PREFACE

This family lived in the Great Sankey area of Lancashire, close to the Cheshire boarder (actually it is now part of modern day Manchester and Merseyside). The family is descended from Bancroft Warburton (1738-1805) who was christened at Bowdon in 1738, the illegitimate son of Elizabeth Warburton and John Bancroft. They married 10 years after Bancroft was born. John Bancroft was first married to Mary Warburton of the Hale Barns clan. It is likely that Elizabeth Warburton, Bancroft's mother, and later John Bancroft's second wife, was related to Mary (possibly a cousin) but this cannot be proved. Nevertheless despite Bancroft's illegitimate birth the clan is included in the Cheshire group. I have written a set of notes on Bancroft which explore this possibility as well as other facts surrounding Bancroft's origins.

The tree was developed from a file provided by John Humphries with additions from David Warburton, and subject to an overhaul in 2021.

First Generation

1. John Bancroft. John was born abt 1700. John died in Carrington, Cheshire, in 1756. He was buried in Bowdon St Mary, Cheshire, on 17 Dec 1756.

John Bancroft was first married to Mary Warburton of Sinderland, who was the daughter of Thomas Warburton (1676-1727) of the Hale Barns clan. They had 4 children and Mary died in 1737.

John Bancroft fathered an illegitimate child with Elizabeth Warburton. The child was called Bancroft Warburton and baptised on November 2nd 1738. The parents are described as 'of Sinderland'.

On May 2nd 1749 a John Bancroft married Elizabeth Warburton.

John's will, dated December 11th 1756, and proved on January 4th 1757, refers to his wife Elizabeth, his brother-in-law John of Sinderland (his first wife Mary's brother), and makes a bequest to Bank Warburton (£20).

Furthermore an Elizabeth Bancroft of Prescot was buried at Bowdon St.Mary on January 10th 1775. Bancroft Warburton lived and held land in Penketh and Great Sankey, within Prescot parish.

Thus it would seem that John was the father of Bancroft who was born 17 months after the death of his first wife Mary. The Elizabeth Warburton he later married was probably Bancroft's mother. Elizabeth's background is uncertain but it is possible she was a relative of Mary and went to help John look after his young family after Mary's death. They maybe felt unable to marry until John's children were no longer dependant on him.

On 2 May 1749 when John was 49, he married **Elizabeth Warburton** in Bowdon St Mary, Cheshire. Elizabeth was born abt 1715. She was buried in Bowdon St Mary, Cheshire, on 10 Jan 1775.

They had one child:

- 2** i. **Bancroft Warburton** (1738-1805)

Second Generation

2. Bancroft Warburton (*John Bancroft¹*). Bancroft was born in Sinderland, Cheshire, in 1738. He was christened in Bowdon St Mary, Cheshire, on 2 Nov 1738. Bancroft died in Great Sankey, Lancashire, on 7 Jan 1805. He was buried in Great Sankey, St Mary, Lancashire, on 10 Jan 1805.

Bancroft was a Yeoman Farmer and Overseer of the Poor.

He left a Will dated 16th September 1804. In it he left a messuage held in fee simple at Greston in Penketh to John subject to a payment of £1400. A second messuage held in fee simple in Penketh and currently occupied by himself and Ralph Leather was left to Thomas subject to a payment of £550. A third messuage, held on a leasehold for 3 lives 'all in being', in Great Sankey was left to James subject to payment of £350. If any son chose to refuse the estate bequeathed him it passed to the next son on the same terms with the proviso no son could have more than one estate.

Bancroft's wife received the rents and profits from all his estates for a year, and whatever household furniture she desired. After one year all farm stock and unwanted household good were to be sold. Enough of the proceeds from these sales and the estates were to be placed at interest to provide Elisabeth £50 per years until she remarried or died.

As John, Thomas, James. Margaret and William had all had £100 to promote them in the world, then Mary and Joseph should have the same on reaching 24 years old. The residue of the estate was then to be divided equally between all the children.

