PREFACE

The Haslingden family has been constructed on a best fit basis from parish records, and ignores a similar but different construction found on IGI. The Utah branch of the Haslingden Warburtons is based on a paper in the LDS archives by Eva Warburton Proctor (sent me by Margo Duran). It described two Warburton immigrants to Utah as half-brothers but it transpires she combined two separate families. Both originated in Haslingden and so may be related, though the link has yet to be found (the second family is described in the Haslingden and Utah clan).

The clan was originally documented alongside the Radcliffe clan, to which it is connected by marriage. DNA also indicates the two clans have a common ancestor

This tree has been built using input from Margo Duran, Kathy Warburton, Almon Clegg, Stephen Carr, Helena Sanderson, and Dorothea Marler.

First Generation

1. Robert Warburton. Robert died in Haslingden, Lancashire, in 1694. He was buried in Haslingden, St James, Lancashire, on 11 Feb 1694.

This clan was started from input from Margo Duran, which is based on a history by Eva Proctor Warburton.

Eva's document conflated two families to indicate that 2 emigrants to Utah were half-brothers. One "brother" was born in Haslingden but his father's ancestry has not been satisfactorily determined. He and his descendants are documented in the Haslingden and Utah clan

The second brother, Joseph was the son of James Warburton of Haslingden who married Sarah Warburton of Radcliffe in 1810. Sarah's ancestors are described in the Radcliffe Clan. DNA indicates there is an earlier link between the two families.

The early part of the Haslingden Clan is a best fit construction based on the Haslingden, St James parish registers. There is a pedigree on IGI which seems to be constructed in a similar way, but it has some obvious errors so I have constructed my tree from scratch.

The situation is complicated by a number of families using a small pool of names. There are situations where 3 cousins of similar age and the same name all marry in a short space of time, making it difficult to fit the right cousin with the right spouse. Therefore, whilst I am confident all clan members are related, alternative family constructions are possible.

The Industrial Revolution came to Haslingden in the last quarter of the 18th century, mainly in the form of cotton mills. As this will have brought new people into the town, so from this time links between families cannot be assumed without additional evidence.

In the 1690s Haslingden parish records show two marriages, involving John and Thomas, followed by a number of baptisms where the father is either John or Thomas. This suggests these are two families established in Haslingden at this time.

IGI has John and Thomas as two brothers, and gives their father as the Peter who was buried at Haslingden in February 1710. However Stephen Carr recently (2018) discovered some earlier baptisms at Haslingden which identify the family of Robert, including sons John and Thomas. This is likely to be the Robert who was buried on February 11th 1694. Peter was of Below Stake on his burial, and Robert was of Stake so they may well be related. The locations of Stake and Below Stake are uncertain but there are references to a Stake Lane which runs from Haslingden to Helmshore and on to Holcombe.

A clue that John and Thomas are sons of Robert is that they both name sons Robert, and they and their descendants use a small pool of names which include the relatively rare names of Robert,

First Generation

Henry, and Abraham. Peter is only used twice in the 18th century in Haslingden.

Robert married **Mary**. Mary died in Sunyard Law, Haslingden, Lancashire, in 1705. She was buried in Haslingden, St James, Lancashire, on 31 Aug 1705.

Mary is described as a widow of Sunnyard Lawside on her burial. As Thomas is resident here for most of his life it seem likely she was his mother. Her being a widow also fits with Robert's date of death.

They had the following children:

- 2
 - i. **John Warburton** (~1663-1754)
 - ii. **Robert Warburton**. Robert was born in Musbury, Lancashire, in 1667. He was christened in Haslingden, St James, Lancashire, on 13 Oct 1667. Robert died in Musbury, Lancashire, in 1710. He was buried in Haslingden, St James, Lancashire, on 10 Feb 1710.

Robert's father was from Musberie on his baptism, and he was from Musberry on his burial. The date of his burial is given as February 1709, but this is 1710 on the modern calendar.
- 3
 - iii. **Thomas Warburton** (1670-1721)
 - iv. **Margaret Warburton**. Margaret was born abt 1675. She was christened in Haslingden, Trinity Baptist, Lancashire, on 8 Mar 1675.

Margaret's father is from Slate on her baptism. The date is given as March 1674 but this would be 1675 on the modern calendar.

Second Generation

2. **John Warburton** (*Robert*¹). John was born in Musbury, Lancashire, abt 1663. He was christened in Haslingden, St James, Lancashire, on 1 Jan 1664. John died in Sunyard Law, Haslingden, Lancashire, in 1754. He was buried in Haslingden, St James, Lancashire, on 21 Sep 1754.

John's father was from Musdenhead on his baptism.

The burial record is the only likely one at Haslingden though it shows he had reached a considerable age. However as his brother, and his son John have connections with Sunyard Law, and he appears to be alive when his wife was buried in 1742, it seems logical.

Baptism records at this time do not mention the mother's name and there are variations in John's abode so it is possible not all the children are from the one family. However, there is no other marriage and some of the abode changes are linked by the baptism and burial of his children, particularly Sarah and Thomas.

On 1 Jul 1694 when John was 31, he married **Christian Ffish** in Haslingden, St James, Lancashire. Christian died in Haslingden, Lancashire, in 1742. She was buried in Haslingden, St James, Lancashire, on 16 Jan 1742.

On her burial Christian is described as the wife of John of Church Hill, which is in the centre of Haslingden close to Deardengate, the abode for the baptism of their later children.

Second Generation

They had the following children:

- i. **James Warburton**. James was born in Haslingden, Lancashire, in 1694. He was christened in Haslingden, St James, Lancashire, in 1694.

There is no abode mentioned on James's baptism record. No marriage or burial record has been linked to James.

- ii. **Sarah Warburton**. Sarah was born in Haslingden, Lancashire, in 1695. She was christened in Haslingden, St James, Lancashire, on 6 Oct 1695. Sarah died in Haslingden, Lancashire, in 1717. She was buried in Haslingden, St James, Lancashire, on 12 Jun 1717.

Sarah's baptism describes her father's abode as Holden, whilst her burial describes it as Deardengate.

- iii. **Thomas Warburton**. Thomas was born in Hutch Bank, Haslingden, Lancashire, in 1696. He was christened in Haslingden, St James, Lancashire, on 23 Aug 1696. Thomas died in Musbury, Lancashire, in 1698. He was buried in Haslingden, St James, Lancashire, on 12 May 1698.

Thomas's father was of Hutchbank on his baptism record, and of Musbury on his burial. Hutch Bank is west of Haslingden centre and was probably part of the Holden estate. Musbury is 3 mile south west, but Thomas's burial is the evidence that his father John was resident there for a period.

4 iv. **Abraham Warburton** (1698-1770)

- v. **Alice Warburton**. Alice was born in Haslingden, Lancashire, in 1702. She was christened in Haslingden, St James, Lancashire, on 11 Nov 1702.

On 9 Jan 1722 when Alice was 20, she married **John Duckworth** in Haslingden, St James, Lancashire. John was of the ~Town, and Alice was from Deardengate.

- vi. **Elizabeth Warburton**. Elizabeth was born in Haslingden, Lancashire, in 1705. She was christened in Haslingden, St James, Lancashire, on 26 Aug 1705.

Elizabeth's father is a carrier from the Town on her baptism record.

- vii. **Mary Warburton**. Mary was born in Haslingden, Lancashire, in 1707. She was christened in Haslingden, St James, Lancashire, on 29 Jun 1707.

Mary is from Hencroft on her baptism. It is not known where Hencroft is so this might be a different family.

5 viii. **John Warburton** (1709-1778)

- ix. **Robert Warburton**. Robert was born in Haslingden, Lancashire, bef 1712. Robert died in Haslingden, Lancashire, in 1712. He was buried in Haslingden, St James, Lancashire, on 3 Jul 1712.

Second Generation

Robert's baptism has not been found.

- x. **Robert Warburton**. Robert was born in Haslingden, Lancashire, in 1712. He was christened in Haslingden, St James, Lancashire, on 23 Nov 1712. Robert died in Haslingden, Lancashire, in 1788. He was buried in Haslingden, St James, Lancashire, on 13 Apr 1788.

Robert's baptism is preceded by the burial of a Robert, both sons of John of Deardengate. This indicates there were two Roberts and the baptism of the first is lost.

Robert is identified as the husband of Ann Haworth simply on age. Warburton men typically married in their early 20s at this time. The only other candidate, the son of Thomas and Jennet would be 37 at the time of the marriage.

There is no evidence of children, but the burial of Anne wife of Robert of Deardengate seems a good fit as there is no other wedding of Robert and Ann(e) at Haslingden. It also suggests Robert was still alive, but old, making the burial of Robert of the workhouse the following year likely to be this Robert.

On 19 Feb 1734 when Robert was 22, he married **Ann Howarth** in Haslingden, St James, Lancashire. Robert was a labourer, and they were both 'of this parish' on the parish record. Ann died in 1787. She was buried in Haslingden, St James, Lancashire, on 2 Nov 1787.

Ann was buried the wife of Robert of Deardengate.

3. Thomas Warburton (*Robert*¹). Thomas was born in Musbury, Lancashire, in 1670. He was christened in Haslingden, St James, Lancashire, on 28 Dec 1670. Thomas died in Haslingden, Lancashire, in 1721. He was buried in Haslingden, St James, Lancashire, on 26 Nov 1721.

Thomas's father is from Musdenhead on his baptism.

Most of Thomas's children's baptisms give an abode which is a variation of Sunyard Law. The IGI submission also includes Peter born around 1699, and Alice born around 1702 but these don't appear in the parish record and clash with baptisms that did occur in those years.

On 5 Oct 1696 when Thomas was 26, he married **Jennet Hayhurst** in Haslingden, St James, Lancashire. Both were 'of this Parish' on the parish record. Jennet was born on 20 Mar 1673. Jennet died in Haslingden, Lancashire, in 1727. She was buried in Haslingden, St James, Lancashire, on 15 Aug 1727.

IGI names Jennet as Jeneta Howorth and gives her date of birth, but the source is unknown. The marriage date given matches that in the parish record for Jennet.

Second Generation

The only likely burial record is for Jane the poor widow of Thomas of the Town.

They had the following children:

- i. **Robert Warburton**. Robert was born in Hutch Bank, Haslingden, Lancashire, abt 1697. He was christened in Haslingden, St James, Lancashire, on 31 Jan 1697. Robert died in Haslingden, Lancashire, on 12 May 1698.

Robert's date of death is from IGI. There is no burial record at Haslingden, though the baptism of a second Robert implies his death. The origin of the IGI date is unknown.

- ii. **Mary Warburton**. Mary was born in Haslingden, Lancashire, in 1698. She was christened in Haslingden, St James, Lancashire, on 10 Apr 1698. Mary died in Haslingden, Lancashire, in 1701. She was buried in Haslingden, St James, Lancashire, on 14 May 1701.

Mary's father's name has disappeared in a hole in the parish record. The abode of Holden matches Sarah, John's daughter, but it is too close to the baptism of John's son Abraham. She fits equally well in Thomas's family as Sunyard Law was a tenement on the Holden estate.

Mary's burial as the daughter of Thomas of Carterplace is a little dubious. As the location of Carterplace is unknown this may be the daughter of a different, unknown Thomas, though Thomas has another daughter called Mary in 1703.

- iii. **Robert Warburton**. Robert was born in Haslingden, Lancashire, in 1699. He was christened in Haslingden, St James, Lancashire, on 19 Nov 1699.

Robert is the second of that name with a father named Thomas. His father's abode is Sonyardloe (Sunyard Law). The first Robert was son of Thomas of Hutchbank. Hutchbank, like Sunyard Law, is in Haslingden Grane so they seem to be the same family.

No marriage or burial record has been linked to Robert.

- iv. **Mary Warburton**. Mary was born in Haslingden, Lancashire, abt 1702. She was christened in Haslingden, St James, Lancashire, on 25 Jan 1703.
- v. **Elizabeth Warburton**. Elizabeth was born in Haslingden, Lancashire, abt 1706. She was christened in Haslingden, St James, Lancashire, on 17 Feb 1706.
- 6 vi. **Thomas Warburton** (1709-1777)
- vii. **Henry Warburton**. Henry was born in Haslingden, Lancashire, bef 1713. Henry died in Sunyard Law, Haslingden, Lancashire, in 1713. He was buried in Haslingden, St James, Lancashire, on 15 Apr 1713.

Henry is only known from his burial as son of Thomas.

