Second Generation

2. Thomas Warburton (*James*¹). Thomas was born in England in 1809. Thomas died in Bufflick, Kanawha Co. WV, on 24 Dec 1866. He was buried in Warburton Cemetery, Clendenin, Kanawha Co. WV.

The names of Thomas's parents are from an IGI submission, which also gives his place of birth as Newark.

Thomas was Stone Mason / Farmer. Family legend says he came to the USA from Newark in the county of Nottinghamshire, but there is no evidence of this beyond some member submissions on IGI.

Thomas bought land from Matthew Geary. The land deed bears the date August 1837, or 1851; it could be interpreted either way. It appears the land is an additional tract of 29 1/2 acres adjoining 198 1/2 already owned.

Thomas first appears on the Kanawha County Tax Lists in 1849 when he is listed as having 2 horses/mules and paying 20 cents tax. On the 1850 Kanawha County Tax List, Thomas is shown as 1 white male above age 16, 1 horse/mule, and paying 10 cents tax. This would imply the 1851 date for the above purchas is more likely.
