

Haslingden and Utah Clan

Last Updated 28th February 2020

PREFACE

This is one of two Utah families with origins in Haslingden from the paper in the LDS archives by Eva Warburton Proctor. It cannot yet be linked back beyond the parents of John, who emigrated to Utah. Also it is not linked to the other family as Eva thought, though DNA shows there is a link, probably in Haslingden in the 18th century.

The tree is based on the writings of Eva Proctor Warburton with input from Margo Duran, Kathy Warburton, and Almon Clegg.

First Generation

1. James Warburton. James was born in Haslingden, Lancashire, aft 1791. ■ Census for Stansfield, Yorkshire, in 1841. James (45) is a cotton weaver living in Charlestown with Betty (45), Abram (25) a wool comber, James (20) a wool comber, and John (18) a weaver. None of the family were born in the county of Yorkshire.

This clan is based on input from Margo Duran, which is based on a history by Eva Proctor Warburton. Eva's document conflated two families, one from Haslingden and one from Radcliffe/Pilkington to indicate that 2 emigrants to Utah were half-brothers. Investigation shows these families were separate though DNA is consistent with an earlier link between the two families in Haaslingden in the 18th century.

In early 2020 Margo sent me a report on an investigation into James and his family by a genealogist at the Church of Latter Day Saints, and I have used this to flesh out the details for James, his son John, and their families.

There are no baptisms discovered so far that can be definitely assigned to James and Elizabeth, (Betty) though three sons are identified in the 1841 census.

James's age in the 1841 census places his birth between 1791 and 1796. There is no baptism of a James in the Haslingden parish records between 1784 and 1801. The lack of baptisms suggests a non-conformist family.

There is no record of him after 1841, except for John's marriage record in 1846 where he is not declared deceased. He has not been found in the 1851 census though his wife Betty only describes herself a widow in 1861.

On 29 Aug 1814 when James was 23, he married **Elizabeth Halstead** in Haslingden, Lancashire. Elizabeth was born in Haslingden, Lancashire, abt 1791. ■ Census for Stansfield, Yorkshire, in 1851. Betty (60) is a wool comber living in Charlestown with James (32) an unmarried wool comber. Although Betty says she is married there is no sign of James in the census. ■ Census for Wadsworth, Yorkshire, in 1861. Betty (70) is a widowed housekeeper living at White Lee Clough with James (37), and Abraham (47) both unmarried wool combers. James is the head of household. ■ Census for Wadsworth, Yorkshire, in 1871. Betty (80) is a pauper living at White Lee Clough with Abraham (58) an unmarried wool comber and head of household. Her place of birth is given as Blackburn, though it was Haslingden on previous censuses. Elizabeth died in 1876. She was buried in Mytholmroyd, St Michael, Yorkshire, on 8 Feb 1876.

Betty's death was registered in 1q 1876 Todmorden 9a 161, aged 84. Her burial record says she was living at Club Houses, which is in Wadsworth.

First Generation

They had the following children:

- i. **Abraham Warburton**. Abraham was born in Haslingden, Lancashire, abt 1814. Abraham died in Todmorden, Yorkshire, in 1896.

Abraham is in the Todmorden Union Workhouse in the 1881 and 1891 censuses. His death is registered in 3q 1896 Todmorden 8a 150, aged 78.

- ii. **James Warburton**. James was born in Haslingden, Lancashire, abt 1819. James died in Wadsworth, Yorkshire, in 1866. He was buried in Mytholmroyd, St Michael, Yorkshire, on 4 Feb 1866.

James's death was registered in 1q 1866 Todmorden 8a 150, aged 46.

- 2 iii. **John Warburton** (1823-1896)

Second Generation

2. John Warburton (James¹). John was born in Haslingden Grane, Haslingden, Lancashire, on 16 Jun 1823. ■ Census for Wadsworth, Yorkshire, in 1851. John (26) is a wool comber living at White Lee Clough with Betty (25) also a wool comber, John (4), and Edward (1). John died in Pleasant Grove, Utah, on 9 May 1896. He was buried in Pleasant Grove Cemetery.

Various records held by the Church of Latter Day Saints indicate John was illiterate. There are various versions of his date of birth. That on his gravestone says he was born on June 16th 1825. However the most likely record is that in the 1869 Endowment House Records of Endowments which states he was born on 16th June 1823 at Haslingden Grane, parents James W and Elizabeth Alstead.

John and Betty joined the Mormon church in Halifax, and he was baptised into the church, probably on February 16th 1855, though the record could read as 1835.

The Mormon Migration Index shows that John and his son Edward applied to emigrate from Liverpool to New York on the William Tapscott, sailing on April 11th 1859. They arrived in New York on May 13th. They did not reach Utah in time for the 1860 census so may have spent some time in New York.

John became a US citizen on January 1st 1874.

On 27 Sep 1846 when John was 23, he first married **Betty Sunderland** in Hebden Bridge, St James and St John, Yorkshire. The marriage was registered in 3q 1846 Todmorden 21 557. John (21) was a carder from Charlestown in Stansfield, father James, a spinner. Betty (21) was a spinner from Callis in Sowerby, father William, a spinner (deceased). Witnesses were John Clarkston, and John Hartley. Betty was born in Sowerby, Yorkshire, abt 1824. Betty died in Wadsworth, Yorkshire, on 11 Nov 1853. She was buried in Mytholmroyd, St Michael, Yorkshire, on 13 Nov 1853.

Betty was the daughter of William and Mary Law Sunderland. A family story was that she died while making the journey from Yorkshire to Liverpool by cargo boat in order to catch a boat to America, and was buried at sea.

However she died several years before John and Edward emigrated, in Yorkshire. Her death was registered in 4q 1853 Todmorden 9a 125, aged 29. She died of pulmonary pulmonalis (consumption) which she had for 10 months.

John's birth was registered in 4q 1846 Todmorden 21 755, mother's maiden name Sunderland. His death was registered in 1q 1855 Todmorden 9a 150, aged 8. Abraham Warburton was the informant on the death certificate.

Sarah was the daughter of Thomas Williams. She left her first husband in England to travel to Utah with her children Mary Maud, Lorenzo, and Sarah (born in Wyoming). A son Thomas had died in England. Note Eva Proctor Warburton gives Sarah's mother as Elizabeth Vaughn, a tree from Margo Duran gives it as Mary Ann Moss, and in the 1851 census when Sarah and Lawrence (her first husband) are living with his parents she is called Alice, though this could be a second wife.