Second Generation

viii. **Margaret Warburton**. Margaret was born in Haslingden, Lancashire, in 1713. She was christened in Haslingden, St James, Lancashire, on 8 Oct 1713.

7 ix. **Henry Warburton** (1717-)

8 x. **James Warburton** (1719-1792)

Third Generation

4. Abraham Warburton (*John², Robert¹*). Abraham was born in Musbury, Lancashire, in 1698. He was christened in Haslingden, St James, Lancashire, on 2 Oct 1698. Abraham died in Haslingden, Lancashire, in 1770. He was buried in Haslingden, St James, Lancashire, on 19 Oct 1770.

Abraham was living in Deardengate at the time of his death. He was variously described as a labourer and carrier on his children's baptism records. For a while he lived at Cockham to the north of Haslingden.

On 1 Jan 1720 when Abraham was 22, he married **Ann Hargreaves** in Haslingden, St James, Lancashire. Both were from Deardengate on their marriage record. Ann died in Haslingden, Lancashire, in 1761. She was buried in Haslingden, St James, Lancashire, on 10 May 1761.

Ann is the wife of Abraham of Deardengate on her burial record.

They had the following children:

- 9**
 - i. **Robert Warburton** (1721-1789)
 - ii. **Elizabeth Warburton**. Elizabeth was born in Cockham, Haslingden, Lancashire, in 1725. She was christened in Haslingden, St James, Lancashire, on 11 Nov 1725. Elizabeth died in Cockham, Haslingden, Lancashire, in 1726. She was buried in Haslingden, St James, Lancashire, on 16 Aug 1726.
- 10**
 - iii. **Abraham Warburton** (1727-1795)
 - iv. **Sarah Warburton**. Sarah was born in Haslingden, Lancashire, in 1730. She was christened in Haslingden, St James, Lancashire, on 22 Feb 1730. Sarah died in Haslingden, Lancashire, in 1731. She was buried in Haslingden, St James, Lancashire, on 7 Feb 1731.
 - v. **Betty Warburton**. Betty was born in Haslingden, Lancashire, in 1732. She was christened in Haslingden, St James, Lancashire, on 1 Jan 1732.

5. John Warburton (*John², Robert¹*). John was born in 1709. He was christened on 23 Oct 1709. John died in Sunyard Law, Haslingden, Lancashire, in 1778. He was buried in Haslingden, St James, Lancashire, on 23 Mar 1778.

The only candidate in the parish record for the John who married Dedorah is the son of John born in 1709 to John and Christian nee Christian Ffish. The IGI submission introduces another John in between. This is John Warburton alias Woods who married Alice Woods in 1721 but he is probably the John born in 1696 to Margaret Wood, begotten by Thomas Warburton.

As all John's children have the mother Deborah this is almost certainly one family, though details of John's abode and occupation vary. He is usually a weaver, though sometimes a labourer. The first child was baptised from Sunifield, followed by 3 from Church Hill, and then one from Waterfoot, though he seems to have died when the family were in Sunyard Law. The next two

Third Generation

were from Deardengate, then one from Haslingden before the last two are from Sunyard Law. Both John and Deborah were living in Sunyard Law when they died.

Abt 1738 when John was 29, he married **Deborah**. No evidence of this marriage has been found in parish records, but there seems to be a gap in the records at that time. Deborah died in Sunyard Law, Haslingden, Lancashire, in 1780. She was buried in Haslingden, St James, Lancashire, on 14 Oct 1780.

Deborah is only known from the baptisms of her children.

They had the following children:

- i. **Abraham Warburton**. Abraham was born in Haslingden, Lancashire, in 1739. He was christened in Haslingden, St James, Lancashire, on 28 Apr 1739.

Two Abrahams married in 1761, but it isn't possible to say if either was this Abraham. Only one daughter is known from the unions.

- 11 ii. **John Warburton** (~1740-)
- 12 iii. **Robert Warburton** (1742-1770)
- iv. **Mary Warburton**. Mary was born in Haslingden, Lancashire, in 1744. She was christened in Haslingden, St James, Lancashire, on 2 Dec 1744.
- v. **Thomas Warburton**. Thomas was born in Haslingden, Lancashire, in 1746. He was christened in Haslingden, St James, Lancashire, on 5 Nov 1746. Thomas died in Haslingden, Lancashire, in 1773. He was buried in Haslingden, St James, Lancashire, on 15 Mar 1773.

The IGI submission has Thomas marrying Grace. However the death of Thomas, son of John of Sunyard Loe, in 1773 looks a good fit, and Thomas and Grace had children after this date. Also the marriage of Thomas and Grace is not shown at Haslingden suggesting they moved to the area subsequently.

The marriage to Susan Barns in 1766 would fit, especially as they had two sons by 1769 and no further children, but being described as the son of his father on his burial implies he wasn't married. Susan Barnes is considered a better fit for a second wife of the Thomas born in 1709.

- 13 vi. **James Warburton** (1748-1822)
- 14 vii. **Henry Warburton** (1750-)
- viii. **Peter Warburton**. Peter was born in Haslingden, Lancashire, in 1753. He was christened in Haslingden, St James, Lancashire, on 17 Jun 1753. Peter died in Haslingden, Lancashire, in 1772. He was buried in Haslingden, St James, Lancashire, on 12 Oct 1772.
- ix. **William Warburton**. William was born in Haslingden, Lancashire, in 1756. He was christened in Haslingden, St James, Lancashire, on 4 Apr 1756. William died in

Third Generation

Haslingden, Lancashire, in 1771. He was buried in Haslingden, St James, Lancashire, on 28 Jun 1771.

15 x. **Edmund Warburton** (1758-1837)

6. **Thomas Warburton** (*Thomas², Robert¹*). Thomas was born in Haslingden, Lancashire, in 1709. He was christened in Haslingden, St James, Lancashire, on 27 Nov 1709. Thomas died in Priest's Intake, Haslingden, Lancashire, in 1777. He was buried in Haslingden, St James, Lancashire, on 17 Jun 1777.

IGI identifies this Thomas as the one who married in 1730, but names his spouse as Mary Howarth married on November 24th. In fact Mary Warburton married Thomas Howorth on that date. The only marriage of Thomas Warburton in the parish register (or anywhere online) is to Mary Warburton of Bury on May 31st. His abode on his children's baptisms, and the lack of alternatives makes this the likely marriage of Thomas son of Thomas and Jennet.

His abode on his children's parish records is initially of Todhall and Hutchbank, but thereafter Grane. The latest records, including his own and his wife's burial refer to Priest's Intake (Preistintax) which is believed to be located in Grane. Occasionally he is referred to as a labourer.

The identification of Thomas as the husband of Susan Barnes is speculative, based on:

- Thomas's first wife Mary died two years earlier and he would not be the first to remarry at age 58 or greater.
- The abode on the baptisms of their two children, Grane and Troy are consistent with Thomas's stated abodes throughout his life.
- The two alternative Thomas's are more doubtful fits. The son of Thomas's cousin John would have been 19 at the time of the marriage to Susan. This is just old enough given the tendency to early marriages in this clan, but he died in 1773 and was merely recorded as the son of John. Thomas's own nephew would have only been 17 so probably too young.

The possible Thomases are in any case related, though the possibility that Susan's husband was an incomer cannot be totally discounted.

On 14 May 1730 when Thomas was 21, he first married **Mary Warburton** in Haslingden, St James, Lancashire. Thomas was 'of this parish', but Mary was from Bury on the parish record. Mary died in Priest's Intake, Haslingden, Lancashire, in 1764. She was buried in Haslingden, St James, Lancashire, on 27 Feb 1764.

Mary is from Bury on her wedding record. She is the wife of Thomas of Priest's Intake on her burial record.

Third Generation

They had the following children:

- i. **Thomas Warburton**. Thomas was born in Todhall, Haslingden, Lancashire, in 1737. He was christened in Haslingden, St James, Lancashire, on 5 Dec 1737. Thomas died in Haslingden, Lancashire, in 1738.

IGI has Thomas dying around 1738 though there is no burial record. The baptism of a second Thomas in 1749 confirms that he died at some point.

- ii. **Mary Warburton**. Mary was born in Hutch Bank, Haslingden, Lancashire, in 1739. She was christened in Haslingden, St James, Lancashire, on 8 Dec 1739. Mary died in Haslingden, Lancashire, in 1758.

Mary was the daughter of Thomas of Hutchbank on her baptism, and of Grane on her burial.

- iii. **James Warburton**. James was born in Haslingden Grane, Lancashire, in 1742. He was christened in Haslingden, St James, Lancashire, on 29 Aug 1742. James died in Priest's Intake, Haslingden, Lancashire, in 1755. He was buried in Haslingden, St James, Lancashire, on 3 Jul 1755.

James is described as the son of Thomas, a labourer from Priest's Intake, on his burial record.

- iv. **Elizabeth Warburton**. Elizabeth was born in Haslingden Grane, Lancashire, abt 1745. She was christened in Haslingden, St James, Lancashire, on 12 Jan 1745.
- v. **Jane Warburton**. Jane was born in Haslingden Grane, Lancashire, in 1747. She was christened in Haslingden Grane, Lancashire, on 29 Jan 1747.
- vi. **Thomas Warburton**. Thomas was born in Haslingden Grane, Lancashire, in 1749. He was christened in Haslingden, St James, Lancashire, on 24 Dec 1749. Thomas died in Haslingden Grane, Lancashire, in 1755. He was buried in Haslingden, St James, Lancashire, on 7 Jul 1755.

Thomas is the son of Thomas of Grane on his burial record.

- 16 vii. **Henry Warburton** (1752-1837)
- viii. **Thomas Warburton**. Thomas was born in Haslingden, Lancashire, in 1756. He was christened in Haslingden, St James, Lancashire, on 7 Jul 1756.

The abode is cut off on the Ancestry image of Thomas's baptism. Only the Bishop's Transcript is available.

On 11 Feb 1766 when Thomas was 57, he second married **Susan Barnes** in Haslingden, St James, Lancashire.

Susan was referred to as Susannah on the baptism of her son.

Third Generation

They had the following children:

- i. **Mary Warburton**. Mary was born in Grane, Haslingden, Lancashire, in 1767. She was christened in Haslingden, St James, Lancashire, on 3 Mar 1767.

Mary was the daughter of Thomas and Susan of Grane on her baptism.

- ii. **James Warburton**. James was born in Troy, Haslingden, Lancashire, in 1769. He was christened in Haslingden, St James, Lancashire, on 25 Jan 1769.

James was the son of Thomas and Susanna of Troy on his baptism. Modern day Troy Quarry is on the north side of Haslingden Grane.

He is a candidate for the husband of Betty Grimshaw, married April 1st 1793.

However there are other candidates who are not yet linked to the rest of the Haslingden clan, so James and Betty have not been added to the clan, and are currently shown as a separate, unconnected line on the Haslingden Families spreadsheet.

7. Henry Warburton (*Thomas², Robert¹*). Henry was born in Haslingden, Lancashire, in 1717. He was christened in Haslingden, St James, Lancashire, on 14 Jul 1717.

Henry was the second child of that name as a Henry was buried on April 15th 1713, though there is no matching baptism.

The IGI submission equates him with the Henry who married an Anne in 1740. The surname and exact marriage date are missing. As there is only one Henry baptised in the earlier generation the marriage to Anne Crook is the only one that fits..

However the IGI also says he married Jane and had a daughter Elizabeth. This is based on the baptism of Elizabeth, daughter of Henry and Jane of Holden. This is impossible as the marriages would be concurrent. There is no evidence of a marriage of Henry and Jane, and the only reference to Jane is on Elizabeth's baptism, so is likely Jane was entered instead of Anne in error in the parish record.

The locations of Todd Hall, Holden, Waterfoot and Paghouse are believed to be fairly close to each other and the centre of Haslingden. It seems the family moved around, but in a fairly small area.

On 8 Apr 1740 when Henry was 23, he married **Anne Crook** in Haslingden, St James, Lancashire. Henry was a labourer, and both were 'of this parish' on their marriage record.

Third Generation

They had the following children:

- i. **Jane Warburton**. Jane was born in Haslingden, Lancashire, in 1741. She was christened in Haslingden, St James, Lancashire, on 18 Jan 1741. Jane died in 1825. She was buried in Haslingden, St James, Lancashire, on 18 Dec 1825.

Henry is a weaver from Lane Side on Jane's baptism record.

On 29 Dec 1764 when Jane was 23, she married **John Ormerod** in Haslingden, St James, Lancashire. John and Jane had 5 children.