On 20 Apr 1767 when Bancroft was 29, he married **Elizabeth Norman** in Farnworth, St Luke, Lancashire. The banns of marriage between Bancroft Warburton of the parish of Prescott, husbandman, and Elizabeth Norman of this parish (Farnworth), spinster, were published on the 5th, 12th, and 19th April 1767. At the time of marriage both were residents of Farnworth parish. Witnesses were John Ardern and Samuel Southam. Elizabeth was born in Great Sankey, Lancashire, in 1746. She was christened in Great Sankey, St Mary, Lancashire, on 11 May 1746. Elizabeth died in Great Sankey, Lancashire, on 13 Jan 1814. When Jane died, the farm passed to a Miss Rigby who lived at Huyton. The land was farmed and rented out to Mr Henry Houghton. He suffered a serious accident whilst out with the horse and cart on the main road and didn't farm again. John was from Prescott, and Margaret was from Warrington. Witnesses were James Warburton (probably the brother of John) and Mary Warburton (probably the sister of Margaret). Margaret was born in Dallam, Burtonwood, Lancashire, on 28 Jul 1806. She was christened in Winwick, St Oswald, Lancashire, on 1 Oct 1806. Margaret died in 1828. She was buried in Great Sankey, St Mary, Lancashire, on 28 Jan 1828.

The identification of the Margaret Warburton who married John as his first cousin is based on the fact the witnesses to the wedding match the next youngest sibling of each party. Also marrying cousins is not uncommon amongst the Warburtons of Burtonwood.

Margaret's burial record states she was aged 21, and her abode was Moor.

They had one child:

- i. **John Warburton**. John was born in Dallam, Burtonwood, Lancashire, on 18 Sep 1826. John was the son of John, farmer of Burtonwood, and Margaret on his baptism. He hasn't been found in censuses after 1851 so is probably the John whose death was registered in 1q 1854 Warrington 8c 91, aged 27.

Thomas married **Ellen**. Ellen's identity is uncertain. No marriage to an Ellen has been found in the period 1818-28, though there are no records of marriages at Great Sankey in existence for this period. Suggestions on Ancestry Public Trees are unconvincing. That to Ellen Hicks is discounted because there is no record of the marriage, and no Hicks family is evident in Great Sankey. That to Ellen Woller is discounted as she was too young, at about 13 years old, when the marriage occurred in 1816. Ellen was born in Great Sankey, Lancashire, abt 1802. Ellen died in Liverpool, Lancashire, in 1872. She was buried in Great Sankey, St Mary, Lancashire, on 10 Mar 1872.

In the 1901 census Thomas was an iron merchant living at 19 Megdale Terrace, Middlesbrough, Durham. His death was registered in 1q 1911 Middlesbrough 9d 389, aged 75.

12. Margaret Warburton (*James³, Bancroft², John Bancroft¹*). Margaret was born in Dallam, Burtonwood, Lancashire, on 28 Jul 1806. She was christened in Winwick, St Oswald, Lancashire, on 1 Oct 1806. Margaret died in 1828. She was buried in Great Sankey, St Mary, Lancashire, on 28 Jan 1828.

The identification of the Margaret Warburton who married John as his first cousin is based on the fact the witnesses to the wedding match the next youngest sibling of each party. Also marrying cousins is not uncommon amongst the Warburtons of Burtonwood.

Margaret's burial record states she was aged 21, and her abode was Moor.

On 22 Sep 1825 when Margaret was 19, she married **John Warburton (7)**, son of **3. John Warburton & Elizabeth Brimilow**, in Warrington, St Elphin, Lancashire. John was from Prescott, and Margaret was from Warrington. Witnesses were James Warburton (probably the brother of John) and Mary Warburton (probably the sister of Margaret). John was born in Cronton, Near Widnes, Lancashire, in 1799. He was christened in Farnworth, St Luke, Lancashire, on 24 Feb 1799. ■ Census in 1841 for Liverpool, Lancashire. John (40) is a cow keeper living in Great Orford Street with Mary (40), sister Elizabeth (35), and four daughters of his sister Jane Riding. ■ Census in 1851 for Warrington, Lancashire. He was buried in Great Sankey, St Mary, Lancashire, on 9 Sep 1852.

