First Generation

1. Joseph Warburton.

There is an identification of Ralph Warburton's parents as Joseph and Mary Annie together with a further brother Joseph in the tree of Peter Wainwright at http://wainwrights.familytreeguide.com/tree_index.php. His source is the Akende familytree on Ancestry owned by Jessie Bennett. No corroboration for this has been found.

However there is evidence that Ralph did have a brother Thomas, and this Thomas's father was named Joseph on the parish record of his wedding.

The evidence that Thomas is Ralph's brother is from the presence of Mary, Thomas's sister-in-law, living with Thomas in 1891. Thomas was born in Sandbach, lived many years in Hale, but had moved to Newhall, where Ralph and Mary had lived, by 1891. Mary variously gave her place of birth as Bunbury, Acton, and Faddiley (twice). Faddiley is in Acton parish.

Thomas's sister-in-law gave her place of birth as Audlem, which is possibly a mistake as a grandson in the house was also born at Audlem. However it is known that Mary was still alive in 1891 and there is no other entry for her. Furthermore there is no Mary born in Audlem in other censuses.

It is clear from other details that Thomas is the same Thomas who married at Bowdon in 1856, father Joseph. Joseph is not described as deceased so is presumably alive at this time despite his apparent absence from the 1841 and 1851 censuses.

Mary's death certificate is dated 1897, shortly after Thomas's death and it seems she was then living with her son George in Sound.

Joseph married **Unknown**.

They had the following children:

- 2 i. **Ralph Warburton** (~1817-1886)
- 3 ii. **Thomas Warburton** (~1826-1897)

Descendants of Joseph Warburton & Unknown

Second Generation

2. Ralph Warburton (*Joseph*¹). Born abt 1817 in Elton, Sandbach, Cheshire. Ralph died in Newhall, Cheshire, on 6 Jan 1886; he was 69. Buried on 9 Jan 1886 in Wrenbury, St Margaret, Cheshire. Was on the census for Warmingham, Cheshire, in 1841. Ralph (25) is an agricultural labourer living with Mary (20), Jane (5), Joseph (2), and Thomas (3 months). Was on the census for Newhall, Cheshire, in 1851. Ralph (36) is an agricultural labourer living in Newhall Lane with Mary (34), Thomas (11), John (9), Ralph (3), James (2), and William (4 months). Was on the census for Newhall, Cheshire, in 1861. Ralph (44) is a farmer of 10 acres living in Aston Heath with Mary (44), Jane (24), Samuel (8), George (5), Joseph (4), Alice (2), and Alfred (1). Was on the census for Newhall, Cheshire, in 1871. Ralph (50) is a farmer of 15 acres living in Aston Heath with Mary (49), Alice (13), Alfred (11), and Ralph (4 months). Ralph is described as son but is their grandson. Was on the census for Newhall, Cheshire, in 1881. Ralph (60) is a farmer of 27 acres living in Aston Heath with Mary (60), Alfred (21), and grandson Ralph (10).

Ralph's death was registered in 1q 1886 Nantwich 8a 273 aged 69. This gives a date of birth of 1817, though the Wainwright tree says 1821, probably based on his age in later censuses.

Ralph's place of birth is variously given on censuses as Sandbach, Elton, and Aston. The latter is probably an error. Elton is 2 miles west of Sandbach so could be considered part of Sandbach. In 1841 he was living in Warmingham, 2 miles further west, and his eldest 4 children were born there. By 1851 he is living in Newhall, 5 miles SW of Nantwich, although all his children born between the censuses, including 4 month old William are said to be born in Elton. Subsequent children usually give their place of birth as Wrenbury which is just by Newhall. Aston or Aston Heath, which is also referred to, and which is Ralph's actual address on later censuses, lies next to Newhall.

The burial of Mary Warburton of Elton, aged 2 on 3 Oct 1847 at St Leonards, Warmingham suggests Ralph may have had another daughter but her baptism, like Ralph's eldest daughter Jane's, is not at St Leonards.

Ralph's baptism is not recorded at either St Leonards, Warmingham, or St Mary, Sandbach. Also no Warburtons are members of the Sandbach United Reform Church. However it might be a Methodist baptism, but records for the Sandbach Methodist Chapel are not available. Several of Ralph's children's marriages are described on Cheshire BMD as being Nantwich civil marriages, including William's second marriage which is known to have taken place in a Methodist Chapel.

Ralph's will is available from Cheshire Wills Online.

