.  
General Notes: Richard is living in 1448 when he was a legatee in his father's will. He was Proctor at Cambridge in 1457 but died without issue (Norman Warburton).

# Descendants of Adam De Dutton

- 47 F vi. **Petronel De Warburton** was born about 1438 in Warburton, Cheshire.
- 48 F vii. **Marion De Warburton** was born about 1440 in Warburton, Cheshire.
- 49 F viii. **Elizabeth Jane De Warburton** was born about 1442 in Warburton, Cheshire.

Elizabeth married **Thomas Bulkeley** about 1468.

Marriage Notes: Ormerod and Norman Warburton have this wedding in 24 Henry VI (circa 1445). 1468 comes from IGI. 1445 does not fit with her birth date, unless it was the date of a marriage contract made when she was a child, and formalised subsequently.

CHAN: NOTE 20:13

## 11th Generation (8th Great-Grandchildren)

**42. Piers De Warburton** (*Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born after 1427 in Warburton, Cheshire and died in 1495.

General Notes: Piers is sometimes called Peter and the two names seem to be interchangeable. Piers (Wise Piers), was of Arley, and of Werberton, Cheshire. IGI gives his birth date as 1428 but although he was as a minor in the 12th year of Henry VI (circa 1434) he was of age by the 26th year (circa 1648) when he is mentioned alongside his father in a lease.

He was Seneschal of Halton. He supported Sir William Stanley of Holt during the Wars of the Roses, signing an agreement to that effect in 1461. At Bosworth Stanley intervened to give victory to Henry VII, but was later beheaded for his part in the Perkin Warbeck plot. Wise Piers avoided this fate.

Piers also built the first house at Arley in around 1469.

The birth dates of his children are from IGI, though they are dubious given the date of his marriage, yet given daughter Blanche's marriage date they could not be pushed back far. At least they give sequece to the children.

Piers married **Elizabeth Mainwaring** about 1436.

Marriage Notes: Either the wedding occurred in the 14th year of Henry VI (1436), or it was dissolved in that year. Either way Piers was still a minor at the time.

CHAN: NOTE 15:39

General Notes: Elizabeth was the daughter of John Mainwaring of Over Peover. Ormerod refers to her as Alice.

Piers next married **Ellen Savage** in 1469 in Clifton, Runcorn, Cheshire, daughter of **Sir John Savage III** and **Lady Eleanor De Brereton**. Ellen was born about 1432 in Clifton, Runcorn, Cheshire.

Marriage Notes: The marriage was by dispensation from the Pope because Piers and Ellen were related in the third degree. The location is from IGI.

CHAN: NOTE 15:41

Children from this marriage were:

- + 50 M i. **Sir John Warburton** was born about 1459 in Warburton, Cheshire and died in 1524 aged about 65.
- 51 M ii. **Peter Warburton** was born about 1461 in Warburton, Cheshire.

General Notes: Peter received lands in Bromfield, Cheshire. According to Norman Warburton who gives a birth date around 1455, he was born before his parents married, which implies his brother was also. Is it possible the need for a dispensation delayed the marriage until they had already had their family?

- 52 F iii. **Blanche Warburton** was born about 1463.

General Notes: Blanche was of Arley, and of Werberton, Cheshire.

Blanche married **Thomas Daniel** about 1472.

Marriage Notes: The date of marriage doesn't fit with her date of birth unless it was a marriage contract made when she was a child.

CHAN: NOTE 15:48

# Descendants of Adam De Dutton

General Notes: Thomas was of Over Tabley.

- 53 F iv. **Douce Warburton** was born about 1465 and died after 1484.

General Notes: Douce was of Arley, and of Werberton, Cheshire.

Douce married **Richard Aston** in 1484 in England.

Marriage Notes: CHAN: NOTE 17:14

General Notes: Richard was of Aston.

- 45. John De Warburton** (*Geoffrey (Sir)<sup>10</sup>, Peter<sup>9</sup>, John<sup>8</sup>, Geoffrey (Sir)<sup>7</sup>, Geoffrey (Sir)<sup>6</sup>, Geoffrey (Sir)<sup>5</sup>, Peter (Sir)<sup>4</sup>, Geoffrey (Sir)<sup>3</sup>, Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*) was born about 1434 in Warburton, Cheshire.

General Notes: John is living in 1448 when he was a legatee in his father's will. John was father of an illegitimate son Thomas of Northwich who in turn was father of Sir Peter Warburton of Grafton, knight, and justice of the Commons Pleas (from mentions in the 1510-11 settlement of estates, and 1613 visitations as noted by Norman Warburton).

John married.

Marriage Notes: CHAN: NOTE 17:07

His child was:

- + 54 M i. **Thomas Warburton**.

## 12th Generation (9th Great-Grandchildren)

- 50. Sir John Warburton** (*Piers<sup>11</sup>, Geoffrey (Sir)<sup>10</sup>, Peter<sup>9</sup>, John<sup>8</sup>, Geoffrey (Sir)<sup>7</sup>, Geoffrey (Sir)<sup>6</sup>, Geoffrey (Sir)<sup>5</sup>, Peter (Sir)<sup>4</sup>, Geoffrey (Sir)<sup>3</sup>, Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*) was born about 1459 in Warburton, Cheshire and died in 1524 aged about 65.

General Notes: John was of Arley, Cheshire. He was made Sheriff of Chester in 1495, a post he held until his death. Also he was a "knight of the body" to Henry VII.

Ormerod lists eight children of whom six are named. IGI has ten children and makes Sir Piers the youngest, not the eldest. IGI's birth dates have been ignored where they interrupt the sequence suggested by Ormerod, and are at best estimates.

John married **Joanne Stanley** about 1487.

Marriage Notes: The contract of marriage was dated 2 Henry VII (circa 1487).

CHAN: NOTE 20:20

General Notes: Joanna was the daughter of Sir William Stanley of Holt, Chamberlain to Henry VII. Martinrealm.org calls her Jane.

Children from this marriage were:

- + 55 M i. **Sir Piers Warburton** was born about 1489 in Arley, Cheshire, died on 5 Jun 1550 in Arley, Cheshire aged about 61, and was buried on 5 Jul 1550 in Arley, Cheshire.

- 56 M ii. **John Warburton** was born about 1490 in Arley, Cheshire and died before 1524.

General Notes: John presumably predeceased his father.

John married **Emma Golborne**.

Marriage Notes: CHAN: NOTE 17:55

General Notes: Emma was of Overton.

- 57 F iii. **Jane (Jean) Warburton** was born in Arley, Cheshire.

General Notes: Norman Warburton uses the name Jane, but she is most commonly Jean on IGI where her birth date is 1500. However Ormerod lists her as the first of the daughters.

Jane married **Sir William Turvyle** about 1526.

Marriage Notes: Marriage date is from IGI.

# Descendants of Adam De Dutton

CHAN: NOTE 20:40

- 58 F iv. **Douce Warburton** was born about 1492 in Arley, Cheshire.