- ii. **Margaret Warburton**. Margaret was born in Haslingden, Lancashire, in 1742. She was christened in Haslingden, St James, Lancashire, on 31 Jul 1742. Margaret died in Haslingden, Lancashire, in 1742. She was buried in Haslingden, St James, Lancashire, on 23 Aug 1742.

Margaret's baptism record describes her father as a weaver of Higher Lane, and her burial calls him Henry of Haslingden.

- 17 iii. **Mary Warburton** (1744-)
- iv. **Alice Warburton**. Alice was born in Todhall, Haslingden, Lancashire, in 1746. She was christened in Haslingden, St James, Lancashire, on 15 Feb 1746.

Henry is a weaver on Alice's baptism record.

- v. **Thomas Warburton**. Thomas was born in Haslingden, Lancashire, in 1748. He was christened in Haslingden, St James, Lancashire, on 19 Mar 1748.
- Thomas's father was from Haslingden on his baptism record.
- vi. **Elizabeth Warburton**. Elizabeth was born in Holden, Haslingden, Lancashire, in 1750. She was christened in Haslingden, St James, Lancashire, on 17 Jun 1750. Elizabeth died bef 1754.

The parish record has no name but describes Henry as a weaver from Holden. The Bishop's Transcript records an Eliz daughter of Henry and Jane of Holden, but the date is circa May 12th. This would appear to be a transcription error, but it gives the missing name.

- 18 vii. **Henry Warburton** (1752-1792)
- viii. **Elizabeth Warburton**. Elizabeth was born in Holden, Haslingden, Lancashire, in 1754. She was christened in Haslingden, St James, Lancashire, on 10 May 1754.
- 19 ix. **Robert Warburton** (1756-1833)
- 20 x. **James Warburton** (1759-1812)
- xi. **John Warburton**. John was born in Haslingden, Lancashire, in 1761. He was christened in Haslingden, St James, Lancashire, on 5 Aug 1761. John died in Haslingden, Lancashire, in 1781. He was buried in Haslingden, St James, Lancashire, on 9 Feb 1781.

Third Generation

John was described as the son of Henry of Lower Lane on his baptism record, and the son of Henry of Church Hill on his burial record.

8. **James Warburton** (*Thomas², Robert¹*). James was born in Haslingden, Lancashire, in 1719. He was christened in Haslingden, St James, Lancashire, on 27 Sep 1719. James died in Manchester, Lancashire, in 1792. He was buried in Haslingden, St James, Lancashire, on 3 Aug 1792.

The IGI submitted tree says James married Margaret about 1740 and had 5 children. This fits closely, but not exactly, with the marriage to Margaret Coope and the 5 children of James and Margaret that are likely to be theirs. The IGI includes a John baptised on December 7th 1766 but there is no such baptism in the Haslingden parish record, or elsewhere in Lancashire according to on-line sources.

The parish records indicate that James and his family moved to Manchester before 1766 but continued to have family members, including sons Thomas and James, buried in Haslingden. There is no other James and Margaret marriage at Haslingden until 1828. No sons are known to have survived to marry.

On 29 Nov 1740 when James was 21, he married **Margaret Coope** in Haslingden, St James, Lancashire. Both were 'of this parish' on their marriage record. Margaret died in Manchester, Lancashire, in 1782. She was buried in Haslingden, St James, Lancashire, on 3 Dec 1782.

Third Generation

They had the following children:

- i. **Thomas Warburton**. Thomas was born in 1741. He was christened in Haslingden, St James, Lancashire, on 11 Oct 1741. Thomas died in Manchester, Lancashire, in 1766. He was buried in Haslingden, St James, Lancashire, on 13 Jul 1766.

The parish record of Thomas's burial says he is the son of James of Manchester. The IGI submission identifies Thomas as the one who married Susan Barnes in 1766, but this seems incorrect.

- ii. **Elizabeth Warburton**. Elizabeth was born in Heap Clough, Haslingden, Lancashire, on 3 Jul 1744. She was christened in Haslingden, St James, Lancashire, on 8 Oct 1744.

Elizabeth's date of birth is from the IGI submission though the source is unknown and it isn't recorded on the image of the parish record on Ancestry.

- iii. **Jane Warburton**. Jane was born in Haslingden Grane, Lancashire, in 1749. She was christened in Haslingden, St James, Lancashire, on 19 Aug 1749. Jane died in Haslingden Grane, Lancashire, in 1750. She was buried in Haslingden, St James, Lancashire, on 6 Oct 1750.

Jane was from Grane on her baptism record, and the daughter of James and Margaret of Grane on her burial record.

- iv. **James Warburton**. James was born in Haslingden Grane, Lancashire, in 1751. He was christened on 7 Sep 1751. James died bef 1754.

There are two James baptised, son of James and Margaret so the first must have died an infant, although there is no burial recorded.

- v. **James Warburton**. James was born in Haslingden, Lancashire, in 1754. He was christened in Haslingden, St James, Lancashire, on 24 Jul 1754. James died in Manchester, Lancashire, in 1776. He was buried in Haslingden, St James, Lancashire, on 4 Feb 1776.

James's father was a weaver of Haslingden on his baptism record and the son of James of Manchester on his burial record. The IGI submission identifies James as the one who married Ann Hargreaves in 1783, but this seems incorrect.

Fourth Generation

9. Robert Warburton (*Abraham³, John², Robert¹*). Robert was born in Haslingden, Lancashire, in 1721. He was christened in Haslingden, St James, Lancashire, on 18 Aug 1721. Robert died in Haslingden, Lancashire, in 1789. He was buried in Haslingden, St James, Lancashire, on 30 Aug 1789.

Robert is from Deardengate on his baptism record, and on his burial record. However the baptisms of his children would suggest he spent a period in Musbury, and after returning to Deardengate he also spent time in Waterfoot and Laneside. There are unlikely to be two families as Robert and Susan marriages are quite rare.

On 25 Dec 1744 when Robert was 23, he first married **Elizabeth Rishton** in Haslingden, St James, Lancashire. Robert was a weaver, and both were 'of this parish' on their marriage record. Elizabeth died in Haslingden, Lancashire, in 1748. She was buried in Haslingden, St James, Lancashire, on 26 Feb 1748.

Elizabeth was the wife of Robert of Church Hill on her burial record.

They had the following children:

- i. **Anne Warburton**. Anne was born in Haslingden, Lancashire, in 1745. She was christened in Haslingden, St James, Lancashire, on 13 Mar 1745. Anne died in Haslingden, Lancashire, bef 1763.

She was baptised the daughter of Robert and Elizabeth of Martin Croft. If the assumption that Robert next married Susanna Heap is correct then Anne probably died before 1763 when Robert had another daughter called Anne.

- ii. **Mary Warburton**. Mary was born in Haslingden, Lancashire, in 1746. She was christened in Haslingden, St James, Lancashire, on 23 Jul 1746. Mary died in Haslingden, Lancashire, in 1747. She was buried in Haslingden, St James, Lancashire, on 21 Mar 1747.

Mary was baptised the daughter of Robert, a weaver, and Elizabeth of Church Hill. Her burial record is indistinct but she is the daughter of Robert of somewhere ending in -hill.

On 17 Dec 1749 when Robert was 28, he second married **Susanna Heap** in Whalley, St Mary and All Saints, Lancashire. Robert and Susan are both from Haslingden. Susanna died in Haslingden, Lancashire, in 1783. She was buried in Haslingden, St James, Lancashire, on 30 Aug 1789.

Susanna is referred to as such on the baptisms of her children, but as Susan on her wedding and burial records. On her burial she is the wife of Robert of Laneside.

Fourth Generation

They had the following children:

- i. **Alice Warburton**. Alice was born in Musbury, Lancashire, in 1750. She was christened in Haslingden, St James, Lancashire, on 25 Dec 1750.

Alice was baptised the daughter of Robert and Susanna of Musbury.

- ii. **Elizabeth Warburton**. Elizabeth was born in Musbury, Lancashire, in 1753. She was christened in Haslingden, St James, Lancashire, on 9 May 1753.

Elizabeth was baptised the daughter of Robert, a weaver, and Susanna of Tor-End, Musbury.

- iii. **Sarah Warburton**. Sarah was born in Musbury, Lancashire, in 1755. She was christened in Haslingden, St James, Lancashire, on 28 May 1755.

Sarah was baptised the daughter of Robert and Susanna of Musbury.

- iv. **Abraham Warburton**. Abraham was born in Haslingden, Lancashire, in 1758. He was christened in Haslingden, St James, Lancashire, on 13 Mar 1758.

He was baptised the son of Robert and Susanna of Deardengate. There is no marriage of an Abraham at Haslingden until that to Judith Shephard in 1798.

- v. **Mary Warburton**. Mary was born in Haslingden, Lancashire, bef 1761. Mary died in Haslingden, Lancashire, in 1761. She was buried in Haslingden, St James, Lancashire, on 25 Jul 1761.

Mary is only known from her burial as the daughter of Robert of Deardengate, so her date of birth is unknown. This is the only family she can sensibly belong to.

- vi. **Anne Warburton**. Anne was born in Haslingden, Lancashire, in 1763. She was christened in Haslingden, St James, Lancashire, on 5 Nov 1763.

Anne was baptised the daughter of Robert and Susanna of Deardengate.

- vii. **Susan Warburton**. Susan was born in Waterfoot, Haslingden, Lancashire, in 1767. She was christened in Haslingden, St James, Lancashire, on 19 Jul 1767.

Susan was baptised the daughter of Robert and Susan of Waterfoot.

- viii. **Robert Warburton**. Robert was born in Todhall, Haslingden, Lancashire, in 1760. He was christened in Haslingden, St James, Lancashire, on 19 Jan 1760.

Robert was born the same year as his cousin Robert son of Robert and Susannah nee Heap, and only 4 years after the son of Henry and Alice nee Crook. Three Roberts married between 1781 and 1787, and the next Robert in age was barely 18 at the time of the last of these. The assignments of these marriages to the correct Robert is speculative.

No matching burial has been found at Haslingden.

Fourth Generation

On 22 Jul 1787 when Robert was 27, he married **Nancy Hargreaves** in Haslingden, St James, Lancashire. Robert and Nancy were both 'of this Chapelry'. No children were baptised at Haslingden.

No Nancy was buried at Haslingden following the marriage.

10. Abraham Warburton (*Abraham³, John², Robert¹*). Abraham was born in Cockham, Haslingden, Lancashire, in 1727. He was christened in Haslingden, St James, Lancashire, on 9 Jul 1727. Abraham died in Haslingden, Lancashire, in 1795. He was buried in Haslingden, St James, Lancashire, on 30 Aug 1795.

The Abraham of Towngate who was buried in 1795 is a good fit for this Abraham. The only other possible fit is the Abraham whose marriage to Mary Haworth in 1761 was witnessed by R'd (Richard) Warburton. This Abraham was probably an incomer who didn't stay as they had no children in Haslingden, Mary was from Bury, and Richard isn't a name used in earlier Haslingden families.

On 15 Nov 1747 when Abraham was 20, he married **Alice Whitacre** in Haslingden, St James, Lancashire. Abraham was a weaver, and both were 'of this Chapelry' on their marriage record. Alice died in Haslingden, Lancashire, in 1801. She was buried in Haslingden, St James, Lancashire, on 6 Jun 1801.

Two Alice's died as widows in the workhouse, the other in 1809. Either is a logical fit if Abraham was the one who died in 1795.

Fourth Generation

They had the following children:

- i. **Mary Warburton**. Mary was born in Haslingden, Lancashire, in 1748. She was christened in Haslingden, St James, Lancashire, on 26 Dec 1748.

Abraham is a weaver of Holden on Mary's baptism record.

- ii. **Abraham Warburton**. Abraham was born in Haslingden, Lancashire, in 1751. He was christened in Haslingden, St James, Lancashire, on 2 Feb 1751. Abraham died in Haslingden, Lancashire, in 1751. He was buried in Haslingden, St James, Lancashire, on 27 Sep 1751.

Abraham senior is from Deardengate on both his son's baptism and burial records.

- iii. **Anne Warburton**. Anne was born in Haslingden, Lancashire, in 1752. She was christened in Haslingden, St James, Lancashire, on 21 Sep 1752.

Abraham is a weaver of Haslingden on Anne's baptism record.

On 8 Apr 1776 when Anne was 24, she married **John Hargreaves** in Haslingden, St James, Lancashire. Both of this Chapelry.

- 21 iv. **John Warburton** (1754-1835)
- v. **Abraham Warburton**. Abraham was born in Waterfoot, Haslingden, Lancashire, in 1757. He was christened in Haslingden, St James, Lancashire, on 21 Nov 1757. Abraham died in Haslingden, Lancashire, in 1834. He was buried in Haslingden, St James, Lancashire, on 31 May 1834.