John's baptism record says he is the son of John and Elizabeth of Cronton. His death was registered in 3q 1852 Warrington 8c 81, aged 53.

They had one child:

- i. **John Warburton**. John was born in Dallam, Burtonwood, Lancashire, on 18 Sep 1826. He was christened in Winwick, St Oswald, Lancashire, on 27 Oct 1826. ■ Census in 1851 for Warrington, Lancashire. John (24) is a grocer living at 13 Bewsey Street with Mary Ann (24), father John (51), 2 apprentice grocers and a servant. John died in Warrington, Lancashire, in 1854.

John was the son of John, farmer of Burtonwood, and Margaret on his baptism. He hasn't been found in censuses after 1851 so is probably the John whose death was registered in 1q 1854 Warrington 8c 91, aged 27.

On 10 May 1849 when John was 22, he married **Mary Ann Norman** in Farnworth, St Luke, Lancashire. John was a grocer from Warrington, father John, a farmer. William died in Warrington, Lancashire, in 1865. He was buried in Great Sankey, St Mary, Lancashire, on 1 Apr 1865.

William was listed as a farmer in Dallam in the 1858 Trades Directory of Lancashire. His death was registered in 1q 1865 Warrington 8c 124, aged 53.

They had one child:

21 i. **James Warburton** (1836-1892)

On 17 May 1838 when William was 26, he second married **Jane Langshaw** in Manchester Cathedral, Lancashire. Jane was William's sister-in-law. It was illegal at the time to marry a sister-in-law, but it appears this was sometimes overlooked at Manchester Cathedral, depending on the clergyman. Jane was born in Speke, Liverpool, Lancashire, in 1806. She was christened in Childwall, All Saints, Lancashire, on 7 Sep 1806. ■ Census in 1871 for Warrington, Lancashire. She was buried in Great Sankey, St Mary, Lancashire, on 12 Sep 1889.

Jane's place of birth is variously given as Speke, Childwall, and Woolton. The fact she married her brother-in-law is confirmed by her father's will of 22nd March 1838 which mentions both sisters, Ann being deceased by then.

Her death was registered in 3q 1889 Warrington 8c 139, aged 83. The same age was on her was burial record.

They had one child:

22 i. **John Warburton** (1845-1910)

From 1858 to 1865 John was eligible to vote as joint occupier of copyhold house and land at Crow Wood Farm, Widnes (even though living in Warrington in 1865).

John's death was registered in 3q 1891 Wigan 8c 81, aged 75.

On 10 Sep 1863 when John was 46, he married **Elizabeth Lloyd** in Prescott, St Mary The Virgin, Lancashire. Elizabeth was born in Tarbock, Lancashire, abt 1838.

Elizabeth has not been found on the 1901 census, and her ages in censuses are variable. There is no obvious death registration, so it is possible she remarried.

They had one child:

23 i. **Joseph Bancroft Warburton** (1864-1907)

15. Richard Warburton (*Joseph³, Bancroft², John Bancroft¹*). Richard was born in Penketh, Lancashire, on 30 Jan 1822. Richard was eligible to vote up to 1865 as joint occupier of a copyhold house and land at Crow Wood Farm, Widnes, although he was living at Rose Farm by 1865.

The difference between the 17 acres Richard farmed in the 1861 census, and the 36 acres in the 1871 census, may just reflect a switch from Cheshire acres to Imperial acres.

Richard died of chronic bronchitis at Rose Farm, The Horns, Lane Ends, Widnes. His death was registered in 4q 1878 Prescot 8b 534, aged 56. In 1841, Rose Farm was occupied by Samuel Woods (aged 75) and family.
