Descendants of Joseph Warburton

First Generation

1. Joseph Warburton

General Notes: There is an identification of Ralph Warburton's parents as Joseph and Mary Annie together with a further brother Joseph in the tree of Peter Wainwright at http://wainwrights.familytreeguide.com/tree_index.php. His source is the Akende familytree on Ancestry owned by Jessie Bennett. No corroboration for this has been found.

However there is evidence that Ralph did have a brother Thomas, and this Thomas's father was named Joseph on the parish record of his wedding.

The evidence that Thomas is Ralph's brother is from the presence of Mary, Thomas's sister-in-law, living with Thomas in 1891. Thomas was born in Sandbach, lived many years in Hale, but had moved to Newhall, where Ralph and Mary had lived, by 1891. Mary variously gave her place of birth as Bunbury, Acton, and Faddiley (twice). Faddiley is in Acton parish.

Thomas's sister-in-law gave her place of birth as Audlem, which is possibly a mistake as a grandson in the house was also born at Audlem. However it is known that Mary was still alive in 1891 and there is no other entry for her. Furthermore there is no Mary born in Audlem in other censuses.

It is clear from other details that Thomas is the same Thomas who married at Bowdon in 1856, father Joseph. Joseph is not described as deceased so is presumably alive at this time despite his apparent absence from the 1841 and 1851 censuses.

Mary's death certificate is dated 1897, shortly after Thomas's death and it seems she was then living with her son George in Sound.

Joseph married **Unknown**.

Children from this marriage were:

- + 2 M i. **Ralph Warburton** was born about 1817 in Elton, Sandbach, Cheshire, died on 6 Jan 1886 in Newhall, Cheshire aged about 69, and was buried on 9 Jan 1886 in Wrenbury, St Margaret, Cheshire.
- + 3 M ii. **Thomas Warburton** was born about 1826 in Elton, Sandbach, Cheshire, died in 1897 in Newhall, Cheshire aged about 71, and was buried on 2 Feb 1897 in Wrenbury, St Margaret, Cheshire.

Second Generation (Children)

2. Ralph Warburton (*Joseph*¹) was born about 1817 in Elton, Sandbach, Cheshire, died on 6 Jan 1886 in Newhall, Cheshire aged about 69, and was buried on 9 Jan 1886 in Wrenbury, St Margaret, Cheshire.

General Notes: Ralph's death was registered in 1q 1886 Nantwich 8a 273 aged 69. This gives a date of birth of 1817, though the Wainwright tree says 1821, probably based on his age in later censuses.

Ralph's place of birth is variously given on censuses as Sandbach, Elton, and Aston. The latter is probably an error. Elton is 2 miles west of Sandbach so could be considered part of Sandbach. In 1841 he was living in Warmingham, 2 miles further west, and his eldest 4 children were born there. By 1851 he is living in Newhall, 5 miles SW of Nantwich, although all his children born between the censuses, including 4 month old William are said to be born in Elton. Subsequent children usually give their place of birth as Wrenbury which is just by Newhall. Aston or Aston Heath, which is also referred to, and which is Ralph's actual address on later censuses, lies next to Newhall.

The burial of Mary Warburton of Elton, aged 2 on 3 Oct 1847 at St Leonards, Warmingham suggests Ralph may have had another daughter but her baptism, like Ralph's eldest daughter Jane's, is not at St Leonards.

Ralph's baptism is not recorded at either St Leonards, Warmingham, or St Mary, Sandbach. Also no Warburtons are members of the Sandbach United Reform Church. However it might be a Methodist baptism, but records for the Sandbach Methodist Chapel are not available. Several of Ralph's children's marriages are described on Cheshire BMD as being Nantwich civil marriages, including William's second marriage which is known to have taken place in a Methodist Chapel.

Ralph's will is available from Cheshire Wills Online.

Noted events in his life were:

- He appeared on the census in 1841 in Warmingham, Cheshire. Ralph (25) is an agricultural labourer living with Mary (20), Jane (5), Joseph (2), and Thomas (3 months).