Although there is a mill town called Waterfoot about 3 miles east of Haslingden, the reference to Waterfoot on Abraham's baptism record probably refers to an area on the west side of Haslingden which is also called Waterfoot.

There is no likely marriage for Abraham at Haslingden. The burial of Abraham of Lower Lane, age 77 is the closest based on age.

- vi. **Elizabeth Warburton**. Elizabeth was born in Todhall, Haslingden, Lancashire, in 1762. She was christened in Haslingden, St James, Lancashire, on 28 Feb 1762.

Elizabeth is from Todhall on her baptism record.

- 22 vii. **Robert Warburton** (1760-1824)

11. John Warburton (*John*³, *John*², *Robert*¹). John was born in Haslingden, Lancashire, abt 1740. He was christened in Haslingden, St James, Lancashire, on 18 Jan 1741.

There is a further James and Susan (Radcliffe) marriage in January 1779 so children of John and Susan (or Susannah) born after this date could be from either family. It is assumed that the family at Sunyard Loe was the same as that later at Sunnyfield because James was born before the second marriage. Also it is assumed Susan and Susannah are the same person. There is an issue

Fourth Generation

of the same family having a Henry and a Harry as these are interchangeable and there is no evidence of Henry's death, but it could be that Harry was just Harry or considered a diminutive of Harold.

On 25 Nov 1769 when John was 29, he married **Susanna Dugdale** in Haslingden, St James, Lancashire. John and Susanna were 'both of this chapelry'. Abraham Warburton was a witness. Susanna was born in Haslingden, Lancashire, in 1747. She was christened in Haslingden, St James, Lancashire, on 12 Sep 1747.

Susan or Susannah is probably the Susanna daughter of Henry, a weaver, and Elizabeth who was baptised in 1747. She is called Susan on her marriage, and all her children's baptisms, except James.

They had the following children:

- i. **John Warburton**. John was born in Sunyard Law, Haslingden, Lancashire, in 1771. He was christened in Haslingden, St James, Lancashire, on 24 Feb 1771.

No matching burial has been found at Haslingden. The first possible marriage is to Nancy Rothwell in 1804, but there other candidates, and other John marriages subsequently.

- ii. **Henry Warburton**. Henry was born in Sunyard Law, Haslingden, Lancashire, in 1773. He was christened in Haslingden, St James, Lancashire, on 31 May 1773.

There is no matching burial for Henry, though it is strange a younger brother is called Harry, often a nickname for Henry. There are a couple of possible marriages, to Alice Haworth in 1800 and Jenny Rothwell in 1805, but neither had children baptised at Haslingden.

- iii. **James Warburton**. James was born in Haslingden, Lancashire, in 1776. He was christened in Haslingden, St James, Lancashire, on 10 Apr 1776.

James's baptism names his mother as Susannah, and his parent's abode as SunnyField. There is no matching burial at Haslingden. If he married at Haslingden, then he would have been barely seventeen if he married Betty Grimshaw in 1793, but 26 if he married Ann Openshaw in 1802, though the fact the marriage was "with consent of guardians" suggests at least one of them was under 21.

- iv. **Abraham Warburton**. Abraham was born in Sunnyfield, Haslingden, Lancashire, in 1779. He was christened in Haslingden, St James, Lancashire, on 20 Mar 1779.

Abraham's abode is Sunnyfield on his baptism record. No matching burial has been found. He is a possible alternative for the marriages to Judith Shepard and/or Mary Radcliffe.

- v. **Harry Warburton**. Harry was born in Sunnyfield, Haslingden, Lancashire, in 1781.

Fourth Generation

He was christened in Haslingden, St James, Lancashire, on 28 Oct 1781.

Harry's abode is Sunnyfield on his baptism record.

12. Robert Warburton (*John³, John², Robert¹*). Robert was born in Haslingden, Lancashire, in 1742. He was christened in Haslingden, St James, Lancashire, on 1 Jan 1743. Robert died in Haslingden, Lancashire, in 1770. He was buried in Haslingden, St James, Lancashire, on 15 Mar 1770.

Robert is the younger, of Deardengate, on his burial record.

On 6 Jul 1763 when Robert was 21, he married **Mary Warburton (17)**, daughter of **7. Henry Warburton** (1717-) & **Anne Crook**, in Haslingden, St James, Lancashire. Robert and Mary were both 'of this Chapelry'. Mary was born in Haslingden, Lancashire, in 1744. She was christened in Haslingden, St James, Lancashire, on 20 Jun 1744.

Mary is from Haslingden on her baptism record. Her identification as the wife of Robert assumes Robert's wife is from Haslingden. She is the only logical candidate as the only two contemporary Marys are Robert's sister and a Mary who died before Robert's wedding. As such Robert and Mary are second cousins. Mary was living in the parish at the time of the wedding but it is possible she came from elsewhere.

They had the following children:

- i. **John Warburton**. John was born in Haslingden, Lancashire, in 1764. He was christened in Haslingden, St James, Lancashire, on 12 Feb 1764.

John's father's abode is Clough End on his baptism record. There are possible marriages, but no matching burial, or other information, has been found to help link him to them.

- ii. **Christian Warburton**. Christian was born in Haslingden, Lancashire, in 1767. She was christened in Haslingden, St James, Lancashire, on 5 Jul 1767.

Christian's father's abode is Deardengate on her baptism record.

- iii. **Robert Warburton**. Robert was born in Haslingden, Lancashire, in 1769. He was christened in Haslingden, St James, Lancashire, on 2 Sep 1769.

Robert's father's abode is Deardengate on his baptism record. No Roberts married at Haslingden between 1787 and 1813.

13. James Warburton (*John³, John², Robert¹*). James was born in Haslingden, Lancashire, in 1748. He was christened in Haslingden, St James, Lancashire, on 13 Nov 1748. James died in Haslingden, Lancashire, in 1822. He was buried in Haslingden, St James, Lancashire, on 12 Nov 1822.

Fourth Generation

James's burial is identified based on his age. He was living at Piperholin. He is buried in grave G15, along with a wife Mary who predeceased him and died in her 55th year, and a daughter named Mary Ann who died in July. The gravestone is indistinct.

On 30 Oct 1769 when James was 21, he married **Mary Barlow** in Haslingden, St James, Lancashire. James and Mary were both 'of this parish'. Mary was born abt 1748. Mary died in Haslingden, Lancashire, in 1803. She was buried in Haslingden, St James, Lancashire, on 22 Aug 1803.

They had one child:

- i. **Mary Ann Warburton**. Mary Ann died in 1793. She was buried in Haslingden, St James, Lancashire, on 29 Jul 1793.

Mary Ann's baptism isn't evident at Haslingden. She was buried the daughter of James and Mally, in grave G15.

14. Henry Warburton (*John³, John², Robert¹*). Henry was born in Haslingden, Lancashire, on 13 Dec 1750. He was christened in Haslingden, St James, Lancashire, on 25 Dec 1750.

There are 3 Henrys who are baptised between 1750 and 1752, and 3 Henrys who marry between 1771 and 1773 at Haslingden. The marriage to Mary Cowpe was witnessed by John Warburton, and the son of John and Deborah is the only Henry with an adult brother called John. Henry the son of Henry and Ann Crook also has a brother John, but he was only born in 1761 and seems to be too young to be a witness.

However, an IGI submission has the son of John and Deborah as the husband of Alice Thredfield and gives him a death date of March 30th 1834. There is evidence of a Sealing performed at Salt Lake City in 1898 by Henry's grandson Joseph. Even though the pedigree has many errors, and the parish records show the burial date is incorrect, having the burial of a James from the bottom of Sheep Green, aged 60, on this date, it is considered likely that Joseph would know the identity of his great grandparents, even if other mistakes were made.

Henry was from Priest's Intake, a colloquialism for Priestintax, on the baptisms of his first 3 children. There is a Priestintax farm in Grane, west of Haslingden. He was from Boonkirk and Hutchbank on two later baptisms. Both these places are near Priestintax.

On 27 Nov 1773 when Henry was 22, he married **Alice Thredfield** in Haslingden, St James, Lancashire. Alice was born in Broughton, Lancashire, on 7 Mar 1755.

Alice's parents are James and Dorothy Thredfield. Her date of birth is from an IGI submission.

Fourth Generation

They had the following children:

- i. **Sarah Warburton**. Sarah was born in Priest's Intake, Haslingden, Lancashire, in 1774. She was christened in Haslingden, St James, Lancashire, on 11 Sep 1774.

Priest's Intake is equivalent to Priestintax.

- ii. **Thomas Warburton**. Thomas was born in Priest's Intake, Haslingden, Lancashire, in 1776. He was christened in Haslingden, St James, Lancashire, on 7 Jan 1776.

There is no obvious marriage for Thomas at Haslingden.

- iii. **Ralph Warburton**. Ralph was born in Priest's Intake, Haslingden, Lancashire, in 1777. He was christened in Haslingden, St James, Lancashire, on 6 Dec 1777.

There are no further references to Ralph at Haslingden.

- iv. **John Warburton**. John was born in Boonkirk, Haslingden, Lancashire, in 1780. He was christened in Haslingden, St James, Lancashire, on 1 Oct 1780.

There are possible marriages for John at Haslingden, but no specific evidence to link him to any of them.

- 23 v. **James Warburton** (1784-1851)

- vi. **David Warburton**. David was born in Hutch Bank, Haslingden, Lancashire, in 1786. He was christened in Haslingden, St James, Lancashire, on 25 Dec 1786.

David is present with his family in the 1851 census but the line hasn't been developed.

15. Edmund Warburton (*John*³, *John*², *Robert*¹). Edmund was born in Haslingden, Lancashire, in 1758. He was christened in Haslingden, St James, Lancashire, on 12 Mar 1758. Edmund died in Manchester, Lancashire, in 1837. He was buried in Manchester, Rusholme Road Cemetery, Lancashire, on 19 Oct 1837.

It is possible that the 11 year gap between the baptisms of Betty and Nelly hides the baptisms of other children at nonconformist chapels whose records are lost, or not yet on-line.

Edmund's death was registered in 4q 1837 Manchester 20 325, aged 80.

On 31 Oct 1778 when Edmund was 20, he married **Helen Kenyon** in Haslingden, St James, Lancashire. Helen was born abt 1756. Helen died in Manchester, Lancashire, on 17 Aug 1827. She was buried in Manchester, Rusholme Road Cemetery, Lancashire, on 22 Aug 1827.

Helen was known as Ellen or Nelly on her children's baptisms, but as Helen on her marriage and burial. She was buried in grave 2781, aged 71, the wife of Edmund Warburton.

Fourth Generation

They had the following children:

- i. **John Warburton**. John was born in 1778. John died in Sunyard Law, Haslingden, Lancashire, in 1778. He was buried in Haslingden, St James, Lancashire, on 31 Oct 1778.

Only John's burial is known, shortly after his parents wedding.

- ii. **Mary Warburton**. Mary was born in Sunyard Law, Haslingden, Lancashire, in 1780. She was christened in Haslingden, St James, Lancashire, on 30 Jan 1780.

Mary's mother is Nelly on her baptism.

- iii. **John Warburton**. John was born in Haslingden, Lancashire, in 1781. He was christened in Haslingden, St James, Lancashire, on 6 Dec 1781. John died in Sheep Green, Haslingden, Lancashire, in 1783. He was buried in Haslingden, St James, Lancashire, on 18 Dec 1783.

John is from Deardengate, mother Ellin, father Edmund, a labourer from Sheep Green on his baptism record, and the son of Edmund, labourer of Sheep Green on his burial record.

- iv. **Alice Warburton**. Alice was born in Haslingden, Lancashire, in 1784. She was christened in Haslingden, St James, Lancashire, on 12 Jun 1784.

Alice is from Pitts, mother Ellen, on her baptism record.

- v. **Betty Warburton**. Betty was born in Haslingden, Lancashire, on 28 Sep 1788. She was christened in Dearden Gate Independent Chapel, Haslingden, Lancashire, on 20 Nov 1788. Betty died in Haslingden, Lancashire, in 1794. She was buried in Haslingden, St James, Lancashire, on 14 Jan 1794.

Betty is described as the daughter of Edmund and Nelly on both her baptism and burial records.

- vi. **Nelly Warburton**. Nelly was born on 9 Sep 1799. She was christened in Manchester, Mosley Street Independent, Lancashire, on 13 Oct 1799.

