Descendants of George Warburton

First Generation

1. George Warburton was born about 1674 in Partington, Cheshire, died on 26 Jan 1735 aged about 61, and was buried in Warburton, St Werberg, Cheshire.

General Notes: This tree is based on that recorded on the Sullivan County Settlers site by Lyle Rockwell and Larry Pardoe at: <http://www.rootsweb.ancestry.com/~pasulliv/settlers/settlers53/settlers53.htm> (referred to as the Settlers Site). They in turn took their information from the John & Mary Sadler Warburton Family Bible, and in particular the Diary (referred to as the Family Diary), in possession of their GGGgrandson George Robert Warburton, born in 1930, together with information from George on the descendants of George T. Warburton, son of John & Mary Warburton. I have added details and opinions to the early English generations, including additional material from Cathy Warburton of California.

The Settlers Site gives George's birthplace as Liverpool. However known events such as George's place of burial, and events in the lives of his children are all in the Lymm, Warburton, Hollinsfare area until his grandson John moved to Liverpool around 1800. Therefore he was most likely born in that area, and it is possible that he is the 12 year old George who is mentioned in the 1686 Inventory of George of Partington.

George married **Mary Chantler** on 8 May 1707 in Lower Peover, Cheshire. Mary was born about 1686, died in 1766 aged about 80, and was buried on 5 Feb 1766 in Warburton, St Werberg, Cheshire.

Marriage Notes: The marriage location is from FamilySearch and contradicts the Settlers Site which places the marriage at Warburton.

Children from this marriage were:

- 2 F i. **Margaret Warburton** was born on 24 Nov 1708, died on 13 Jun 1729 aged 20, and was buried on 14 Jun 1729 in Warburton, St Werberg, Cheshire.

General Notes: Margaret is the daughter of George of Warburton on her burial record.

- 3 F ii. **Elizabeth Warburton** was born on 19 Feb 1710 and died on 28 Dec 1752 aged 42.

Elizabeth married **Thomas Hornby**.

- + 4 M iii. **George Warburton** was born on 14 Nov 1718, was christened on 27 Nov 1718 in Bowdon, St Mary, died in 1761 in Heatley Heath, Lymm, Cheshire aged 43, and was buried on 2 Jul 1761 in Lymm, St Mary The Virgin, Cheshire.
- + 5 M iv. **Peter Warburton** was born on 14 Apr 1725, died on 24 Jun 1794 aged 69, and was buried on 27 Jun 1794 in Hollinsfare, St Helen, Lancashire.

Second Generation (Children)

4. George Warburton (*George¹*) was born on 14 Nov 1718, was christened on 27 Nov 1718 in Bowdon, St Mary, died in 1761 in Heatley Heath, Lymm, Cheshire aged 43, and was buried on 2 Jul 1761 in Lymm, St Mary The Virgin, Cheshire.

General Notes: George's baptism is a possible match as the baptism record names his father as George of Partington, and it fits the birth date.

George lived near Warburton Mill and had 2 sons and 2 daughters, George, Thomas, Mary and Margaret. who were mentioned in his will. Also mentioned were brother Peter of Carryshut (Cadishead?), and witnesses Thomas Chandler, John Ridgeway, and wife Mary. Mary must be his second wife as the mother of his children was Sarah. Peter, Thomas, and Mary were executors.

George married **Sarah Okill** on 18 Nov 1746 in Manchester Cathedral, Lancashire.

Marriage Notes: This is the best fit marriage, though it took place only 2 weeks before Thomas was born.

Children from this marriage were:

- 6 M i. **Thomas Warburton** was born on 3 Dec 1746 in Lymm, Cheshire, was christened on 19 Dec 1746 in Lymm, St Mary The Virgin, Cheshire, died on 26 Jan 1826 in Heatley Heath, Lymm, Cheshire aged 79, and was buried on 29 Jan 1826 in Lymm, St Mary The Virgin, Cheshire.

General Notes: Thomas's baptism record names his father George. He had no children. His will mentions several nephews, including Brazendales and Highams. He was aged 80 on his gravestone.