On 5 Dec 1836 when Ralph was 19, he married **Mary Foxley** in Warmingham, Cheshire. The marriage witnesses were Samuel Foxley and Sarah Foxley. Samuel is possibly her father. Born in 1817 in Spurstow, Cheshire. Christened on 17 Mar 1817 in Bunbury, St Boniface, Cheshire. Was on the census for Newhall, Cheshire, in 1891. Mary (69) is the widowed sister-in-law of Thomas

Second Generation

(69) a farmer born in Sandbach. Also present were Thomas's son John (30) born in Hale, his daughter-in-law Emma (34) born in Wem, Shropshire, and his grandchildren Amy (6), and Ernest (2) both born in Hale, and grandson Ernest Grounds (10) born in Audlem. Mary is also said to be born in Audlem, but her age matches previous censuses, she was known to be alive, and no alternative census entry for her has been found so far. Mary died in Sound, Nantwich, Cheshire, on 7 Sep 1897; she was 80. Buried on 10 Sep 1897 in Wrenbury, St Margaret, Cheshire.

Heather Jones has identified Mary as the daughter of Samuel Foxley and Elizabeth Platt born 3 March 1809 and baptised 2 April 1809. However this would mean she was 50 when her last child was born. Her census age is variable and implies a birth between 1816 and 1822.

The 1809 baptism record shows a place of abode as Brindley which very close to Faddiley where Mary gave her place of birth on 2 occasions (1871 and 1881). In 1861 she gave her place of birth as Acton which is the parish that includes Faddiley, but in 1851 she gave her age as 34, and place of birth as Bunbury. Mary daughter of Samuel and Jane Foxley was baptised on March 17th 1817 at Bunbury, St Boniface with their abode given as Spurstow which is very close to Bunbury. This is a perfect fit for Mary's 1851 census entry, and so is the best candidate for Mary's baptism though it leaves her later census entries as something of a mystery, though it could be she lived there from a young age.

Mary's death was registered at Nantwich in 3q 1897 (8a 242) aged 83, giving a birth date of 1813/4. She was buried at Wrenbury, St Margaret on 10 Sept 1897 and was said to be from Sound. Her death certificate gave her cause of death assanguinous apoplexy, and the informant was her son George who was present at her death.

Second Generation

They had the following children:

- i. **Jane Warburton**. Born abt 12 Mar 1837 in Warmingham, Cheshire. Jane died in Nantwich, Cheshire, in 1861; she was 23.

Jane's death was registered in 3q 1861 Nantwich 8a 207, aged 24.

- ii. **Joseph Warburton**. Born on 15 Dec 1839 in Warmingham, Cheshire. Christened on 2 May 1841 in Warmingham, St Leonard, Cheshire. Joseph died in 1846; he was 6.

Joseph must have died young as a second Joseph was born in 1856. He is absent from the 1851 census and the most likely death registration is in 2q 1846 at Congleton (19 67).

4 iii. **Thomas Warburton** (1841-1895)

5 iv. **John Warburton** (1843-1919)

6 v. **Ralph Warburton** (1847-1870)

7 vi. **James Warburton** (1848-1918)

8 vii. **William Warburton** (1850-1916)

9 viii. **Samuel Warburton** (1853-1905)

10 ix. **George Warburton** (~1855-1938)

Alice's birth was registered in 2q 1858 Nantwich 8a 318 (C BMD Wrenbury WR/10/050). Her death was registered in 2q 1915 Nantwich 8a 454, aged 56.

In 1877 when Alice was 19, she married **William Mottram** in Acton, St Mary, Cheshire. The marriage was registered in 2q 1877 Nantwich 8a 426. William and Alice's children were Beatrice (b. circa 1876), Edith Alice (b. circa 1878), Ernest William (b. circa 1881), Evelyn A (b. circa 1890), and Clement (b. circa 1891). Born abt 1857 in Aston by Newhall, Cheshire.

- xii. **Alfred Warburton**. Born on 26 Sep 1859 in Aston by Newhall, Cheshire.

Alfred's birth was registered in 4q 1859 Nantwich 8a 302 (C BMD Wrenbury WR/11/005). Alfred cannot be found in a likely marriage, death or census entry after 1881. He was possibly abroad, or was using a different name.

- xiii. **Mary Warburton**. Born in 1845 in Sandbach, Cheshire. Christened on 6 Apr 1845 in Sandbach, St Mary, Cheshire. Mary died in Elton, Sandbach, Cheshire, on 29 Sep 1847; she was 2. Buried on 3 Oct 1847 in Warmingham, St Leonard, Cheshire.

