First Generation

1. Thomas Warburton. Thomas was born in Bury, Lancashire, on 21 Dec 1787. He was christened in Bury, St Mary, Lancashire, on 1 Jan 1788. ■ Census for Pilkington, Lancashire, in 1841. Thomas (50) is a painter living in Stand Lane with Betty (50), Robert (20), and Alice (15). ■ Census for Pilkington, Lancashire, in 1851. Thomas (63) is a painter living in Stand Lane with Betty (65). Thomas died in Pilkington, Lancashire, in 1859.

Thomas was baptised the son of Robert of Elton. His identification him as the Thomas who married Betty Warburton is based on his age, and place of birth in the 1851 census, and his age at death.

He was a weaver when son Robert was born, but a painter on both Robert's marriages, Alice's marriage, and on Nelly's second marriage as Ellen Seddon.

The identification of Robert's siblings is based on the set of baptisms of children of Thomas and Betty following their marriage in 1808, and the fact Thomas is a painter on Nelly's second marriage. Walter and Betty are witnesses to this marriage.

There are no further Thomas and Betty marriages during the period, and there is a gap in baptisms of children of Thomas and Betty after Alice in 1823. Thomas was a weaver on all but the first baptism (no occupation given), and his abode is Bury on all but Robert's baptism, when his abode is transcribed as Kingshurst. However the actual record appears to say Kings Street, which is in Bury. It seems unlikely Robert would be an only child born 12 years after his parents married.

There was a a Thomas and Betty marriage in Bury in 1803, but no children until Nelly was born nearly four months after Robert's parents married. It is therefore assumed the first Thoams and Betty were childless.

Thomas's death was registered in 4q 1859 Bury 8c 267, aged 71 (Pilkington sub-district on LancashireBMD).

On 1 Mar 1808 when Thomas was 20, he married **Betty Warburton** in Bury, St Mary, Lancashire. Thomas was a weaver, both were 'of this parish', and a witness was John Warburton. Betty was born in Radcliffe, Lancashire, on 19 Apr 1787.

The source for Betty's birth is unknown. No matching baptism has been found.

On 31 May 1843 when Nelly was 34, she second married **John Bevan** in Prestwich, St Mary, Lancashire. John was a spindle maker from Whitefield, father Thomas, a printer. Ellen was a widow from Whitefield father Thomas Warburton, a painter. Witnesses were Walter and Betty Warburton.

Robert's father was a weaver from Kingshurst on his baptism. Kingshurst doesn't appear on modern maps of Bury.

His death is probably that registered in 1q 1892 Chorlton 8c 581, aged 74. Robert is in the 1891 census and this is the only registration at Chorlton in the next decade. The age is a little high, but his age does vary between censuses, implying it was not known accurately.

On 10 May 1843 when Robert was 23, he first married **Alice Cronkshaw** in Bury, St Mary, Lancashire. Robert was a fustian shearer, father Thomas, a painter. Alice's father was Joseph, a weaver. Alice was born in Radcliffe, Lancashire, in 1819. Alice died in Bury, Lancashire, in 1851.