Nelly was baptised the daughter of Edmund and Ellen.

16. Henry Warburton (*Thomas³, Thomas², Robert¹*). Henry was born in Waterfoot, Haslingden, Lancashire, in 1752. He was christened in Haslingden, St James, Lancashire, on 19 Apr 1752. Henry died in Sheep Green, Haslingden, Lancashire, in 1837. He was buried in Haslingden, St James, Lancashire, on 15 Jan 1837.

Henry the husband of Mary Piccop is identified as the son of Thomas and Mary because the two contemporary Henrys have been linked with the husbands of Alice Thredfield and Mary Cowpe.

His burial record is identified by his age at death of 85 being the closest fit with his baptism, and a

Fourth Generation

likely death already being found for the husband of Mary Cowpe.

On 6 Nov 1771 when Henry was 19, he married **Mary Piccop** in Haslingden, St James, Lancashire. Henry and Mary were both “of this chapelry”. Mary was born abt 1749. Mary died in Sheep Green, Haslingden, Lancashire, in 1826. She was buried in Haslingden, St James, Lancashire, on 5 Mar 1826.

Mary was the wife of Henry of Sheep Green, aged 76 on her burial record.

They had the following children:

- 24** i. **Henry Warburton** (1772-)
- 25** ii. **James Warburton** (1773-1834)
- iii. **Mary Warburton**. Mary was born in Haslingden, Lancashire, in 1775. She was christened in Haslingden, St James, Lancashire, on 25 Dec 1775. Mary died in Haslingden, Lancashire, in 1781. She was buried in Haslingden, St James, Lancashire, on 27 Feb 1781.

Mary was from Church-hill on her baptism and from Height End, daughter of Henry on her burial.

- 26** iv. **John Warburton** (1783-1822)

17. Mary Warburton (*Henry³, Thomas², Robert¹*). Mary was born in Haslingden, Lancashire, in 1744. She was christened in Haslingden, St James, Lancashire, on 20 Jun 1744.

Mary is from Haslingden on her baptism record. Her identification as the wife of Robert assumes Robert's wife is from Haslingden. She is the only logical candidate as the only two contemporary Marys are Robert's sister and a Mary who died before Robert's wedding. As such Robert and Mary are second cousins. Mary was living in the parish at the time of the wedding but it is possible she came from elsewhere.

On 6 Jul 1763 when Mary was 19, she married **Robert Warburton (12)**, son of **5. John Warburton** (1709-1778) & **Deborah** (-1780), in Haslingden, St James, Lancashire. Robert and Mary were both ‘of this Chapelry’. Robert was born in Haslingden, Lancashire, in 1742. He was christened in Haslingden, St James, Lancashire, on 1 Jan 1743. Robert died in Haslingden, Lancashire, in 1770. He was buried in Haslingden, St James, Lancashire, on 15 Mar 1770.

Robert is the younger, of Deardengate, on his burial record.

Fourth Generation

They had the following children:

- i. **John Warburton**. John was born in Haslingden, Lancashire, in 1764. He was christened in Haslingden, St James, Lancashire, on 12 Feb 1764.

John's father's abode is Clough End on his baptism record. There are possible marriages, but no matching burial, or other information, has been found to help link him to them.

- ii. **Christian Warburton**. Christian was born in Haslingden, Lancashire, in 1767. She was christened in Haslingden, St James, Lancashire, on 5 Jul 1767.

Christian's father's abode is Deardengate on her baptism record.

- iii. **Robert Warburton**. Robert was born in Haslingden, Lancashire, in 1769. He was christened in Haslingden, St James, Lancashire, on 2 Sep 1769.

Robert's father's abode is Deardengate on his baptism record. No Roberts married at Haslingden between 1787 and 1813.

18. Henry Warburton (*Henry³, Thomas², Robert¹*). Henry was born in Waterfoot, Haslingden, Lancashire, in 1752. He was christened in Haslingden, St James, Lancashire, on 14 Mar 1752. Henry died in Haslingden, Lancashire, in 1792. He was buried in Haslingden, St James, Lancashire, on 13 Aug 1792.

Henry the son of Henry and Anne is identified as the husband of Mary Cowpe purely on the basis of both father and son having a short connection with Paghouses, though at different times.

There are two Henry and Mary marriages in 1771/2. Their children can only be divided by their parents abode on their baptism records. The IGI submission has conflated the two families. The presence of a son named Cowpe identifies the group centred on Todhall, Carrs and Paghouse as the children of Henry and Mary Cowpe.

Henry's death is identified by his place of death, Pag-house, matching that on his son Cowpe's burial, and daughter Sally's baptism.

On 22 Feb 1772 when Henry was 20, he married **Mary Cowpe** in Haslingden, St James, Lancashire. Henry and Mary were both 'of this Chapelry' on their marriage record. They married 'with consent of parents' and a witness was John Warburton. Two Henrys born in the early 1750's had a brother John, The son of John and Deborah had an adult brother John, but his grandson has identified him as the husband of Alice Thredfield. This Henry's brother John was only 10 years old, but the witness may not have been a sibling. Mary was born abt 1750. Mary died in Sheep Green, Haslingden, Lancashire, in 1826. She was buried in Haslingden, St James, Lancashire, on 5 Mar 1826.

Fourth Generation

They had the following children:

- i. **Mary Warburton**. Mary was born in Sunyard Law, Haslingden, Lancashire, in 1772. She was christened in Haslingden, Lancashire, on 25 Dec 1772.
- ii. **Thomas Warburton**. Thomas was born in Todhall, Haslingden, Lancashire, in 1774. He was christened in Haslingden, St James, Lancashire, on 10 Sep 1774. Thomas died in Todhall, Haslingden, Lancashire, in 1774. He was buried in Haslingden, St James, Lancashire, on 23 Sep 1774.
- iii. **John Warburton**. John was born in Todhall, Haslingden, Lancashire, in 1775. He was christened in Haslingden, St James, Lancashire, on 17 Sep 1775.

John's burial has not been found.

- iv. **Richard Warburton**. Richard was born in Todhall, Haslingden, Lancashire, in 1777. He was christened in Haslingden, St James, Lancashire, on 16 Nov 1777. Richard died in Haslingden, Lancashire, in 1799. He was buried in Haslingden, St James, Lancashire, on 12 Jun 1799.

Burial is assumed to be this Richard as he is the only recorded baptism at Haslingden though there is a reference to a Richard as marriage witness in 1761. Also there are two children baptised in 1801/2 children of Richard and Mary but there is no matching marriage to be found on-line.

- v. **Henry Warburton**. Henry was born in Todhall, Haslingden, Lancashire, in 1780. He was christened in Haslingden, St James, Lancashire, on 3 Jun 1780.

Henry's burial has not been found.

- vi. **Anne Warburton**. Anne was born in Carrs, Haslingden, Lancashire, in 1782. She was christened in Haslingden, St James, Lancashire, on 26 Jul 1782.
- vii. **Susan Warburton**. Susan was born in Carrs, Haslingden, Lancashire, in 1786. She was christened in Haslingden, St James, Lancashire, on 11 Jun 1786. Susan died in Carrs, Haslingden, Lancashire, in 1787. She was buried in Haslingden, St James, Lancashire, on 2 Jul 1787.
- viii. **Cowpe Warburton**. Cowpe was born in Carrs, Haslingden, Lancashire, in 1788. He was christened in Haslingden, St James, Lancashire, on 20 Jul 1788. Cowpe died in 1789. He was buried in Haslingden, St James, Lancashire, on 21 Dec 1789.

Cowpe is from Carrs on his baptism record and the son of Henry and Mary of Paghouses on his burial record.

- ix. **Sally Warburton**. Sally was born in Paghouse, Haslingden, Lancashire, in 1791. She was christened in Haslingden, St James, Lancashire, on 16 Apr 1791.

19. Robert Warburton (*Henry³, Thomas², Robert¹*). Robert was born in Paghouse, Haslingden, Lancashire, in 1756. He was christened in Haslingden, St James, Lancashire, on 14 Aug 1756.

Fourth Generation

Robert died in Haslingden, Lancashire, in 1833. He was buried in Haslingden, St James, Lancashire, on 4 Dec 1833.

The burial that best fits this Robert on age at death, is in 1833 aged 77. The IGI submission identifies Robert as the one who married Alice Duckworth in 1781 and had 2 daughters, and there is a death of a widow named Alice which ties in with the younger Robert burial. However there are other marriages that might fit.

On 6 Jan 1781 when Robert was 25, he married **Alice Duckworth** in Haslingden, St James, Lancashire. Robert and Alice were both 'of this chapelry'.

There is no burial of an Alice at Haslingden that fits. The widow of Haslingden, who died aged 68 in 1825, must be excluded if Robert lived until 1833.

They had the following children:

- i. **Jenny Warburton**. Jenny was born in Haslingden, Lancashire, in 1794. She was christened in Haslingden, St James, Lancashire, on 16 Mar 1794.
- ii. **Alice Warburton**. Alice was born in Haslingden, Lancashire, in 1797. She was christened in Haslingden, St James, Lancashire, on 24 Sep 1797.

20. James Warburton (*Henry³, Thomas², Robert¹*). James was born in Haslingden, Lancashire, in 1759. He was christened in Haslingden, St James, Lancashire, on 9 May 1759. James died in Sheep Green, Haslingden, Lancashire, in 1812. He was buried in Haslingden, St James, Lancashire, on 8 Nov 1812.

James's burial is identified by his age at death of 53 which matches his baptism. His wife is identified as Anne Hargreaves because an Anne, widow of Sheep Green, and of an appropriate age was buried in 1827. Also their later children had Sheep Green as their abode on their baptisms.

The IGI submission identifies James's wife as Mary Anderton, but the above information favours Anne Hargreaves.

On 6 Sep 1783 when James was 24, he married **Anne Hargreaves** in Haslingden, St James, Lancashire. James and Anne were both 'of this Chapelry', and Abraham Warburton was a witness. This is curious as witnesses who are family members are usually siblings and James doesn't have a brother called Abraham. The only James who does have a brother Abraham is the son of John and Deborah, but he fits with the James who died at Piperholin in 1822 and his grave shows he married a Mary. No other James with a brother called Abraham has been found, and Abraham was not a regular witness, which indicates he wasn't a church official. Anne was born abt 1761. Anne died in Sheep Green, Haslingden, Lancashire, in 1827. She was buried in Haslingden, St James, Lancashire, on 17 Oct 1827.

Fourth Generation

Anne is aged 66, a widow of Sheep Green, on her burial record.

They had the following children:

- 27** i. **Henry Warburton** (1784-1857)
- 28** ii. **Thomas Warburton** (1786-1853)
- iii. **Jenny (Jennet) Warburton**. Jenny (Jennet) was born in Haslingden, Lancashire, in 1789. She was christened in Haslingden, St James, Lancashire, on 12 Jul 1789. Jenny (Jennet) died in Haslingden, Lancashire, in 1794. She was buried in Haslingden, St James, Lancashire, on 26 Feb 1794.
- iv. **Betty Warburton**. Betty was born in Sheep Green, Haslingden, Lancashire, in 1792. She was christened in Haslingden, St James, Lancashire, on 21 Feb 1792.
- 29** v. **John Warburton** (1796-)
- vi. **Jane Warburton**. Jane was born in Sheep Green, Haslingden, Lancashire, in 1798. She was christened in Haslingden, St James, Lancashire, on 24 Jun 1798.
- vii. **James Warburton**. James was born in Sheep Green, Haslingden, Lancashire, in 1803. He was christened in Haslingden, St James, Lancashire, on 13 Nov 1803.

James has not been investigated fully. There are a couple of possible marriages.

Fifth Generation

21. John Warburton (*Abraham⁴, Abraham³, John², Robert¹*). John was born in Haslingden, Lancashire, in 1754. He was christened in Haslingden, St James, Lancashire, on 1 Jan 1755. John died in Haslingden, Lancashire, in 1835. He was buried in Haslingden, St James, Lancashire, on 18 Mar 1835.

John's father is from Haslingden on his baptism record. The burial record of John of Lane Side, aged 81, is the closest based on age.

Stephen Carr who provided information on the descendants of John and Susannah, is John's 5 x great grandson, descended via daughter Betty and Richard Nuttall.

On 7 Jan 1779 when John was 25, he married **Susanna Ratcliffe** in Haslingden, St James, Lancashire. John and Susanna were both 'of this parish'. Susan Ffish was a witness. Susanna was born in Haslingden, Lancashire, abt 1755. She was christened in Haslingden, St James, Lancashire, on 18 Jan 1756. Susanna died in Haslingden, Lancashire, in 1790. She was buried in Haslingden, St James, Lancashire, on 23 Jul 1790.