Ralph is shown as a labourer on Mary's birth certificate. She was 'accidentally smothered in a house on fire', though the certificate is difficult to read. Her death

Second Generation

was registered on February 14th 1848 Congleton 19 91.

3. Thomas Warburton (*Joseph*¹). Born abt 1826 in Elton, Sandbach, Cheshire. Thomas died in Newhall, Cheshire, in 1897; he was 71. Buried on 2 Feb 1897 in Wrenbury, St Margaret, Cheshire. Was on the census for Warmingham, Cheshire. Thomas (12) is living close to uncle Ralph, with James Oakes (20) a farmer, two Oakes siblings, and three others. Was on the census for Moston, Cheshire, in 1851. Thomas (25) is an agricultural labourer on Moston Green Farm run by John Sutton. Was on the census for Hale, Cheshire, in 1861. Thomas (35) is an agricultural labourer living with his father-in-law David Hodson at Davenport Green together with Ann (23), Mary (2) and Joseph (1). Was on the census for Hale, Cheshire, in 1871. Thomas (44) is a widowed labourer living with his father-in-law David Hodson, and children Mary A (13), Joseph (11), John (9), Martha (8) and Elizabeth A (5). Was on the census for Hale, Cheshire, in 1881. Thomas (55) is a farm labourer living at Davenport Green with John (19) a farm labourer, Martha (17), Thomas Grounds (3) his grandson, and Mary Slack (23) a visitor from Staffordshire. Was on the census for Newhall, Cheshire, in 1891. Thomas (69) is a widowed farmer living in Hollin Lane with John (30) a farmers son, Emma (34) his daughter-in-law, Mary (69), his widowed sister-in-law, Amy (6), Earnest (2) and Earnest Grounds (10) his grandchildren.

Thomas's death was registered in 1q 1897 Nantwich 8a 267. His burial record shows he was from Hollin Green. He was living in Hollin Lane in the 1891 census. His reported age of 71 ties in with his census ages, except for that in 1891 where he is said to be 69, which may account for the date of birth of 1822 given in the Wainwright family tree.

Mary's presence with Thomas in the 1891 census is the only corroboration of the Wainwright Family Tree's identification of Thomas as Ralph's brother. Mary is about the correct age but her place of birth is incorrect, being given as Audlem, which is close to Newhall. However no Mary from Audlem appears in any other census. Also Ernest Grounds is also said to be born in Audlem which is known to be incorrect, and Thomas does have a son-in-law who was born in Audlem. It is therefore probable the enumerator was given incorrect information.

It may also be significant that Thomas moved from Hale to Newhall in the decade in which his brother died at Newhall.

Apart from Ralph and Thomas only one other Warburton who was born in Sandbach in the 1815-30 period appears in the censuses. He was James (b.circa 1822) who was unmarried and described as a pauper in 1891.

On 27 May 1856 when Thomas was 30, he married **Ann Hodson** in Bowdon, St Mary, Cheshire. The marriage was registered in 2q 1856 Altrincham 8a 208. The parish record states that Thomas was living in Hale, and his father was Joseph. Born abt 1837 in Astley, Lancashire. Ann died in Hale, Cheshire, in 1867; she was 30.

Second Generation

Ann's death was registered in 3q 1867 Altrincham 8a 105, aged 30.

Mary's birth was registered in 4q 1857 Altrincham 8a 142. Her death was registered in 4q 1892 Warrington 8c 136, age 34.

Joseph and Mary's children were Ann (b. circa 1876), Thomas (b. 1878), Ernest (b. 1880), William (b. circa 1884) and Elizabeth Warburton Grounds (b. cir 1887). The family lived at Walton, near Warrington, so Earnest was not born at Audlem as stated in the 1891 census. Born abt 1856 in Orford, Lancashire.

By the 1901 census Joseph had remarried to Fanny from Stafford.

Was on the census for Congleton, Cheshire, in 1901. James (52) is a threshing machine proprietor living at Hackney's Lake with Annie (50), Joseph (16), Florence (15), and Gertrude (10). Note Joseph should be Arthur, as a good candidate for Joseph can be found elsewhere, and the age is correct for Arthur. Was on the census for Congleton, Cheshire, in 1911. James (62) is a threshing machine owner living with Ann (60), Joseph (37) a Wesleyan minister, and Gertrude Annie (20). James gives his postal address as 106 Wellmeadow Road, Catford, London S.E. Third Generation

Anne's obituary was published in the Crewe Chronicle on March 28th 1936.