Douce married **John Starkie**.

Marriage Notes: CHAN: NOTE 17:31

General Notes: John was of Wrenbury.

- 59 F v. **Margaret Ellen Warburton** was born about 1495 in Arley, Cheshire.

General Notes: Norman Warburton identifies Ellen as an additional daughter. The many IGI references to Ellen give her the same spouse as Margaret Ellen, and a slightly different birth date.

Margaret married **John Carrington**.

Marriage Notes: CHAN: NOTE 17:32

General Notes: John was of Carrington.

- 60 F vi. **Blanche Warburton** was born about 1496 in Arley, Cheshire and died in 1541 aged about 45.

General Notes: Blanche's date of death is from IGI.

Blanche married **William Davenport** about 1520.

Marriage Notes: Marriage date is from IGI.

CHAN: NOTE 21:21

General Notes: William was of Bramhall. He left a will in 1541.

Blanche next married **Christopher Eyre**.

Marriage Notes: Blanche's second marriage is known from IGI.

CHAN: NOTE 21:23

- 61 F vii. **Ann (Agnes) Warburton** was born in Arley, Cheshire.

General Notes: Ann or Agnes and her details are only known from IGI.

Ann married **Richard Markham**.

Marriage Notes: CHAN: NOTE 21:19

- 62 F viii. **Elizabeth Warburton** was born about 1498 in Arley, Cheshire.

General Notes: Elizabeth and her details are only known from IGI.

Elizabeth married **William Booth** about 1524.

Marriage Notes: CHAN: NOTE 21:24

- 63 M ix. **William Warburton** was born about 1502 in Arley, Cheshire.

General Notes: William is not included by Ormerod or Norman Warburton and is only mentioned on IGI. However Ormerod does indicate one other unnamed son.

- 64 M x. **Boy Warburton** was born in Arley, Cheshire.

General Notes: This unnamed child is only indicated on IGI.

John next married **Sibilla Starkey**.

Marriage Notes: CHAN: NOTE 20:20

General Notes: Sibilla was the daughter of Thomas Starkey of Stratton, and sister of Richard. According to Ormerod she was John's mistress by whom he had three sons who bore the family name.

Children from this marriage were:

# Descendants of Adam De Dutton

- 65 M i. **Thomas Warburton.**
- 66 M ii. **Richard Warburton.**
- 67 M iii. **Geoffrey Warburton.**

**54. Thomas Warburton** (*John*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>).

General Notes: Thomas was from Norwich. According to his son Peter he was Sheffiff in 1524.

He was however Illegitiamate as his father, a minor son of Sir Geoffrey Warburton, never married.

Thomas married **Anne Masterson.**

General Notes: Anne was the daughter of Robert Masterson of Nantwich, Cheshire

The child from this marriage was:

- 68 M i. **Sir Peter Warburton** was born about 1540 in Northwich, Cheshire and died on 7 Sep 1621 in Grafton, Cheshire aged about 81.

General Notes: Peter was educated at Staple Inn before joining Lincoln's Inn on May 2nd 1562. Later he was a Judge and Member of Parliament.

His biography on the History of Parliament website states:

When Warburton was seeking permission to use the family arms in 1597, he described his grandfather as 'a younger son of Sir Geoffrey Warburton by a later wife, and having little to live upon was never married, and so my father [was] illegitimate'. His father was well thought of, Warburton continued, and was sheriff in 1524. Whatever his origins, Warburton made his way as a lawyer, coming to the notice of the Earl of Leicester, chamberlain of the palatinate of Chester, and to that of Henry Stanley, 4th Earl of Derby, who later succeeded Leicester as chamberlain. He was already legal counsel to Chester in 1584, when Leicester and Derby both recommended to the city that he should be made an alderman. Chester took no immediate action and rejected Leicester's nomination of Warburton there in 1584. Instead Warburton came in for Newcastle-under-Lyme, through his own duchy of Lancaster connexions. By 1586 he was an alderman and resident of the city. He was elected by Chester to the Parliaments of 1586, 1589 and 1597, on the third occasion in the senior place, usually taken by the recorder. In 1593 he declined, being preoccupied by 'great business' for the Queen, for others and for himself, and he considered that his request to be spared was 'the more reasonable, because I have served three sessions already and will hereafter do you the best I can'. Warburton's name occurs in the journals of the House only for his last Parliament, when he was appointed to committees on the poor law (20 Dec. 1597), ordinances made by corporations (12 Jan. 1598), maltsters (12 Jan.), bread (13 Jan.), defence (16 Jan.), Norwich diocese (16 Jan.) and some minor legal matters (11, 14, 16, 18 Jan.). As a serjeant-at-law he could also have attended committees on the penal laws (8 Nov. 1597), the continuation of statutes (11 Nov.), forgery (12 Nov.), the poor law (22 Nov.), monopolies (8 Dec.) and defence (23 Jan. 1598).

After Warburton became a judge he bought the manor of Grafton, built a mansion and attempted to obtain the grant of arms referred to above, asserting that the head of the family—and his eventual father-in-law—Peter Warburton of Arley—supported his claim. His connexion with the earls of Derby was strengthened by the marriage of his only surviving child to Sir Thomas Stanley of Alderley. Trials in which he took part included those of the Earl of Essex, Sir Walter Raleigh and the Gunpowder plotters. He had scarcely become judge when he fell foul of Cecil's aunt, Elizabeth, who felt that Warburton had done her 'an open wrong' by his decision in one of her suits. 'Let him know his duty,' she wrote, 'since he knoweth not honesty nor justice ... For God's sake let me have ... him unjusticed or openly reproved for his insolent breach of justice.' It is doubtful if the complaints of Cecil's 'desolate wronged aunt' much affected Warburton's fortunes. He survived somewhat less easily King James's disfavour in 1616, when he hanged a Scotch falconer at Oxford against the King's command. He died in 1621. In his will he asked to be buried beside his third wife. He made his only surviving child, Dame Elizabeth Stanley, his executrix and left her all his lands, with the exception of his leasehold property in Cheshire, which went, along with £500, to his grandson Thomas Stanley. His three granddaughters were left £266 13s.4d. each. To John Jeffreys, his 'friend and cousin', Warburton left all his manuscripts and his 'written books of the laws of England', and he bequeathed a small sum of money to his servant Fabian Philipps, possibly the later royalist author.

Peter married **Margaret Barlow** in Oct 1574.

Marriage Notes: Peter and margaret had 2 daughters, only one of whom, Dame Elizabeth Stanley, outlived her father, and was executrix of his will. Peter also had 3 granddaughters.

General Notes: margaret was the daughter George Barlow of Dronfield Woodhouse, Derbyshire.

# Descendants of Adam De Dutton

Peter next married **Elizabeth Butler**.

General Notes: Elizabeth was the daughter of Sir Thomas Butler of Warrington.

Peter next married **Alice Warburton**, daughter of **Peter Warburton** and **Mary Holcroft**. Alice was born about 1576.

