Descendants of James Warburton

First Generation

1. James Warburton.

General Notes: This clan is based on input from Margo Duran, which is based on a history by Eva Proctor Warburton. Eva's document conflated two families, one from Haslingden and one from Radcliffe/Pilkington to indicate that 2 emigrants to Utah were half-brothers. Investigation shows these families were separate though it is possible there is an earlier link between the two families.

James is only known from the parish record of his wedding, and his son John's declaration of his parentage. There are no baptisms discovered so far that can be definitely assigned to James and Elizabeth, though see comments on son John.

There is no sign of James or Elizabeth in the censuses so they were possibly dead by 1841.

James married **Elizabeth Halstead** on 29 Aug 1814 in Haslingden, Lancashire.

General Notes: According to Eva Proctor, Elizabeth died on 24th September 1827, the same day as her 1 month old daughter Elizabeth. However it was the daughter of James and Sarah of Pilkington who died at that time. There is no evidence of Elizabeth having a daughter, or dying at this time, although she cannot be found in the 1841 or subsequent censuses.

The child from this marriage was:

- + 2 M i. **John Warburton** was born on 16 Jun 1823 in Haslingden Grane, Haslingden, Lancashire, died on 9 May 1896 in Pleasant Grove, Utah aged 72, and was buried in Pleasant Grove Cemetery.

Second Generation (Children)

2. John Warburton (*James*¹) was born on 16 Jun 1823 in Haslingden Grane, Haslingden, Lancashire, died on 9 May 1896 in Pleasant Grove, Utah aged 72, and was buried in Pleasant Grove Cemetery.

General Notes: John informed the Church of LDS sources he was born on 16th June 1823 at Haslingden Grane, parents James W and Elizabeth Alstead. The parish records show the son of James and Elizabeth of Heap Clough (which is in Haslingden Grane) was baptised on the 8th January 1822. Also on the 1851 census his birthplace is given as Haslingden, though his age of 26 is low for his declared birth date. It is possible this is the record of his baptism, but he was unsure of his age and therefore the year in which he was born.

John and Betty joined the Mormon church in Halifax and decided to emigrate to Utah. Unfortunately Betty died at sea (with her unborn child) en route to Liverpool to catch their ship. John and son Edward made the journey alone.

Noted events in his life were:

- He appeared on the census in 1851 in Wadsworth, Yorkshire. John (26) is a wool comber living at White Lee Clough with Betty (25) also a wool comber, John (4), and Edward (1).

John married **Elizabeth (Betty) Sunderland** on 27 Sep 1846 in Hebden Bridge, Yorkshire. Elizabeth was born about 1825 in Stansfield, Yorkshire, died in 1855 in En Route To Liverpool By Sea aged about 30, and was buried at Sea.

Marriage Notes: The marriage was registered in 3q 1846 Todmorden 21 557. At the time of their marriage John and Betty were resident at Stansfield and Charlestown respectively. Witnesses were John Clarkston, and John Hartley (Eva Warburton Proctor).

General Notes: Betty was the daughter of William and Mary Law Sunderland. She died while making the journey from Yorkshire to Liverpool by cargo boat in order to catch a boat to America. She was pregnant at the time (Eva Warburton Proctor). She was buried at sea. John and young son Edward continued on to Utah.

Children from this marriage were:

- 3 M i. **John Warburton** was born in 1846 in Erringden, Yorkshire and died in 1855 aged 9.

General Notes: Sarah was the daughter of Thomas Williams. She left her first husband in England to travel to Utah with her children Mary Maud, Lorenzo, and Sarah (born in Wyoming). A son Thomas had died in England. Note Eva Proctor

Descendants of James Warburton