She died in Brereton Nursing Home aged 86. She lived in Bradwell Road and was the widow of James, a one-time threshing machine proprietor at Elworth, and who died at Penmaenmawr. A son Geo[rge] a daughter Mrs Haldane were in South Africa. it isn't clear which daughter is Mrs haldane as no marriage has been found on the English register.

Mourners included sons Rev JO Warburton of Sowerby Bridge (Joseph Oswald aka Preacher Joe), James of Cleveleys, and Alfred. grandchildren Mr and Mrs R (the only granchild with first initial R is Robert Guy, but he didn't marry Jean nee Sobie until 1938).

Anne's father (named Broomfield in the obituary) was a Prmitive Methodist local preacher for over 50 years. Her late huband was actively enaged with Mr Edward Foden during his pioneer days. They are survived by 6 of their eight children.

During his marriage to Emma he had an affair with Emily Smith who bore him several children before Emma died and he was able to marry her. They then had a further four children

William is missing from the 1861 and 1901 censuses.

On 23 Jun 1870 when William was 19, he first married **Emma Parkes** in Sandbach, Cheshire. The marriage was registered in 2q 1870 Congleton 8a 400. Born abt 1845 in Sandbach, Cheshire. Emma died in 1905; she was 60.

Emma was the daughter Walter and Ann Parkes.

It is most likely Emma died after the birth of Lionel Wellesley Smith, the last of William's children by Emily Smith, and before he married her in 3q 1905. The registration of the death of Emma aged 60 is indexed in both the second and third quarters of 1905 at Nantwich, references 8a 216 and 217 (probably repeated in error).

On 13 Sep 1905 when William was 54, he second married **Emily Smith** in Nantwich Primitive Methodist Chapel, Cheshire. The marriage was registered in 3q 1905 Natwich 8a 746. Born on 28 Jul 1870 in Sound, Nantwich, Cheshire. Emily died in Chester, Cheshire, on 21 Apr 1949; she was 78. Was on the census for Sound, Nantwich, Cheshire, in 1871. Emily is just 8 months old and living with her parents Thomas and Elizabeth in Newtown. Was on the census for Newhall, Cheshire, in 1881. Alice (10) is living with her family in Hollin Lane. Was on the census for Aston by Newhall, Cheshire, in 1891. Emily is absent from home (and cannot be found in the census), but her children Charles (7), and Jessie (11 months) are living in Aston Heath (near George and Elizabeth Warburton, William's brother and sister-in-law) with her parents Thomas and Elizabeth. Also present is Agnes E (2) the illegitimate daughter of Emily's sister Sarah who later married George Burrows and is living with him in 1901. Was on the census for Newhall, Cheshire, in 1901. Emily (31) is a charwoman living in Aston Heath (next door to George and Elizabeth Warburton, William's brother and sister-in-law) with her parents Thomas (73) and Elizabeth (70), and children Jessie (10), Alice (8), and Stanley (2).

Emily's birth was registered in 2q 1869 Nantwich 8a 332. This makes her 13 when Charles was born. There was then a 7 year gap to her next child so it is possible the affair with William began after Charles was born.

Emily was the daughter of Thomas Smith and Elizabeth Sharpes.

Third Generation

They had the following children:

- i. **Charles Smith**. Born in 1883 in Aston by Newhall, Cheshire.

Charles's birth was registered in 4q 1883 Nantwich 8a 341. His mother Emily would be just 13 years old.

Samuel (47) is a farm labourer living at Mill Gate with Hannah (55), Charles Warham (21) a boarder, and Frederick Warburton (3) a nephew. No birth registration can be found for Frederick on FreeBMD near to his place of birth which is Audley, Staffordshire. Since Hannah is from Staffordshire he might be a nephew on her side who was given the wrong name. Samuel died in Barthomley, Cheshire, in 1905; he was 51.

Samuel's birth was registered in 1853 and can be found on Cheshire BMD (C BMD Wrenbury WR/08/048) but not FreeBMD. His death was registered in 3q 1905 Nantwich 8a 205, aged 51.

They had the following children:

- i. **Henry Warburton**. Born abt 1880 in Audley, Staffordshire.

Henry's birth registration is not obvious on FreeBMD. He is also missing from the 1901 census and there is no death record for a Henry of the correct age. He possibly emigrated.

- ii. **Fred Warburton**. Born abt 1897 in Old Colwyn, North Wales.

Frederick was the son of William Warren and Mary Elizabeth Coates but was adopted by Samuel and Hannah. He cannot be found in the 1911 census and there is no obvious death registration.