Marriage Notes: CHAN: NOTE 19:20

General Notes: Alice is the second youngest according to Ormerod. IGI suggests a birth date of circa 1576. There is a baptism record of Ales at Great Budworth on 1st July 1570, but this does not confirm she is Ales of Arley, it is 6 years earlier than the IGI date, and it does not conform with her being the second youngest.

## 13th Generation (10th Great-Grandchildren)

**55. Sir Piers Warburton** (*John (Sir)<sup>12</sup>, Piers<sup>11</sup>, Geoffrey (Sir)<sup>10</sup>, Peter<sup>9</sup>, John<sup>8</sup>, Geoffrey (Sir)<sup>7</sup>, Geoffrey (Sir)<sup>6</sup>, Geoffrey (Sir)<sup>5</sup>, Peter (Sir)<sup>4</sup>, Geoffrey (Sir)<sup>3</sup>, Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*) was born about 1489 in Arley, Cheshire, died on 5 Jun 1550 in Arley, Cheshire aged about 61, and was buried on 5 Jul 1550 in Arley, Cheshire.

General Notes: Piers was of Warburton and Arley. His birth and burial dates are from IGI. He was knighted shortly before his death. His marriage covenants were signed around 1511 when Elizabeth was 10 years old, and he was seven. His Inquisition was held in 4 Edward VI (circa 1551).

IGI has a range of dates from 1489 to 1504 for his birth. The earlier date fits best with him being the eldest. His children's birth dates are also from IGI. He had two other daughters as well as Jane and Ann.

Piers married **Elizabeth Winington** about 1519 in Winington, Cheshire. Elizabeth was born about 1501 and died about 1559 aged about 58.

Marriage Notes: Marriage date is from IGI.

CHAN: NOTE 17:39

General Notes: Elizabeth was the daughter and heir of Richard Winington of Winington. She brought great estates to the family.

Children from this marriage were:

- + 69 M i. **Sir John Peter Warburton** was born about 1523 in Arley, Cheshire, died in 1575 aged about 52, and was buried on 6 Sep 1575 in Great Budworth, St Mary And All Saints, Cheshire.
- + 70 M ii. **Peter Warburton** was born about 1524 in Arley, Cheshire and died after 1570.
- 71 M iii. **Richard Warburton** was born about 1525 in Arley, Cheshire and died on 21 Jun 1580 in Great Budworth, St Mary And All Saints, Cheshire aged about 55.

General Notes: Two Richards were buried at Great Budworth that year. Richard is probably the one described as a Gent.

- 72 F iv. **Jane Warburton** was born about 1525 in Arley, Cheshire.

General Notes: Norman Warburton has this Jane marrying William Brereton and dying on 5 March in the 3rd year of Car. (Charles?) I. This however is 1627 when she would be over 100 years old. Also the marriage to William is recorded at Great Budworth in 1589 and so he has probably confused Jane with her great niece.

Jane married **Laurence Smith** on 20 Jan 1561 in Brereton, Cheshire.

Marriage Notes: The marriage details are from IGI.

CHAN: NOTE 20:46

General Notes: Laurence was of Hough.

- 73 F v. **Anne Warburton** was born on 1 May 1527, died on 9 Jan 1573 aged 45, and was buried on 18 Jan 1573 in Dublin, St Patrick, Ireland.

Anne married **Edward Fitton** in 1539 in London.

Marriage Notes: CHAN: NOTE 18:12

# Descendants of Adam De Dutton

General Notes: Edward was of Gawsworth.

## 14th Generation (11th Great-Grandchildren)

**69. Sir John Peter Warburton** (*Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1523 in Arley, Cheshire, died in 1575 aged about 52, and was buried on 6 Sep 1575 in Great Budworth, St Mary And All Saints, Cheshire.

General Notes: John was of Warburton and Arley. He was knighted at the coronation of Mary Tudor, suggesting he was a Catholic.

His birth date is estimated from his age of 52 at his death. IGI normally gives his dates as 1520-1572 but I read the burial entry at Great Budworth as 1575.

His Inquisition was 18 Elizabeth (circa 1577). Ormerod does not name Jane or Agnes but states there was another son and three daughters. The childrens birth dates are from IGI.

John married **Mary Brereton** in 1535 in Brereton, Cheshire. Mary was born about 1524.

Marriage Notes: CHAN: NOTE 17:15

General Notes: Mary was the daughter of Sir William Brereton of Brereton. Her birth date is from IGI.

Children from this marriage were:

- + 74 M i. **Peter Warburton** was born about 1542 in Arley, Cheshire and died on 22 Jun 1626 aged about 84.
- + 75 M ii. **George Warburton** was born about 1544 in Arley, Cheshire, died in 1613 aged about 69, and was buried on 13 Sep 1613 in Great Budworth, St Mary And All Saints, Cheshire.
- 76 M iii. **John Warburton** was born about 1546 in Arley, Cheshire and was buried on 1 Jan 1622 in Great Budworth, St Mary And All Saints, Cheshire.

General Notes: John is probably the John of Arley buried a Great Budworth on 1st Jan 1622. The only other candidate is the John born in 1587 but he has been described as a cavalier suggesting he lived into the English Civil War.
- 77 F iv. **Elizabeth Warburton** was born about 1546 in Arley, Cheshire, died in 1629 aged about 83, and was buried on 4 May 1629.
- 78 F v. **Ann Warburton** was born about 1549 in Arley, Cheshire.

General Notes: Ann is not named by Ormerod though he mentions 3 unnamed daughters.  
Ann married **Sir Rohentmark Ham**.  
Marriage Notes: CHAN: NOTE 19:17

General Notes: Rohentmark was of Catham.
- 79 F vi. **Jane Warburton** was born about 1552 in Arley, Cheshire.

General Notes: Jane is not named by Ormerod though he mentions 3 unnamed daughters.
- 80 F vii. **Agnes Warburton** was born about 1565 and died on 17 Nov 1601 aged about 36.

General Notes: Agnes is the only child in the family whose birth is estimated after the start of the Great Budworth parish record. However her baptism isn't recorded, so she must have been baptised elsewhere, probably in a Chapel at Arley.

**70. Peter Warburton** (*Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1524 in Arley, Cheshire and died after 1570.

General Notes: Peter was of Hefferston Grange, and was still living in year 12 Elizabeth I (circa 1570). Most IGI entries give his date of birth as circa 1522, but if his elder brother died in 1575 aged 52 this is too early.

The Warburtons of Hefferston Grange survived to 1761 when the will of Philip Henry Warburton left all his estates to the children of his sisters. According to martinrealm.org Peter married Alice Cooper (which seems to be an alternative renering of Katherine Coupe) and had sons including Sir Richard (circa 1550 - 1610) who married Anne Vavasour, a lady to the bedchamber of Queen Elizabeth. They had at least one son, Cecil. There is also an unproven story that Richard Warburton

# Descendants of Adam De Dutton

of Dublin (founder of the Warburtons of Garryhinch) was a descendant, possibly a grandson, of Peter.