She is probably the Susanna Ratcliffe daughter of Henry, a weaver, and Martha of Waterfoot who was baptised in 1755. She was described as Susan, the wife of John of Deardengate on her burial record, and some of her children's baptism and burial records.

Fifth Generation

They had the following children:

- 30**
- i. **Abraham Warburton** (1779-1864)
 - ii. **John Warburton**. John was born in Haslingden, Lancashire, in 1783. He was christened in Haslingden, St James, Lancashire, on 12 Oct 1783. John died in Haslingden, Lancashire, in 1833. He was buried in Haslingden, St James, Lancashire, on 8 Sep 1833.
- John was from Carrbankbarn on his baptism record. There are 3 matching burials and related marriages that might belong to this John. The most likely are:
- 1. Married Nancy Rothwell 23rd Jan 1804 and died 3q 1867 Haslingden 8e 91, aged 83. He is present with Nancy in the 1841 census.
 - 2. Married Alice Rawstron 3rd April 1809 and was buried 8th Sept 1833, aged 49, of Lane Side.
- 31**
- iii. **David Warburton** (1787-1864)
 - iv. **Betty Warburton**. Betty was born in Haslingden, Lancashire, on 22 Mar 1790. She was christened in Haslingden, Deardengate Independent, Lancashire, on 12 Apr 1790. ■ Census for Haslingden, Lancashire, in 1841. Betty is living with son Eli and his family.

Betty's mother's name was Susannah on her baptism. As no abode is given it is possible Betty was the daughter of John and Susannah nee Dugdale. Her baptism record states she was baptised by a dissenting minister.

The association of Betty who married Richard Nuttall with the Betty baptised at Deardengate Chapel is not certain, but is based on the family moving to Haslingden, naming two children Susan or Susannah, and having a connection to nonconformism.

On 1 Sep 1814 when Betty was 24, she married **Richard Nuttall** in Bury, St Mary, Lancashire. Betty and Richard had seven children. Richard was born in Blackburn, Lancashire, in Jan 1791. Richard died in Haslingden, Lancashire, on 26 Nov 1838. He was buried in Haslingden, St James, Lancashire, on 2 Dec 1838.

Richard was born at Yate Bank, Blackburn, parents Richard, a stonemason, and Ellin nee Taylor. He was also a stonemason on his children's baptisms. He was living in Wilkinson Street at the time of his death.

- v. **Thomas Warburton**. Thomas died in 1789. He was buried in Haslingden, Lancashire, on 23 Sep 1789.

Thomas is only known from his burial as the son of John and Susan of Chapel Hill.

Fifth Generation

22. Robert Warburton (*Abraham⁴, Abraham³, John², Robert¹*). Robert was born in Haslingden, Lancashire, in 1760. He was christened in Haslingden, St James, Lancashire, on 23 Nov 1760. Robert died in Haslingden, Lancashire, in 1824. He was buried in Haslingden, St James, Lancashire, on 2 Aug 1824.

Robert was baptised the son of Robert and Susanna of Deardengate. He was buried as Robert of Haslingden, aged 66. This is a little high, unless his baptism was late. He is considered to be the husband of Mary Ellston as he was the oldest of two Roberts baptised in 1760.

On 31 Dec 1785 when Robert was 25, he married **Mary Ellston** in Haslingden, St James, Lancashire. Robert and Mary were 'both of this Chapelry'. Mary was born in Haslingden, Lancashire, abt 1755. Mary died in Haslingden, Lancashire, in 1819. She was buried in Haslingden, St James, Lancashire, on 30 Mar 1819.

They had the following children:

- i. **Anne Warburton**. Anne was born in Haslingden, Lancashire, in 1786. She was christened in Haslingden, St James, Lancashire, on 25 Jun 1786.

Anne was the daughter of Robert and Mary of Church-hill on her baptism record.

- ii. **John Warburton**. John was born in Haslingden, Lancashire, in 1787. He was christened in Haslingden, Lancashire, on 25 Nov 1787.

John was the son of Robert and Mary of Church-hill on his baptism record. No matching burial has been found.

- iii. **Betty Warburton**. Betty was born in Haslingden, Lancashire, in 1789. She was christened in Haslingden, St James, Lancashire, on 26 Jul 1789.

Betty was the daughter of Robert and Mary of the Town on his baptism record.

- 32**
- iv. **Thomas Warburton** (1792-1843)
 - v. **Henry Warburton**. Henry was born in Haslingden, Lancashire, in 1794. He was christened in Haslingden, St James, Lancashire, on 26 Oct 1794.

Henry was the son of Robert and Mary of Pack Barn on his baptism record. No matching burial has been found.

- 33**
- vi. **Robert Warburton** (1797-1836)

23. James Warburton (*Henry⁴, John³, John², Robert¹*). James was born in Haslingden, Lancashire, on 18 Apr 1784. He was christened in Haslingden, St James, Lancashire, on 30 May 1784. ■ Census for Pilkington, Lancashire, in 1841. Jas (50) is a bleacher living in Peel St with Sally (50), E (26) a bleacher, John (20) a bleacher, Betty (15), Joseph (10), and John (5). Note although E(dward), John and Joseph fit well with James and Sarah's children, Betty and the second John do not fit. John is probably a grandson (i.e. son of William). Betty is more problematical as James and Sarah's daughter Elizabeth died aged 1 month in 1827. Possibly they

Fifth Generation

had a second daughter whose baptism has yet to be found. In the 1851 census Betty is a year younger than Elizabeth would have been. ■ Census for Pilkington, Lancashire, in 1851. James (74) is a widowed cotton carder living in Stand Lane with Joseph (20) a dyer, and Betty (22) a spinner, plus 3 lodgers. Although James's age is high the rest seems to fit. James died in Pilkington, Lancashire, on 19 Apr 1851.

The 1841 and 1851 census entries seem to fit based on the presence of his children, and indicate James lived until after 1851, though they are not without contradictions. The 1851 census entry gives his date and place of birth as circa 1777 in Pilkington, Lancashire. His 1841 entry would suggest he was 10 years younger.

However his son Joseph, in his submission to the Genealogical Society of Utah, says his father was born on April 18th 1784, in Haslingden. This date fits with the baptism date of James son of Henry Warburton and Alice Thredfield of Haslingden.

His probable death registration is 2q 1851 Bury 21 239, age 70 (the only James registered in that quarter). Lancashire BMD gives the sub-district as Pilkington.

On 26 Feb 1810 when James was 25, he married **Sarah Warburton** in Prestwich, St Mary, Lancashire. Sarah was born in Whitefield, Lancashire, on 30 Aug 1790. She was christened in Radcliffe, St Mary, Lancashire, on 12 Sep 1790. Sarah died in Pilkington, Lancashire, on 25 Dec 1850.

Eva Proctor's history says Sarah was a widow when she married. However her son Joseph, in his submission to the Genealogical Society of Utah, says she was born a Warburton, and IGI has her pedigree.

Joseph's submission to the Genealogical Society of Utah gives her birth date as August 30th 1780. However this is dubious because she would be over 50 when Joseph was born, and her father would be only 18 when she was born. The IGI submission has the same date but in 1790. There is a corresponding baptism record for Sally, which is an alternative for Sarah, but it gives her date of birth as September 1st.

Sarah's date of death is from Eva Proctor. Her death registration is in 4q 1850 Bury 21 227, age 61.

Fifth Generation

They had the following children:

- i. **William Warburton**. William was born in Prestwich, Lancashire, on 16 Apr 1810. He was christened in Radcliffe, St Mary, Lancashire, on 6 May 1810. ■ Census for Pilkington, Lancashire, in 1851. William (41) is an overlooker living in Stand Lane with Jane (34), John (14), Elizabeth (12), Susannah (9), Roseannah (6), Priscilla (3), and William (7 mths). ■ Census for Radcliffe, Lancashire, in 1861. William (50) is a house painter living in Egerton Street with Jane (43), Elizabeth (21), Sarah A. (18), Rose A (15), Mary (12), William (10), and Eli (8). The three eldest daughters are throttle spinners. ■ Census for Radcliffe, Lancashire, in 1871. William (60) is a cotton [worker] living in Egerton Street with Jane (53), William (20) an iron moulder, Eli (18) a maker up of cotton goods, and Emma (13) a throttle spinner. William died on 5 Jun 1874. He was buried in Radcliffe, St Thomas, Lancashire, on 9 Jun 1874.

William is identified on various IGI entries as being the son of James and Elizabeth Halstead (see Haslingden and Utah clan), and husband of Jane Allen. However he was born 4 years before James and Elizabeth married. His baptism record confirms his date of birth and names his parents as James, a weaver, and Sarah.

He and Jane had several children but these have yet to be explored in detail.

His probable death registration is in 2q 1874 Bury 8c 366 aged 64.

On 30 Apr 1837 when William was 27, he married **Jane Allen** in Prestwich, St Mary, Lancashire. Jane was born in Woolwich, Kent, abt 1817.

- ii. **John Warburton**. John was born in Prestwich, Lancashire, on 5 Sep 1811. He was christened in Radcliffe, St Mary, Lancashire, on 13 Oct 1811.

John's father was a carder on his baptism record. He presumably died young as a second John was baptised in 1822.

- iii. **Sarah Warburton**. Sarah was born in Prestwich, Lancashire, abt 1813. She was christened in Radcliffe, St Mary, Lancashire, on 7 Mar 1813.

Sarah's father was a carder from Prestwich on her baptism record.

34

- iv. **Edward Warburton** (1815-1890)
- v. **Mary Warburton**. Mary was born in Pilkington, Lancashire, on 12 Feb 1820. She was christened in Radcliffe, St Mary, Lancashire, on 27 Feb 1820. Mary died on 23 Jul 1866.

Mary's father was a cotton spinner from Pilkington on her baptism record.

On 1 May 1843 when Mary was 23, she married **John Pemberton** in Warrington, Lancashire. Marriage registered 2q 1843 Warrington 20 688. The parish register gives Mary's age as 21 and her father as James.

Fifth Generation

- vi. **John Warburton**. John was born in Pilkington, Lancashire, on 21 Feb 1822. He was christened in Radcliffe, St Mary, Lancashire, on 17 Mar 1822.

John's father was a cotton spinner from Pilkington on his baptism record.

- vii. **Thomas Warburton**. Thomas was born in Pilkington, Lancashire, on 9 Feb 1826. He was christened in Radcliffe, St Mary, Lancashire, on 12 Feb 1826.

Thomas's father was a spinner from Pilkington on his baptism record.

- viii. **Elizabeth Warburton**. Elizabeth was born in Pilkington, Lancashire, on 7 Aug 1827. She was christened in Radcliffe, St Mary, Lancashire, on 16 Sep 1827. Elizabeth died in Pilkington, Lancashire, on 20 Sep 1827. She was buried in Radcliffe, St Mary, Lancashire, on 26 Sep 1827.

Elizabeth's father was a carder from Pilkington on her baptism record. Her burial record gives her age as 7 weeks, but parents are not mentioned in the records at that time.

A Betty appears on the 1841 and 1851 censuses living with James, and described as daughter, aged 22, in 1851. Possibly another daughter was born and named Betty, though there is no record of her baptism. Or possibly this is Elizabeth and the burial was of another Elizabeth, though Eva Warburton Proctor writes of Elizabeth's infant death. She is however incorrect on many details.

- 35 ix. **Joseph Warburton** (1831-1911)

24. **Henry Warburton** (*Henry⁴, Thomas³, Thomas², Robert¹*). Henry was born in Haslingden, Lancashire, in 1772. He was christened in Haslingden, St James, Lancashire, on 19 Jan 1772.

Henry is from Lawnd on his baptism. Laund Slack farm is NE of Haslingden. No matching burial has been found.

Henry is probably either the son of John and Susan nee Dugdale, or the son of Henry and Mary nee Piccop. It cannot be sure which but he is linked to Henry and Mary as he is the edler of the two, and the coincidence that his son also married a Piccop.

On 11 Mar 1793 when Henry was 21, he married **Anne Nuttall** in Haslingden, St James, Lancashire. Henry and Anne were both 'of this Chapelry'.

Fifth Generation

They had the following children:

- i. **Henry Warburton**. Henry was born in Haslingden, Lancashire, in 1793. Henry died in Haslingden, Lancashire, in 1793. He was buried in Haslingden, St James, Lancashire, on 1 Dec 1793.