Thomas married **Catherine**. Catherine was born about 1751, died on 16 Mar 1826 in Heatley Heath, Lymm, Cheshire aged about 75, and was buried on 19 Mar 1826 in Lymm, St Mary The Virgin, Cheshire.

General Notes: Two Catherines married a Thomas Warburton at Manchester Cathedral, Catherine Chadwick on

Descendants of George Warburton

February 10th 1784, and Catherine Goodier on 12th December 1786. She was aged 75 on her gravestone.

- 7 F ii. **Mary Warburton** was born on 5 Aug 1748 in Heatley Heath, Lymm, Cheshire and was christened on 14 Aug 1748 in Lymm, St Mary The Virgin, Cheshire.

General Notes: Mary was the daughter of George of Heatley Heath on her baptism record.

Mary married **George Brazendale** on 2 Mar 1764 in Lymm, St Mary The Virgin, Cheshire.

Marriage Notes: George and Mary had 3 sons and a daughter.

- 8 M iii. **John Warburton** was born in 1750 in Heatley Heath, Lymm, Cheshire, was christened on 6 Apr 1750 in Lymm, St Mary The Virgin, Cheshire, died in 1751 aged 1, and was buried on 6 Apr 1751 in Lymm, St Mary The Virgin, Cheshire.

General Notes: John was the son of George of Heatley Heath on his baptism, and burial records.

- 9 F iv. **Margaret Warburton** was born in 1753 in Heatley Heath, Lymm, Cheshire and was christened on 21 Jul 1753 in Lymm, St Mary The Virgin, Cheshire.

General Notes: Margaret was the daughter of George of Heatley Heath on her baptism record.

Margaret married **James Higham** on 1 Feb 1792 in Lymm, St Mary The Virgin, Cheshire.

Marriage Notes: Margaret and James had 2 sons.

- 10 M v. **George Warburton** was born in 1756 in Heatley Heath, Lymm, Cheshire and was christened on 2 Apr 1856 in Lymm, St Mary The Virgin, Cheshire.

General Notes: George's parents are George and Sarah on his baptism record. His most likely marriage was to Ann Baguley at Lymm on April 30 1778 but he hasn't been explored further. The Richmond family tree names his children as Margaret, Sarah, and Martha.

- 11 M vi. **John Warburton** was born on 10 Nov 1758 in Lymm, Cheshire and was buried on 23 Nov 1758 in Lymm, St Mary The Virgin, Cheshire.

General Notes: John's parents are George and Sarah on his burial record.

George next married **Mary**.

General Notes: Mary is only known from George's will. There is no record of Sarah's death or the marriage to Mary yet found.

5. Peter Warburton (*George*¹) was born on 14 Apr 1725, died on 24 Jun 1794 aged 69, and was buried on 27 Jun 1794 in Hollinfare, St Helen, Lancashire.

General Notes: From the Family Diary: 'Father Peter Warburton died, aged 66 years.... My father & mother P & M Warburton was laid in Hollinsgreen Chapel Yard, north east side.' According to FamilySearch they were in fact buried at Hollinfare a chapelry in Warrington parish which includes Hollins Green. The church of St Helen, Hollinfare was founded before 1500.

Peter married **Mary Molyneux** on 5 Nov 1767. Mary was born in 1735 in Manchester, Lancashire, was christened on 12 Oct 1735 in Manchester Cathedral, Lancashire, died in 1809 aged 74, and was buried on 14 Nov 1809 in Hollinfare, St Helen, Lancashire.

Marriage Notes: This date is from a member submission to IGI and there is no on-line record of it in parish records on FamilySearch, or on Lancashire Parishes Online.

General Notes: Mary was the daughter of Edward and Martha Molyneux. The Family Bible gives her age as 74 when she died.

Children from this marriage were:

- + 12 M i. **John Warburton** was born in 1770 in Rixton-With-Glazebrook, Lancashire, was christened on 13 Apr 1770 in Hollinfare, St Helen, Lancashire, and died on 7 Sep 1836 in Elkland, Sullivan Co., Pennsylvania aged 66.

- 13 M ii. **Thomas Warburton** was born in 1772 in Rixton-With-Glazebrook, Lancashire, was christened on 24 May 1772 in Hollinfare, St Helen, Lancashire, and died in 1829 aged 57.