There is also a will dated 1617 for Peter of Hefferston, probably a son of this Peter, in which he mentions a number of sons including Peter (probably the eldest), George, William and Thomas, and at least 3 daughters (of which only Francis can be deciphered by me (the will has some damage and my copy is feint in places; and I have yet to attempt a full transcript of the secretary hand).

Peter married **Katherine Coupe** about 1552.

Marriage Notes: Marriage date is from IGI.

CHAN: NOTE 21:07

General Notes: Katherine was the daughter of John Coupe of Staffordshire.

Children from this marriage were:

- + 81 M i. **Peter Warburton**
- + 82 M ii. **Richard Warburton** was born in Hefferston Grange, Weaverham, Cheshire and died in 1610.

## 15th Generation (12th Great-Grandchildren)

**74. Peter Warburton** (*John Peter (Sir)<sup>14</sup>, Piers (Sir)<sup>13</sup>, John (Sir)<sup>12</sup>, Piers<sup>11</sup>, Geoffrey (Sir)<sup>10</sup>, Peter<sup>9</sup>, John<sup>8</sup>, Geoffrey (Sir)<sup>7</sup>, Geoffrey (Sir)<sup>6</sup>, Geoffrey (Sir)<sup>5</sup>, Peter (Sir)<sup>4</sup>, Geoffrey (Sir)<sup>3</sup>, Geoffrey (Sir)<sup>2</sup>, Adam<sup>1</sup>*) was born about 1542 in Arley, Cheshire and died on 22 Jun 1626 aged about 84.

General Notes: Peter was one of the earliest and largest Cheshire contributors to the Armada Fund. Circa 1620 William Webb described him as "a gentleman not affecting the style and degree of a Knight, yet one who could never avoid that Dignity, Authority and Worth, which has ever been deservedly thrown upon him for Wisdom and Government".

He only had daughters so he settled his lands on his great nephew, and divided his money (£3707 in silver, and £4649 in gold, found in his bedroom) between his daughters.

Peter's date of death is from IGI but there is no corresponding burial at Great Budworth.

The baptisms of the his daughters would have occurred after parish records at Great Budworth had begun. There are baptisms that may reflect some, but not all the daughters, and the dates do not conform with the sequence published by Ormerod. Also there are a couple of baptisms which seem too late for the girl's subsequent marriages, unless they were married as minors. Therefore the baptisms probably relate to other Warburton families in the parish, and the daughters were probably baptised in a Chapel at Arley. The baptisms are mentioned in notes, but the Ormerod sequence is maintained and birth dates are from IGI are used.

Peter married **Mary Holcroft** about 1567. Mary was born in 1546 and died on 18 Jun 1595 aged 49.

Marriage Notes: CHAN: NOTE 17:32

General Notes: Mary was the daughter of Sir John Holcroft of Holcroft. Her date of death is from IGI.

Children from this marriage were:

- 83 F i. **Mary Warburton** was born about 1568 and died in 1628 aged about 60.

General Notes: Mary was the eldest daughter according to Ormerod. Her baptism is not in the Great Budworth parish register. She died aged 60 in 1628 according to IGI.

Mary married **Sir Thomas Wilbraham** on 25 Jun 1587 in Great Budworth, St Mary And All Saints, Cheshire.

Marriage Notes: CHAN: NOTE 18:23

General Notes: Thomas was of Woodley.

- 84 F ii. **Elizabeth Warburton** was born about 1572 and died about 1603 aged about 31.

General Notes: Elizabeth was the second daughter according to Ormerod. The only Elizabeth baptism at Great Budworth was on 23rd August 1578 which is a little late to fit with the marriage to Ralph Egerton. IGI suggests a birth circa 1572 and death circa 1603.

Elizabeth married **Ralph Egerton** on 25 Nov 1591 in Great Budworth, St Mary And All Saints, Cheshire.

# Descendants of Adam De Dutton

Marriage Notes: CHAN: NOTE 18:33

General Notes: Ralph was of Ridley.

- 85 F    iii. **Jane Warburton** was born about 1572 and died on 5 Mar 1627 aged about 55.

General Notes: Jane is the third daughter according to Ormerod. The only Jane baptism at Great Budworth was on 4th August 1575 which is a little late to fit with the marriage to William Brereton. IGI suggests a birth date circa 1572, and gives her date of death.

Jane married **William Brereton** on 3 Dec 1589 in Great Budworth, St Mary And All Saints, Cheshire.

Marriage Notes: CHAN: NOTE 18:34

General Notes: William was of Ashley.

- 86 F    iv. **Isabel Warburton**.

General Notes: Isabel is the fourth daughter according to Ormerod. IGI suggests a date circa 1592 which would make her the youngest. The only baptism record for Isabell at Great Budworth was on 30th July 1579, but it does not state she is Isabel of Arley, and would make her younger than Eleanor who follows her in Ormerod.

Isabel married **Sir Edward Stanley**.

Marriage Notes: CHAN: NOTE 19:24

General Notes: Edward was of Bickerstaff.

- 87 F    v. **Eleanor Warburton** was born about 1574.

General Notes: Eleanor was the fifth daughter according to Ormerod. The baptism record of Elinor at Great Budworth on 3rd March 1574 does not state she is Elinor of Arley though the date does match the date on IGI.

Eleanor married **Thomas Marbury** on 13 May 1593 in Great Budworth, St Mary And All Saints, Cheshire.

Marriage Notes: CHAN: NOTE 17:16

General Notes: Thomas was of Marbury.

- 88 F    vi. **Frances Warburton**.

General Notes: Francic was the sixth daughter according to Ormerod. IGI makes her the second youngest with a birth date circa 1588. No baptism of a Frances can be found at Great Budworth.

Frances married **Sir Christopher Trentham**

Marriage Notes: CHAN: NOTE 19:23

- 89 F    vii. **Alice Warburton** was born about 1576.

General Notes: Alice is the second youngest according to Ormerod. IGI suggests a birth date of circa 1576. There is a baptism record of Ales at Great Budworth on 1st July 1570, but this does not confirm she is Ales of Arley, it is 6 years earlier than the IGI date, and it does not conform with her being the second youngest.

Alice married **Sir Peter Warburton**, son of **Thomas Warburton** and **Anne Masterson**. Peter was born about 1540 in Northwich, Cheshire and died on 7 Sep 1621 in Grafton, Cheshire aged about 81.

Marriage Notes: CHAN: NOTE 19:20

General Notes: Peter was educated at Staple Inn before joining Lincoln's Inn on May 2nd 1562. Later he was a Judge and Member of Parliament.