This Henry is only known from his burial as the son of Henry and Ann.

- 36
- ii. **Henry Warburton** (1795-1871)
 - iii. **Susan Warburton**. Susan was born in Haslingden, Lancashire, abt 1806. Susan died in Haslingden, Lancashire, in 1806. She was buried in Haslingden, St James, Lancashire, on 23 Jun 1806.

Susan is only known from her burial as the infant daughter of Henry of the Town.

25. James Warburton (*Henry⁴, Thomas³, Thomas², Robert¹*). James was born in Haslingden, Lancashire, in 1773. He was christened in Haslingden, St James, Lancashire, on 4 Dec 1773. James died in Sheep Green, Haslingden, Lancashire, in 1834. He was buried in Haslingden, St James, Lancashire, on 30 Mar 1834.

James was from Lawnd Slack on his baptism and from Bottom of Sheep Green, aged 60 on his burial record.

On 7 Sep 1795 when James was 22, he married **Ellen Duckworth** in Haslingden, St James, Lancashire. James and Ellen were both 'of this Chapelry'. Ellen was born in Haslingden, Lancashire, abt 1767. Ellen died in Haslingden, Lancashire, in 1837. She was buried in Haslingden, St James, Lancashire, on 5 Feb 1837.

Ellen is a widow of Club Houses on her burial record; she seems to be the only wife called Ellen (though a little old).

Fifth Generation

They had the following children:

- 37** i. **Henry Warburton** (~1796-1881)
- ii. **Jenny Warburton**. Jenny was born in Haslingden, Lancashire, abt 1798. She was christened in Haslingden, St James, Lancashire, on 6 Jan 1799.
- Jenny is the daughter of James and Ellen of Sheep Green on her baptism record.
- 38** iii. **Levi Warburton** (~1801-)
- iv. **Thomas Warburton**. Thomas was born in Sheep Green, Haslingden, Lancashire, on 19 Jul 1803. He was christened in Haslingden, King Street Wesleyan, Lancashire, on 21 Aug 1803.
- v. **Mary Warburton**. Mary was born in Sheep Green, Haslingden, Lancashire, on 30 Mar 1805. She was christened in Haslingden, King Street Wesleyan, Lancashire, on 28 Apr 1805.
- 39** vi. **James Warburton** (1807-1865)
- 40** vii. **John Briggs Warburton** (1809-1877)
- viii. **Helen Warburton**. Helen was born in Haslingden, Lancashire, on 20 Aug 1812. She was christened in Haslingden, St James, Lancashire, on 8 Nov 1812.

Helen is the daughter of James, a cotton weaver, and Helen of Sheep Green on her baptism record.

- ix. **Emmanuel Warburton**. Emmanuel was born in Haslingden, Lancashire, in 1818. He was christened in Haslingden, St James, Lancashire, on 19 Jul 1818.

Emmanuel is the son of James, a weaver, and Ellen of Sheep Green on his baptism record. No burial or census record has been found.

26. John Warburton (*Henry⁴, Thomas³, Thomas², Robert¹*). John was born in Haslingden, Lancashire, in 1783. He was christened in Haslingden, St James, Lancashire, on 13 Jan 1783. John died in Haslingden, Lancashire, in 1822. He was buried in Haslingden, St James, Lancashire, on 9 Jan 1822.

John was from Bank Top (location unknown) on his baptism.

His burial is probably that on 9th Jan 1822, aged 38 of Sheepgreen. This is the best fit of three close matches, and links him to the family of John and Anne whose last child James was from Sheep Green on his baptism and burial.

The most likely marriage was to Ann Halstead based on Ann's age at death. The nearest alternative, Ann Ormerod, is already included in the Edenfield clan. John was a weaver on the marriage record and the baptisms of his children.

On 12 Aug 1811 when John was 28, he married **Ann Halstead** in Bury, St Mary, Lancashire. John was a weaver and both were 'of this parish'. Ann was born in Haslingden, Lancashire, abt 1789.

Fifth Generation

Ann died in Haslingden, Lancashire, in 1834. She was buried in Haslingden, St James, Lancashire, on 16 Feb 1834.

She was christened in Tottington, St Anne, Lancashire, on 13 Nov 1803. ■ Census for Haslingden, Lancashire, in 1841. Jane (35) is living at Holden Hall with her second husband, Henry Rishton (35) a cotton weaver, James Rishton (7 months), Thomas (15), Ellen (14), John (10), Luke (8), and Robert (3).

Jane was baptised as Jenny, daughter of James and Ann Warburton of Tottington. The baptism was also recorded at Bury as Jinny. James and Ann have yet to be added to any of the Warburton clans. The closest marriage was on March 1st 1803 at Bury of James and Ann nee Taylor. Five Jameses were baptised between 1772 and 1785 with fathers from Tottington.

They had the following children:

- 56** i. **Thomas Warburton** (1823-1891)

Sixth Generation

Mary (30), and 2 grand daughters. Edward died in Pilkington, Lancashire, on 25 Dec 1890.

Edward is Edmund on his baptism record. His father was a cotton carder from Prestwich.

IGI sources refer to Edward marrying Betty Barlow on May 1st 1843 in Warrington. However the date and place are those for a Mary Warburton's marriage to John Pemberton.

Edward is also said to have spent time in Todmorden. However no record can be found of a marriage to Betty Barlow in registrations, or in parish records. Nor is any Edward found in or near Todmorden in census records.

The closest is this Edward and Betty who were born, and lived, in Pilkington, which is part of Radcliffe. Edward is the right age from his age at death, though he was a couple of years younger in censuses. Also the parish record of their marriage names his father as James.

His death was probably that registered in 4q 1890 Bury 8c 441 aged 75.

On 28 Nov 1847 when Edward was 32, he married **Betty Crompton** in Prestwich, St Mary, Lancashire. Edward was a spinner from Whitefield, father James, a jobber. Betty was a spinster from Whitefield, father John, a glazier. The marriage was registered in 4q 1847 Manchester 20 666. Betty was born in Pilkington, Lancashire, abt 1825. Betty died in Pilkington, Lancashire, abt 1875.

Betty's death registration is possibly that of Elizabeth in 4q 1875 Bury 8c 357, aged 50.

They had the following children:

- i. **John Warburton**. John was born in Radcliffe, Lancashire, abt 1849.

John has yet to be studied in detail.

Joseph's father was a carder from Pilkington on his baptism record. He and his family emigrated to Utah in 1860. The details of his descendants are from a paper by Eva Warburton Proctor as provided by Margo Duran.

On 4 Jun 1854 when Joseph was 22, he married **Emma Watmough** in Strand, Lancashire. The marriage was registered in 2q 1854 Bury 8c 456. Emma was born in Heywood, Lancashire, on 9

Chapel Street with Alice (30) a cotton weaver. Henry died in Haslingden, Lancashire, in 1871. He was buried in Haslingden, St James, Lancashire, on 9 Dec 1871.

Henry is the son of Henry and Ann of the Town on his baptism. He is linked to the husband of Alice Piccop by his age at death.

Henry was a weaver from Sheep Green on his children's baptisms.

Henry's death was registered in 4q 1871 Haslingden 8e 130, aged 76. His age at death, and in the 1871 census puts his birth between Dec 1794 and March 1795. The son of Henry and Ann is the only exact fit, though his abode of Sheep Green does point to the possibility of him being the son of James and Ellen, born a year later. However this Henry is the likely husband of Isabella Chew.

On 16 Aug 1819 when Henry was 24, he married **Alice Pickup** in Haslingden, St James, Lancashire. Henry and Alice were both 'of this Chapelry'. They married with the consent of parents. Alice was born in Haslingden, Lancashire, abt 1795. Alice died in Haslingden, Lancashire, in 1861.

Research by Stephen Carr: Alice had an illegitimate son James Pickup, born in 1817 at Sheep's Green Haslingden and baptised at Haslingden on April 6th 1817. On the marriage of James Pickup to Anne Barnes on 8 May 1838 at Haslingden, St James, James's father was recorded as Henry Warburton. This is probably a white lie, rather than an indication that Henry was his biological father.

Alice's death was registered in 1q 1861 Haslingden 8e 99, aged 65.

Sixth Generation

They had the following children:

- i. **Anne Warburton**. Anne was born in Haslingden, Lancashire, in 1820. She was christened in Haslingden, St James, Lancashire, on 30 Apr 1820.

In 1841 when Anne was 21, she first married **John Trickett** in Haslingden, St James, Lancashire. John was a weaver. They had one son. John was born abt 1815. John died in Ewood Bridge, Lancashire, in 1849. He was buried in Haslingden, St James, Lancashire, on 1 Apr 1849.

John's death was registered in 1q 1849 Haslingden 21 346, aged 33.

On 10 Nov 1850 when Anne was 30, she second married **Thomas Lord** in Haslingden, St James, Lancashire. Thomas and Ann had 2 sons and a daughter. Thomas was born in Edenfield, Lancashire, in 1817.

- ii. **John Warburton**. John was born in Haslingden, Lancashire, in 1821. He was christened in Haslingden, St James, Lancashire, on 26 Aug 1821. John died in Haslingden, Lancashire, in 1822. He was buried in Haslingden, St James, Lancashire, on 23 Aug 1822.

Mary was aged 3 (should be 4), the daughter of Henry of Sheep Green on he burial record.

- iv. **Betty Warburton**. Betty was born in Haslingden, Lancashire, in 1824. Betty died in Haslingden, Lancashire, in 1824. She was buried in Haslingden, St James, Lancashire, on 5 Dec 1824.

Betty is only known from her burial as the infant daughter of Henry of Sheep Green.

- v. **Betty Warburton**. Betty was born in Haslingden, Lancashire, abt 1826. She was christened in Haslingden, St James, Lancashire, on 22 Jan 1826.

In 1850 when Betty was 24, she married **Henry Yates** in Haslingden, St James, Lancashire. Henry was an overlooked from Accrington; they had 6 children.

Alice is only known from her burial, aged 3 as the daughter of Henry of Sheep Green.

- viii. **Ellen Warburton**. Ellen was born in Haslingden, Lancashire, in 1832. She was christened in Haslingden, St James, Lancashire, on 16 Dec 1832.
- ix. **John Warburton**. John was born in Haslingden, Lancashire, on 17 May 1834. He was christened in Haslingden, St James, Lancashire, on 25 Jan 1835. ■ Census for Haslingden, Lancashire, in 1871. John (37) is a weaver living at Sheep Green with Alice (43) a weaver, and widowed boarder Jane Tattersall (73) an annuitant. ■ Census for Haslingden, Lancashire, in 1881. John (47) is a widowed cotton spinner living at 47 Chapel Street. John died in 1881.

John's death is probably that registered in 4q 1881 Haslingden 8e 106, aged 48. This exaggerates his age of 47, but his age is similarly exaggerated in censuses.

In 1861 when John was 26, he first married **Alice Pickup** in Musbury, St Thomas, Lancashire. John (28) was a power loom weaver from Ewood Bridge, father Henry, a woollen spinner. Ann (25) was weaver of Ewood Bridge, father James, a merchant. Witnesses were Henry Yates, and Mary Ann Duckworth. The marriage was registered in 3q 1861 Haslingden 8e 161. Alice was born abt 1836. Alice died in Haslingden, Lancashire, in 1866.

Ann's death is probably that registered in 3q 1866 Haslingden 8e 95, aged 30.

In 1867 when John was 32, he second married **Alice Riley** in Haslingden, St James, Lancashire. John (34) was weaver and widower from Haslingden, father Henry, a spinner. Alice (39) was a spinster from Haslingden, father Henry, a spinner. There is no evidence that Henry and Alice had children. Alice was born in Haslingden, Lancashire, abt 1829.

- x. **Henry Warburton**. Henry was born in Haslingden, Lancashire, on 8 May 1836. He was christened in Haslingden, St James, Lancashire, on 25 Dec 1836. Henry died in Haslingden, Lancashire, in 1837. He was buried in Haslingden, St James, Lancashire, on 25 May 1837.

He was christened in Haslingden, St James, Lancashire, on 25 Jan 1796. ■ Census for Haslingden, Lancashire, in 1841. Their surname is transcribed as Warbritton by Ancestry. ■ Census for Lower Booths, Lancashire, in 1861. Henry (67) is a labourer for plasterers living in Spring Terrace with Isabella (60). ■ Census for Haslingden, Lancashire, in 1871. Henry (80) a plasterer's labourer and Isabella (70), are living with their daughter Jane, son-in-law Richard Sandham, and their 3 sons, at Holme Terrace. ■ Census for Haslingden, Lancashire, in 1881. Henry (90) is a plasterer living with his daughter Jane, son-in-law Richard Sandham, and their 3 sons, at 67 Manchester Road. Henry died in Haslingden, Lancashire, in 1881. He was buried in Haslingden, St James, Lancashire, on 18 Jun 1881.