General Notes: The Settlers Site gives Thomas's place of birth as Rexton, Warrington Parish. This is modern day Rixton-with-Glazebrook which is adjacent to Hollinsfare (and Holins Green) where all the children were baptised. It is assumed his siblings were born in the same place.

Thomas lived in Lymm, Cheshire and had no issue.

- 14 F iii. **Mary Warburton** was born in 1775 in Rixton-With-Glazebrook, Lancashire and was christened on 13 Feb

Descendants of George Warburton

General Notes: It was John who took the The Warburton Family Bible, published in 1639, and its associated Diary, to the USA in 1816. It was thought to be in the Warburton family for hundreds of years. It was handed down from John to his son George Thomas, to George's daughter Cora Belle, to Belle's nephew George Harry Warburton, and to George Harry's son George Robert Warburton, who has them in his possession.

The Family Diary states: John Warburton, son of Peter & Mary Warburton, departed this life Sept 7th, 1836, aged 66 at Elkland, Sullivan Co., PA.

The first successful organized effort to permanently establish means for the education of the youth, was made at Forksville. The school was opened December 1, 1816, John Warburton being the first teacher employed.

John Warburton is first mentioned as a teacher of the Forksville School in 1816. He settled on lands near Joseph Reeves. The first elections of the township were held in his house. He was prominent among those entrusted with the township business.

From the "Lycoming Gazette", 21 Sept. 1836:

Well, I am getting so I dread to sit down to writing letters and put it off and off, & off until I am almost ashamed to write at all. I am still secretary in two societies and have to make long reports to send in. Grace & Albert (her husband) visited me in September, Albert is a government lawyer. George & wife (George Bosworth) visited me in October. Both wanted Father's old Bible, It must be about 500 years old & it is in bad condition, about 1/3 is gone. The leaves are so brittle it can't be handled. It was buried in the earth when the Bibles were being burned in England, and has been in the Warburton Family for hundreds of years, and my father's great-grandfather, also my father's grandfather, & my grandfather of my father said it must stay in the Warburton Family.

Descendants of George Warburton

Well, Lill has tried many ways to get it. Well, I told them it was to be kept in the Warburton Family & I intended to send it to you. There is another book which gives some of the history of the Warburton Family, written by grandfather (the fine writing) and my own father. Grandfather's name was John, his father's name was Peter, and my father's name George.

I will send these books to you. I believe father prized these books above everything he had & they are only keepsakes. When Harry visited here, I spoke to him about taking the old Bible. He said he thought he had better not take it, and for me to keep it. Pa kinda felt that good luck stayed with the old Bible, and hope it proves so to you. I think God has been very good to me, and caring for me. Of course I am living on a pension, but I still own my own home, but it is getting run down. People are good to me. Tell Dora I got a small ball of rug yarn, but it is not enough, but I am hoping to finish her long delayed rug if I can find another skein of yarn. How are Dora & Edna? The trees have lost most of their leaves. We had a continued dry spell, but now we have had a nice rain & frosts.

Hope to send the books about the first. Write soon to your loving Aunt Belle.”

"I am the GGGgrand son of John and Mary (Mary Sadler) Warburton of Elkland Township. I live in Clyde which is a small (650) city in north central Kansas.

I have John's diary and family bible. It dates descendants back to 1670, in England. They had 12 children. The diary is in better shape than the Bible. I did open the bible up and found one date for the New Testament. It was dated 1636.

Of course the bible is probably 100 years older. I believe the diary was started about 1811.

My Aunt (Edna) was a secretary for the So. Ca. Gas Company for over 40 years. She transcribed the diary about 15-20 years ago. She is now 89 years old. I remember her saying it took a long time to copy because his words were written in old English. After she caught on to the spelling it was a lot faster.

The pages in the bible are too brittle to open and read. However John did write the information in his diary. The diary pages are very brittle also, as he started it about 1811-1816. My Aunt transcribed the diary several years ago. It is really fascinating reading as he speaks of his travels from England to Pennsylvania, then to Elkland Township in Sullivan County". (2008)

Ann's maiden name was HUTH. Her mother was RUTH, We think. She had two brothers Ed and George. They all lived in southern California.