His biography on the History of Parliament website states:

When Warburton was seeking permission to use the family arms in 1597, he described his grandfather as 'a younger son of Sir Geoffrey Warburton by a later wife, and having little to live upon was never married, and so my father [was] illegitimate'. His father was well thought of, Warburton continued, and was sheriff in 1524. Whatever his origins, Warburton made his way as a lawyer, coming to the notice of the Earl of Leicester, chamberlain of the palatinate of Chester, and to that of Henry Stanley, 4th Earl of Derby, who later succeeded Leicester as chamberlain. He was already legal counsel to Chester in 1584, when Leicester and Derby both

recommended to the city that he should be made an alderman. Chester took no immediate action and rejected Leicester's nomination of Warburton there in 1584. Instead Warburton came in for Newcastle-under-Lyme, through his own duchy of Lancaster connexions. By 1586 he was an alderman and resident of the city. He was elected by Chester to the Parliaments of 1586, 1589 and 1597, on the third occasion in the senior place, usually taken by the recorder. In 1593 he declined, being preoccupied by 'great business' for the Queen, for others and for himself, and he considered that his request to be spared was 'the more reasonable, because I have served three sessions already and will hereafter do you the best I can'. Warburton's name occurs in the journals of the House only for his last Parliament, when he was appointed to committees on the poor law (20 Dec. 1597), ordinances made by corporations (12 Jan. 1598), maltsters (12 Jan.), bread (13 Jan.), defence (16 Jan.), Norwich diocese (16 Jan.) and some minor legal matters (11, 14, 16, 18 Jan.). As a serjeant-at-law he could also have attended committees on the penal laws (8 Nov. 1597), the continuation of statutes (11 Nov.), forgery (12 Nov.), the poor law (22 Nov.), monopolies (8 Dec.) and defence (23 Jan. 1598).

After Warburton became a judge he bought the manor of Grafton, built a mansion and attempted to obtain the grant of arms referred to above, asserting that the head of the family—and his eventual father-in-law—Peter Warburton of Arley—supported his claim. His connexion with the earls of Derby was strengthened by the marriage of his only surviving child to Sir Thomas Stanley of Alderley. Trials in which he took part included those of the Earl of Essex, Sir Walter Raleigh and the Gunpowder plotters. He had scarcely become judge when he fell foul of Cecil's aunt, Elizabeth, who felt that Warburton had done her 'an open wrong' by his decision in one of her suits. 'Let him know his duty,' she wrote, 'since he knoweth not honesty nor justice ... For God's sake let me have ... him unjusticed or openly reprov'd for his insolent breach of justice.' It is doubtful if the complaints of Cecil's 'desolate wronged aunt' much affected Warburton's fortunes. He survived somewhat less easily King James's disfavour in 1616, when he hanged a Scotch falconer at Oxford against the King's command. He died in 1621. In his will he asked to be buried beside his third wife. He made his only surviving child, Dame Elizabeth Stanley, his executrix and left her all his lands, with the exception of his leasehold property in Cheshire, which went, along with £500, to his grandson Thomas Stanley. His three granddaughters were left £266 13s.4d. each. To John Jeffreys, his 'friend and cousin', Warburton left all his manuscripts and his 'written books of the laws of England', and he bequeathed a small sum of money to his servant Fabian Philipps, possibly the later royalist author.

- 90 F viii. **Anne Warburton** was born about 1583, died in 1607 aged about 24, and was buried in Great Budworth, St Mary And All Saints, Cheshire.

General Notes: Anne is the last daughter according to Ormerod. IGI suggests a date circa 1583. The only baptism record for Anne at Great Budworth was on 4th April 1588. Her father is given as Peter, but it does not state she is of Arley.

Anne, daughter of Peter of Arley was buried in 1607 at Great Budworth.

**75. George Warburton** (*John Peter (Sir)*<sup>14</sup>, *Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1544 in Arley, Cheshire, died in 1613 aged about 69, and was buried on 13 Sep 1613 in Great Budworth, St Mary And All Saints, Cheshire.

General Notes: George was of the Lodge, and of Arley. IGI says he died before 1612, but the burial record from 1613 is for George of Arley.

His children's dates of birth are from IGI, which match the sequence in Ormerod, except for Mary who is not mentioned in Ormerod.

There are no reliable records of George's children being baptised at Great Budworth. There are baptisms of Peter on 4th September 1581, and John on 3rd July 1582, but these are before George's marriage. There is also a Robert, son of George baptised on 11th August 1586 but Robert is the fourth son according to Ormerod and this is only 2 years after his parents marriage. There is also a Thomas son of George baptised on 21st July 1594 which could be George's son, but there are no records Gabriel, Hesketh or the daughters.

George married **Elizabeth Houghton Nee Hesketh** on 4 Aug 1584 in Great Budworth, St Mary And All Saints, Cheshire. Elizabeth was born about 1560 in Houghton, Cheshire.

Marriage Notes: CHAN: NOTE 16:14

General Notes: Elizabeth was the widow of Alexander Houghton of Houghton, and sister of Thomas Hesketh.

Children from this marriage were:

- + 91 M i. **Peter Warburton** was born about 1585 and died on 31 Dec 1625 in Great Budworth, St Mary And All Saints, Cheshire aged about 40.

# Descendants of Adam De Dutton

- 92 M ii. **John Warburton** was born about 1587.

General Notes: John was described as a cavalier by Virginia Warbruton suggesting he lived into the English Civil War. She also assigns him several children, including a George and John who settled in Ireland, John being the founder of the Garryhinch line. However I do not know her source and her genealogy of the early members of the clan is similar to one from Burke which was challenged in the 19th century. This will be covered at more length when the Garryhinch Clan's Descendant Report is published.

John married **Holt**.

Marriage Notes: CHAN: NOTE 19:33

General Notes: John's wife was a daughter of the Holts of Stubley, Lancashire.

- 93 M iii. **Gabriel Warburton** was born about 1588.

General Notes: Gabriel's baptism is not in the Great Budworth records.

Gabriel married **Ann Harrington**. Ann was born about 1591 in Spaunton, Yorkshire.

Marriage Notes: CHAN: NOTE 17:48

General Notes: IGI gives Ann's birthplace as Spannton but Spaunton is the nearest match.

- 94 M iv. **Robert Warburton** was born about 1589.

General Notes: A Robert of Aston was buried at Great Budworth in 1639 (23rd April) but there is no evidence it is this Robert. A Maria, wife of Robbi (Robert) Warburton of the Lodge was buried on 14th Jan 1645 at Great Budworth.

- 95 M v. **Hesketh Warburton** was born about 1590 and was buried in Aug 1607 in Great Budworth, St Mary And All Saints, Cheshire.

- 96 M vi. **Thomas Warburton** was born about 1591.

- 97 F vii. **Ann Warburton** was born about 1592.

- 98 F viii. **Mary Warburton** was born about 1597.

General Notes: Mary is not mentioned by Ormerod, but is on IGI. There is a burial of a Marie of Arley on 9th June 1591 which could be her if the IGI birth date is incorrect. Other possible Marys already have death dates.

- 99 F ix. **Alice Warburton** was born about 1599.

Alice married **Nicholas Rigby**.