Henry is the son of James and Ellen of Sheep Green on his baptism record.

Henry was buried in grave A307, aged 90. This age seems to be exaggerated as his date of birth varies from 1791 and 1794 in censuses. He seems too young to be the son of James and Ellen of Sheep Green. The son of Robert and Mary of Pack Barn is closest on age, but a Henry of Pack Barn died 2 years later, and although no parents are mentioned, no other match for this burial has been found. The use of the name Emmanuel for both a brother and son makes the son of James and Ellen the favourite to be this Henry.

On 23 Sep 1822 when Henry was 26, he married **Isabel Chew** in Haslingden, St James, Lancashire. Henry was of Pleasant St, Isabel was of Pitheads, and both were 'of this Chapelry', The married with the consent of parents. Isabel was born in Haslingden, Lancashire, abt 1799. Isabel died in Haslingden, Lancashire, in 1873. She was buried in Haslingden, St James, Lancashire, on 2 Mar 1873.

Isabel is Isabel on her children's baptisms, but Isabella on censuses and her burial, in grave A307. Her death was registered in 1q 1873 Haslingden 8e 112, aged 73.

Levi (35) is a cotton weaver living in Back Pleasant Street North with Betty (30), Mary (12), James (10), Emanuel (8), Jane (4), Alice (6 mths), and Jane Riley (55) a washerwoman. ■ Census for Haslingden, Lancashire, in 1851. Levi (50) is a widowed cotton weaver living in Pleasant Street with Mary (23), James (20), Emanuel (18) all weavers at a factory, and Jane Riley (75) receiving parish relief. Jane is described as the head of the household, and grandmother of the children.

Levi is the son of James and Ellen of Sheep Green on his baptism record.

On 1 Jan 1829 when Levi was 28, he married **Betty Riley** in Haslingden, St James, Lancashire. Levi and Betty were both 'of Haslingden', and married with the consent of parents. Betty was born abt 1809. Betty died in Haslingden, Lancashire, in 1843. She was buried in Haslingden, St James, Lancashire, on 2 Aug 1843.

Betty is Betty Wainwood on her marriage record to Levi. However the mother's maiden name on her last three children is Riley. Also Jane Riley is present in the 1841 and 1851 censuses, and is the grandmother of the children in the latter.

The name Wainwood is virtually absent from censuses, and the Lancashire On-line Parish Clerk,

though it could be a misspelling of Winwood. Also there is no record of a second marriage for Levi, or an earlier marriage for Betty. However no baptism has been found for a Betty Riley, mother Jane, of the appropriate age. Nevertheless it assumed there is one Betty. One possibility is she was illegitimate and Wainwood was her father's name, but nothing has been found to support this.

Betty's death was registered in 3q 1843 Haslingden 21 248, aged 34. She was the wife of Levi of Pleasant Street on her burial record.

They had the following children:

- i. **Mary Warburton**. Mary was born in Haslingden, Lancashire, in 1829. She was christened in Haslingden, St James, Lancashire, on 3 Apr 1831.

Mary's father was a weaver of Pitt Street (an abbreviation of Pleasant Street) on her baptism record.

James and Nancy had at least three sons, but have not been documented further.

On 2 Jan 1854 when James was 23, he married **Nancy Fitton** in Haslingden, St James, Lancashire. James (23) was a weaver from Haslingden, father Levi, a weaver. Nancy (20) was from Haslingden, father Thomas, a labourer.

- iii. **Ellen Warburton**. Ellen was born in Haslingden, Lancashire, in 1833. She was christened in Haslingden, St James, Lancashire, on 11 Sep 1833. Ellen died in Haslingden, Lancashire, in 1833. She was buried in Haslingden, St James, Lancashire, on 6 Oct 1833.

Riley. Her father was a weaver of Pleasant Street on her baptism record, which is dated the same day as her mother's burial, and only a week after the 2 day life of her younger sister Ellen. She was aged 4, the daughter of Levi of Pleasant Street on her burial.

- vii. **Ellen Warburton**. Ellen was born in Haslingden, Lancashire, in 1843. She was christened in Haslingden, St James, Lancashire, on 27 Jul 1843. Ellen died in Haslingden, Lancashire, in 1843. She was buried in Haslingden, St James, Lancashire, on 26 Jul 1843.

Ellen's birth was registered in 3q 1843 Haslingden 21 414, mother's maiden name Riley. Her father was a weaver of Club Houses on her baptism record, which is dated (presumably in error) the day after she was buried, aged 2 days, the daughter of Levi of Pleasant Street. Club Houses is an earlier name for Pleasant Street.

39. James Warburton (*James⁵, Henry⁴, Thomas³, Thomas², Robert¹*). James was born in Haslingden, Lancashire, on 16 May 1807. He was christened in Haslingden, St James, Lancashire, on 5 Jul 1807. ■ Census for Haslingden, Lancashire, in 1841. James died in Rawtenstall, Lancashire, in 1865.

James is the son of James and Ellen of Sheep Green on his baptism record. His death is probably that registered in 4q 1865 Haslingden 8e 94, aged 59 as he hasn't been found in the 1871 census.

On 7 Apr 1828 when James was 20, he married **Margaret Rawstron** in Haslingden, St James, Lancashire. James and Margaret were 'both of Haslingden'. They married with the consent of parents. Margaret was born in Haslingden, Lancashire, abt 1807. Margaret died in Rawtenstall, Lancashire, in 1861.

Margaret is Rostron on her marriage, but later names a son Rawstron. Her death is probably that registered in 2q 1861 Haslingden 8e 79, aged 54, as she hasn't been found in the 1871 census.

They had the following children:

- i. **Mary Warburton**. Mary was born in Haslingden, Lancashire, abt 1828. She was christened in Haslingden, St James, Lancashire, on 19 Oct 1828.

John was one of four children baptised on the same day, but of different ages in subsequent censuses. His father was a weaver of Haslingden, and his mother was named Peggy on his baptism record. He hasn't been found in the 1861 census so is probably the John whose death was registered in 1q 1852 Haslingden 8e 68. aged 22.

- iii. **Ellen Warburton**. Ellen was born in Haslingden, Lancashire, abt 1831. She was christened in Haslingden, St James, Lancashire, on 18 Dec 1836.

Office or Registrar Attended, Lancashire. Emanuel and Harriet had at least 3 children but have not been documented.

40. John Briggs Warburton (*James⁵, Henry⁴, Thomas³, Thomas², Robert¹*). John Briggs was born in Haslingden, Lancashire, on 20 Oct 1809. He was christened in Haslingden, St James, Lancashire, on 31 Dec 1809. John Briggs died in Haslingden, Lancashire, in 1877.

John Briggs is the son of Jacobi and Helena of Sheep Green on his baptism record (surname is indistinct). He is probably the John whose death was registered in 1q 1877 Haslingden 8e 85, aged 68.

On 29 Apr 1829 when John Briggs was 19, he first married **Sarah Heys** in Haslingden, St James, Lancashire. John and Sarah were 'both of Haslingden'. They married with the consent of parents. John is called John Bridge on the parish record.

They had one child:

69 i. **Thomas Warburton** (~1830-1915)

On 7 Jun 1875 when John Briggs was 65, he second married **Mary Ann Wood** in Newchurch, St Nicholas, Lancashire. John (65) was a widowed twister from Cawl Terrace, father James, a weaver. Mary (46) was a rover, and spinster from Cawl Terrace, father William, a labourer. Alice Warburton was a witness. Mary Ann was born abt 1829.

41. John Warburton (*John⁵, Henry⁴, Thomas³, Thomas², Robert¹*). John was born in Musbury, Lancashire, on 28 Jul 1815. He was christened in Haslingden, St James, Lancashire, on 6 Aug 1819. ■ Census for Haslingden, Lancashire, in 1841. John (25) is a sizer living at Laneside with Robert Rothwell (15), and Jane Rothwell (14), his half siblings. ■ Census for Haslingden, Lancashire, in 1851. John (34) is a sizer living at Laneside with Ann (40), John (7), Richard (4), Robert (1), and Joshua Ashworth (40) a lodger. ■ Census for Lower Booths, Lancashire, in 1861. John (48) is a farmer of 6 acres living in Haslingden Road with Ann (55), John (17) a cotton weaver, Richard (14) a cotton weaver, Robert (11) a woollen piecer, and brother-in-law Joshua Ashworth (49). ■ Census for Lower Booths, Lancashire, in 1871. John (58) is a cotton warp sizer living in Laneside with Ann (66), Robert (21) a cotton weaver, and granddaughter Susan (2). ■ Census for Lower Booths, Lancashire, in 1881. John (76) is a cotton warp sizer living in Laneside with Ann (67), and Robert (32) a cotton weaver. it would seem that the census emmumerator switched John and Ann's ages. ■ Census for Haslingden, Lancashire, in 1891. John (81) is retired for old age living at 11 Spring House Road with Ann (86). Although John's age is inconsistent, and his place of birth is Haslingden instead of Musbury, Ann's age matches earlier censuses, and her place of birth is Helmshore, the modern name for Musbury. John died in Haslingden, Lancashire, in 1893.

John's father was a weaver from Scarr Musbury on his baptism. Many marriages amongst john's

Sixth Generation

descendants are recorded as being at a register office, or registrar attended. These would most likely be at Methodist Chapels.

John was living in Lane Side, Haslingden in 1851 and 1861. He then moved to Lower Booths, which is modern day Rawtenstall, a couple of miles east of Haslingden, though curiously in 1871 his address in Lower Booths is Laneside.

John's age is inconsistent and generally inflated in censuses. In 1881 his age seems to have been swapped with Ann's. His age on his likely death registration, in 4q 1893 Haslingden 8e 96, aged 81, is also 3 years too high. This would seem to be because his wife was actually at least 10 years older than him.

On 2 Jan 1843 when John was 27, he married **Anne Ashworth** in Haslingden, St James, Lancashire. John was a sizer of full age, from Lane Side, father John, a weaver. Anne was of full age from Lane Side, father Richard, a stone mason. Anne was born in Musbury, Lancashire, abt 1804. Anne died in Haslingden, Lancashire, in 1894.

Ann's death is probably that registered in 1q 1894 Haslingden 8e 98, aged 90.

They had the following children:

- 70**
- i. **John Warburton** (1843-1907)
 - ii. **William Warburton**. William was born in Haslingden, Lancashire, in 1843.

William's birth was registered in 4q 1843 Haslingden 21 430, mother's maiden name Ashworth. William and John were twins.

William hasn't been found in censuses, including as a child with his family, so he probably died young, though no obvious death registration has been found.

- 71**
- iii. **Richard Warburton** (1846-1906)
 - iv. **Robert Warburton**. Robert was born in Haslingden, Lancashire, in 1849. Robert died in 1908.

Robert's birth was registered in 3q 1849 Haslingden 21 433, mother's maiden name Ashworth. His death was registered in 1q 1908 Haslingden 8e 105, aged 58.

Robert never married, living at home whilst his parents were alive. In 1891 he was in a lodging house in Rake's Foot, and in 1901 he was a patient in the Haslingden Workhouse.

42. Hargreaves Warburton (*Henry⁵, James⁴, Henry³, Thomas², Robert¹*). Hargreaves was born in Haslingden, Lancashire, in 1813. He was christened in Haslingden, St James, Lancashire, on 1 Mar 1813. ■ Census for Haslingden, Lancashire, in 1851. Hargreaves (38) is a fulling miller living at Bridgend with Susan (35), Elizabeth (13) a woollen piecer, William Henry (10) a fulling miller, Margaret (5), Alice Ann (7), Thomas (4), and Richard (2). William is the son of Hargreaves, a fuller of Tanpits, on his baptism record. His birth registration hasn't been found so he probably wasn't registered.

William and Mary had at least two children, but by 1881 he was a widower living with his sister and daughter. He has not been explored in detail.

- vi. **Richard Warburton**. Richard was born in Haslingden, Lancashire, abt 1849. Richard died in Butterworth, Lancashire, in 1896.

Richard's birth was registered in 1q 1849 Haslingden 21 524, mother's maiden name Davenport. His death is probably that registered in 4q 1896 Rochdale 8e 4, aged 47. It appears that he and Jane had no children but they have not been documented fully.