Marriage Notes: CHAN: NOTE 19:45

General Notes: Nicholas was probably of Horwich or Howick, Lancashire.

**81. Peter Warburton** (*Peter*<sup>14</sup>, *Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>).

Peter married **Magdalen Moulton**.

General Notes: Magdalen was the daughter of Robert Moulton of St Albans, Wood Street, London.

The child from this marriage was:

- + 100 M i. **Peter Warburton** was born on 27 Mar 1588 in Hefferston Grange, Weaverham, Cheshire, died on 28 Feb 1666 aged 77, and was buried in Fetcham, Surrey.

**82. Richard Warburton** (*Peter*<sup>14</sup>, *Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born in Hefferston Grange, Weaverham, Cheshire and died in 1610.

General Notes: According to Wikipedia Sir Richard Warburton (died 1610) was an English politician who sat in the House of Commons between 1601 and 1610.

Warburton was the third son of Peter Warburton of Hefferston Grange in Weaversham, Cheshire and his wife Alice Cooper, daughter of John Cooper of Abbots Bromley, Staffordshire. He was educated at Clement's Inn and then at Lincoln's Inn in 1583. He was a gentleman pensioner from around 1592 until his death. In 1600 he was constable of Lancaster Castle and steward of Lonsdale hundred. In 1601, he was elected Member of Parliament for Bridport. He was knighted in 1603. In 1604 he was elected MP for Penryn and sat until his death in 1610.

# Descendants of Adam De Dutton

Warburton married Anne Vavasour, lady of the bedchamber to Queen Elizabeth and sister of Thomas Vavasour in about 1603. They had a son.

Richard married **Anne Vavasour** in 1603.

Marriage Notes: Richard and Anne had a son.

The child from this marriage was:

101 M i. **Cecil Warburton**.

## 16th Generation (13th Great-Grandchildren)

**91. Peter Warburton** (*George*<sup>15</sup>, *John Peter (Sir)*<sup>14</sup>, *Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born about 1585 and died on 31 Dec 1625 in Great Budworth, St Mary And All Saints, Cheshire aged about 40.

General Notes: Peter was of the Lodge in Crowley and heir to his uncle Peter. His baptism isn't recorded at Great Budworth. IGI records his death as 1st Jan 1625, which is the day after the burial at Great Budworth. However the burial record does not identify him as Peter of Crowley.

Charles Forster has notes of four baptisms at Great Budworth where the father is Peter of Crowley: Elnor in March 1613, Ester in April 1613, Margaret in Sept 1614 and John in June 1616. The last three are not on my Great Budworth list so I must have missed them. If these are Peter and Elizabeth's children then the marriage must be earlier than estimated. Furthermore there are baptisms of Peter in May 1603, Thomas in 1608, Jane in Dec 1609, and Annie in Dec 1610 where the father is Peter of Crowley so the marriage may have been much earlier.

Neither son inherited so must have died before their father. An Ester of Crowley was buried in Nov 1618, a Peter, gent of unspecified abode was buried in May 1618, and a John of Arley was buried in Jan 1622.

Peter married **Elizabeth Norris** about 1615 in Chester, Cheshire.

Marriage Notes: This marriage is not mentioned in Ormerod.

CHAN: NOTE 20:30

Peter next married **Elizabeth Egerton** on 10 Jun 1621 in Shocklach, Cheshire. Elizabeth was born about 1589 in Ridley, Cheshire.

Marriage Notes: CHAN: NOTE 17:56

General Notes: Elizabeth was the daughter of Sir Richard Egerton of Ridley.

Children from this marriage were:

102 M i. **Peter Warburton** was born about 1622, died on 1 Aug 1641 in Oxford aged about 19, and was buried on 5 Aug 1641 in Great Budworth, St Mary And All Saints, Cheshire.

General Notes: Peter died without issue. However an unnamed daughter of Peter of Arley was buried on 11th August 1640 at Great Budworth.

Peter married **Eleanor Needham**. Eleanor was buried on 26 Jan 1663 in Chester, Trinity Church, Cheshire.

Marriage Notes: CHAN: NOTE 19:51

General Notes: Eleanor was the daughter of Lord Kilmorye. After Peter's death she married Lord Byron in 1644.

103 F ii. **Eleanor Warburton** was born about 1622.

Eleanor married **William Harmer**.

Marriage Notes: CHAN: NOTE 19:49

General Notes: William was from Fenns in Flintshire.

+ 104 M iii. **Sir George Warburton** was born in 1623, died on 18 May 1676 aged 53, and was buried on 26 May 1676 in Great Budworth, St Mary And All Saints, Cheshire.

*Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born on 27 Mar 1588 in Hefferston Grange, Weaverham, Cheshire, died on 28 Feb 1666 aged 77, and was buried in Fetcham, Surrey.

General Notes: Peter was a barrister and judge.

Wikipedia describes him thus:

The eldest son of Peter Warburton of Hefferston Grange, Cheshire, grandson of Sir Peter Warburton (d. 1550) of Arley in the same county, by Magdalen, daughter of Robert Moulton of St. Alban's, Wood Street, London, auditor of the exchequer in the reign of Elizabeth, he was born on 27 March 1588. At Oxford, where he matriculated at Brasenose College on 11 May 1604, he graduated B.A. on 22 November 1606. On 27 January 1607 he was admitted student at Lincoln's Inn, where he was called to the bar in 1612.

Warburton was one of the commissioners appointed on 1 February 1641 for the levy in Cheshire of the first two subsidies granted by the Long Parliament, and on 6 November 1645 was added to the committee of accounts. Parliament also appointed him on 22 February 1647 justice of the court of session of Cheshire and of the great sessions of Montgomeryshire, Denbighshire, and Flintshire, and advanced him on 12 June 1649 to a puisne judgeship in the Court of Common Pleas, having first (9 June) caused him to be invested with the coif. He was a member of the special commission which on 24 October of that year tried John Lilburne. On 14 March 1655 he was placed with Sir George Booth and Sir William Brereton on the militia commission for Cheshire. Soon afterwards he was transferred from the court of common pleas to the upper bench, in which he sat with Lord-chief-justice John Glynne on the trial (9 February 1657) of Miles Sindercombe.

Though pardoned at the Restoration of 1660, Warburton was not confirmed by a new call in the status of serjeant-at-law. He died on 28 February 1666, and was buried in the church of Fetcham, Surrey

Peter married **Alice Gardener**.

General Notes: Alice was the daughter of John gardener of Himbleton, Worcestershire.

The child from this marriage was:

105 M i. **Robert Warburton**

## 17th Generation (14th Great-Grandchildren)

**104. Sir George Warburton** (*Peter*<sup>16</sup>, *George*<sup>15</sup>, *John Peter (Sir)*<sup>14</sup>, *Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born in 1623, died on 18 May 1676 aged 53, and was buried on 26 May 1676 in Great Budworth, St Mary And All Saints, Cheshire.

General Notes: George inherited the Arley estate from his great uncle when he was 3 years old. He played no part in the Civil War but in 1654 Oliver Cromwell appointed him Sheriff of Cheshire. On the Restoration he presented £1084 to the Exchequer and consequently he was created a Baronet on 27 June 1660.

George had a total of 19 children, 6 by his first wife, and 13 by his second (Arley Guide). Of Diana's children 10 are listed by IGI, and another is only mentioned by Ormerod, but 2 are unknown.

Apart from Peter, none of the children of his first marriage were baptised at Great Budworth, but eight of the children of his second wife were. There is a Catherine in each marriage so the first is resumed to have died young.

IGI describes all the children of his second marriage as 'of Winnington', although George was master of Arley Hall. This is because Diana's eldest son inherited Winnington, with provision for her other children to inherit if the eldest line failed.

Birth dates of the children are from baptism records where they exist or from IGI, except George is from 'Seven Households', which also states there were 3 younger brothers of Thomas by Diana, none of whom married. Ormerod has a total of 5 sons by Diana, but 1 died young.

George married **Elizabeth Middleton** about 1641. Elizabeth was born on 24 Jan 1619 in Chirk Castle, Denbighshire and died in 1649 aged 30.

Marriage Notes: IGI has a date for this marriage of 16 Dec 1649. However entries in the accounts of Chirk Castle show it was circa 1641, and Elizabeth in fact died in 1649 (Charles Foster). Maybe the IGI date is in fact her death.

CHAN: NOTE 10:32

General Notes: Elizabeth was the daughter of Sir Thomas Middleton of Chirk Castle in Denbighshire. There is no record of her burial at Great Budworth, but she died in 1649 according to Charles Foster, the date in Ormerod being an error.

CHAN: NOTE 18:27
- 111 F vi. **Catherine Warburton** was born before 1650 in Arley, Cheshire.  
General Notes: Catherine presumably died young as a second Catherine was born to George's second wife.  
George next married **Diana Bishop** before 1654. Diana was born about 1634, died on 15 Mar 1693 aged about 59, and was buried in Chester, St Johns, Cheshire.  
  
Marriage Notes: CHAN: NOTE 10:35  
  
General Notes: Diana was the daughter of Sir Edward Bishop of Parham in Sussex, and Lady Mary Lufton, daughter of Nicholas, Earl of Thanet.

Children from this marriage were:

- 112 F i. **Diana Warburton** died on 11 Feb 1676 and was buried on 15 Feb 1676 in Great Budworth, St Mary And All Saints, Cheshire.  
General Notes: Ormerod lists Diana as the first daughter though IGI estimates her date of birth as 1675. However only her burial is recorded at Great Budworth, where she is referred to as Lady Diana.
- 113 F ii. **Frances Warburton** died on 29 Jan 1694 and was buried in Chester, St Johns, Cheshire.  
General Notes: Frances is mentioned by Ormerod but is not on IGI. Her baptism is not recorded at Great Budworth.

- 116 F v. **Elizabeth Warburton** was born on 26 Oct 1657, was christened on 26 Oct 1657 in Great Budworth, St Mary And All Saints, Cheshire, died on 26 Apr 1689 aged 31, and was buried in Chester, St Johns, Cheshire.

General Notes: On her baptism record she is described as Christiana, daughter of George of Arley.

# Descendants of Adam De Dutton

- 118 M vii. **Henry Warburton** was born about 1662.  
General Notes: Henry died in infancy. Neither his baptism nor burial are recorded at Great Budworth
- 119 M viii. **Robert Warburton** was born in 1663 and was christened on 9 Feb 1663 in Great Budworth, St Mary And All Saints, Cheshire.  
General Notes: Robert was probably one of the 3 sons who lived to maturity but never married.
- 120 M ix. **John Warburton** was born on 23 Oct 1663 and was christened on 23 Oct 1663 in Great Budworth, St Mary And All Saints, Cheshire.  
General Notes: John was probably one of the 3 sons who lived to maturity but never married. A John of Appleton, given the suffix 'gener', was buried at Great Budworth 20th September 1676. If 'gener' implies relationship to the Arley family this could be this John.
- 121 M x. **Cecil Warburton** was born in 1667, was christened on 16 Sep 1667 in Great Budworth, St Mary And All Saints, Cheshire, died on 2 May 1728 aged 61, and was buried in Chester, St Johns, Cheshire.  
General Notes: Cecil was probably one of the 3 sons who lived to maturity but never married. Ormerod gives his date of death as 2nd May 1728-9. This date is not before the New Year so may imply uncertainty. His age at death was 63. However the baptism of Ceciline son? of George would imply a younger age.
- 122 F xi. **Penelope Warburton** was born on 1 Jul 1669 and was christened on 16 Jul 1669 in Great Budworth, St Mary And All Saints, Cheshire.  
General Notes: Penelope is not mentioned by Ormerod, but is in IGI. Her father's name is not recorded on the baptism record?  
Penelope married **John Mordaunt** on 8 Jun 1695. John was born about 1657 and died on 6 Sep 1721 aged about 64.  
Marriage Notes: CHAN: NOTE 17:10  
General Notes: John was of Walton, Warwickshire.

## 18th Generation (15th Great-Grandchildren)

**106. Sir Peter Warburton** (*George (Sir)*<sup>17</sup>, *Peter*<sup>16</sup>, *George*<sup>15</sup>, *John Peter (Sir)*<sup>14</sup>, *Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born on 1 Jan 1642 in Arley, Cheshire, was christened on 1 Jan 1642 in Great Budworth, St Mary And All Saints, Cheshire, died in 1698 aged 56, and was buried on 18 Aug 1698 in Great Budworth, St Mary And All Saints, Cheshire.

General Notes: Peter was the 2nd Baronet. It would appear he was baptised the day he was born, a pattern followed by other children of his father. He was aged 53 in 1696 which does not quite tie with his baptism date. He seems to have spent much of his life at Lilley in Hertfordshire, the seat of his wife's family.

Peter married **Martha Dockwra** on 5 Jun 1673 in Lilley, Hertfordshire. Martha died in 1707.

Marriage Notes: CHAN: NOTE 10:08

General Notes: Martha was the daughter and hier of Thomas Dockwra of Putteridge, Hertfordshire.

Children from this marriage were:

- + 123 M i. **Sir George Warburton** was born in 1675 in Lilley, Hertford, was christened on 1 Jun 1675 in Offley, Hertfordshire, and died on 29 Jun 1743 aged 68.
- + 124 M ii. **Thomas Warburton** was born in 1676 in Lilley, Hertford, was christened on 19 Sep 1676 in Offley, Hertfordshire, and died before 1743.
- 125 M iii. **Sir Peter Warburton** was born about 1679 in Lilley, Hertford.  
General Notes: Peter was a Captain in the Army and fought in the Earl of Orrery's Regiment of Foot at Malplaquet. He was unmarried. He is also the only one of Peter and Martha's children whose baptism isn't recorded at Offley by IGI. This could be a transcription error, or he was baptised elsewhere.
- 126 F iv. **Martha Warburton** was born in 1680 in Lilley, Hertford and was christened on 9 Nov 1680 in Offley, Hertfordshire.  
Martha married **Fulks**.  
Marriage Notes: CHAN: NOTE 16:57

General Notes: The story of George and his descendants is from 'Seven Households' by Charles Foster. There were other children who are not included in 'Seven Households'.

George matriculated at Trinity College, Oxford in May 1667 and was called to the bar in 1673. He was given a three lives lease on Gore farm, Aston by Budworth, which was 192 acres. His descendants were investigated by Sir Peter 4th Baronet between 1743 and 1751 because a male descendant would be heir to the estate if he died without a son.

Neither his baptism nor burial are recorded at Great Budworth. However a George son of Georger of Arley, armiger was buried at Great Budworth on 17th July 1648 suggesting the first George died an infant and a second was named soon after.

George married **Spragg**.

Marriage Notes: CHAN: NOTE 17:52

General Notes: She was the widow of Sir Edward Spragg.

Children from this marriage were:

- + 129 M i. **Thomas Warburton**.

General Notes: Thomas was 9 years old on 26 July 1664 (Ormerod), was granted lands at Winnington and had 4 sons. His dates are from 'Seven Households'. His children are from IGI, which only includes 2 sons, suggesting the list is incomplete.

On his baptism record he is described as Thomas, son of George of Arley.

Thomas married **Ann Williams**.

Marriage Notes: CHAN: NOTE 09:42

General Notes: Ann was the daughter of Robert Williams Bart.

Children from this marriage were:

- 132 M i. **Hugh Warburton** was born about 1683 in Winnington, Cheshire.

General Notes: George was the 3rd Baronet, and served as Member of Parliament for Cheshire in the reigns of Anne and George I. After early opposition he became one of the main subscribers to the system of locks and weirs on the River Weaver. These supported the Northwich salt industry by allowing cheap coal to be brought in, and the salt to be exported. In 1698, with 2 local landowners he endowed a school at Lymm, later Lymm Grammar School, and now Lymm High School.

The manor at Lilley in Hertfordshire was settled on George by his grandfather Thomas Dockwra in 1710 on his marriage to Diana daughter of William Lord Alington. Sir George Warburton sold it in February 1729-30 to the Right Hon. Charles Cavendish.

George married **Diana Alington**. Diana was born in 1676 and died in 1705 aged 29.

Marriage Notes: CHAN: NOTE 17:04

General Notes: Diana was the elder daughter of William 2nd Lord Alington, and sister and co-heir of Giles, the 3rd Lord. Her mother was the daughter of the Duke of Bedford.

# Descendants of Adam De Dutton

General Notes: Thomas was of Turners Hall in Hertfordshire. He must have pre-deceased his brother George for the title to pass to his son.

Thomas married **Rebecca Stourton** on 15 Jul 1703 in Saint Mary At Hill, London.

Marriage Notes: IGI has this marriage but the bride's name is Rebecca Stoton, a possible misspelling. Being only a year before Thomas's second marriage Rebecca must have soon died, possibly giving birth to Martha.

CHAN: NOTE 15:48

General Notes: Rebecca was the daughter and co-hier of George Sturton of Pirton, Bedfordshire.

The child from this marriage was:

141 F i. **Martha Warburton** was born about 1704.

General Notes: Martha's birth date is based on the supposed marriage details.

# Descendants of Adam De Dutton

General Notes: Sons George and Robert are known from 'Seven Households'. Catherine is known from her baptism as the daughter of Mr. George Warburton of Gore. George's baptism can also be found at Great Budworth, though the 'of Gore' is omitted. There are two other daughters with similar baptism records but as one is another Katherine baptised within a few days of Catherine there must be two similar families. The other possible daughter is Mary baptised 11th February 1706.

George married.

Marriage Notes: CHAN: NOTE 18:00

His children were:

- 146 M i. **George Warburton** was born in 1704, was christened on 30 Jun 1704 in Great Budworth, St Mary And All Saints, Cheshire, and died in 1747 aged 43.

- + 148 M iii. **Robert Warburton** was born in 1710 and died after 1751.

## 20th Generation (17th Great-Grandchildren)

**143. Sir Peter Warburton** (*Thomas*<sup>19</sup>, *Peter (Sir)*<sup>18</sup>, *George (Sir)*<sup>17</sup>, *Peter*<sup>16</sup>, *George*<sup>15</sup>, *John Peter (Sir)*<sup>14</sup>, *Piers (Sir)*<sup>13</sup>, *John (Sir)*<sup>12</sup>, *Piers*<sup>11</sup>, *Geoffrey (Sir)*<sup>10</sup>, *Peter*<sup>9</sup>, *John*<sup>8</sup>, *Geoffrey (Sir)*<sup>7</sup>, *Geoffrey (Sir)*<sup>6</sup>, *Geoffrey (Sir)*<sup>5</sup>, *Peter (Sir)*<sup>4</sup>, *Geoffrey (Sir)*<sup>3</sup>, *Geoffrey (Sir)*<sup>2</sup>, *Adam*<sup>1</sup>) was born in 1708, was christened on 18 Mar 1708 in Lilley, Hertford, and died on 18 Nov 1774 aged 66.

General Notes: Peter was the 4th Baronet. He was chairman of the management committee of Cheshire gentlemen who rebuilt and modernised the Weaver Navigation works in the 1750s and 1760s. He also made major renovations at Arley Hall, encasing the medieval house in new walls of brick.

Peter's birth date is given as circa 1708 on IGI. The baptism at Lilley, Hertfordshire in 1708, parents Thomas and Anne, is also reported on IGI, but in a transcription of parish records..

Peter married **Lady Elizabeth Stanley** on 27 Feb 1745. Elizabeth was born on 14 Nov 1715 in St. Johns, Lancashire, was christened on 12 Dec 1715 in Preston, Lancashire, died on 25 Aug 1780 in Knutsford aged 64, and was buried on 2 Sep 1780.

- 152 M iv. **Sir Peter Warburton** was born on 27 Oct 1754 in Arley, Cheshire, was christened on 25 Nov 1754 in Great Budworth, St Mary And All Saints, Cheshire, and died on 14 May 1813 aged 58.

General Notes: Peter was the 5th and last Baronet. He made a fictional appearance in Mrs. Gaskell's novel 'Cranford' as Sir Peter Arley.

As he died without issue he left his estates to his great nephew Rowland Eyles, son of his niece Emma Croxton and the Reverend Rowland Egerton. Rowland senior changed the family name to Egerton Warburton. As Rowland Eyles was the eldest of 5 brothers his descendants were not the only line of Egerton Warburtons, so although the line at Arley lasted only 100 years, other branches continue today, including a large number in Western Australia, the descendants of George Edward and Augusta Spencer who settled at Mount Barker, WA.