Descendants of Joseph Warburton

- He appeared on the census in 1851 in Newhall, Cheshire. Ralph (36) is an agricultural labourer living in Newhall Lane with Mary (34), Thomas (11), John (9), Ralph (3), James (2), and William (4 months).
- He appeared on the census in 1861 in Newhall, Cheshire. Ralph (44) is a farmer of 10 acres living in Aston Heath with Mary (44), Jane (24), Samuel (8), George (5), Joseph (4), Alice (2), and Alfred (1).
- He appeared on the census in 1871 in Newhall, Cheshire. Ralph (50) is a farmer of 15 acres living in Aston Heath with Mary (49), Alice (13), Alfred (11), and Ralph (4 months). Ralph is described as son but is their grandson.
- He appeared on the census in 1881 in Newhall, Cheshire. Ralph (60) is a farmer of 27 acres living in Aston Heath with Mary (60), Alfred (21), and grandson Ralph (10).

Ralph married **Mary Foxley** on 5 Dec 1836 in Warmingham, Cheshire. Mary was born in 1817 in Spurstow, Cheshire, was christened on 17 Mar 1817 in Bunbury, St Boniface, Cheshire, died on 7 Sep 1897 in Sound, Nantwich, Cheshire aged 80, and was buried on 10 Sep 1897 in Wrenbury, St Margaret, Cheshire.

Marriage Notes: The marriage witnesses were Samuel Foxley and Sarah Foxley. Samuel is possibly her father.

General Notes: Heather Jones has identified Mary as the daughter of Samuel Foxley and Elizabeth Platt born 3 March 1809 and baptised 2 April 1809. However this would mean she was 50 when her last child was born. Her census age is variable and implies a birth between 1816 and 1822.

The 1809 baptism record shows a place of abode as Brindley which very close to Faddiley where Mary gave her place of birth on 2 occasions (1871 and 1881). In 1861 she gave her place of birth as Acton which is the parish that includes Faddiley, but in 1851 she gave her age as 34, and place of birth as Bunbury. Mary daughter of Samuel and Jane Foxley was baptised on March 17th 1817 at Bunbury, St Boniface with their abode given as Spurstow which is very close to Bunbury. This is a perfect fit for Mary's 1851 census entry, and so is the best candidate for Mary's baptism though it leaves her later census entries as something of a mystery, though it could be she lived there from a young age.

Mary's death was registered at Nantwich in 3q 1897 (8a 242) aged 83, giving a birth date of 1813/4. She was buried at Wrenbury, St Margaret on 10 Sept 1897 and was said to be from Sound. Her death certificate gave her cause of death assanguinous apoplexy, and the informant was her son George who was present at her death.

Noted events in her life were:

- She appeared on the census in 1891 in Newhall, Cheshire. Mary (69) is the widowed sister-in-law of Thomas (69) a farmer born in Sandbach. Also present were Thomas's son John (30) born in Hale, his daughter-in-law Emma (34) born in Wem, Shropshire, and his grandchildren Amy (6), and Ernest (2) both born in Hale, and grandson Ernest Grounds (10) born in Audlem. Mary is also said to be born in Audlem, but her age matches previous censuses, she was known to be alive, and no alternative census entry for her has been found so far.

Children from this marriage were:

- 4 F i. **Jane Warburton** was born about 12 Mar 1837 in Warmingham, Cheshire and died in 1861 in Nantwich, Cheshire aged about 24.
General Notes: Jane's death was registered in 3q 1861 Nantwich 8a 207, aged 24.
- 5 M ii. **Joseph Warburton** was born on 15 Dec 1839 in Warmingham, Cheshire, was christened on 2 May 1841 in Warmingham, St Leonard, Cheshire, and died in 1846 aged 7.
General Notes: Joseph must have died young as a second Joseph was born in 1856. He is absent from the 1851 census and the most likely death registration is in 2q 1846 at Congleton (19 67).
- + 6 M iii. **Thomas Warburton** was born in 1841 in Warmingham, Cheshire, was christened on 2 May 1841 in Warmingham, St Leonard, Cheshire, and died in 1895 in Bradwall, Cheshire aged 54.
- + 7 M iv. **John Warburton** was born in 1843 in Warmingham, Cheshire, was christened on 26 Mar 1843 in Warmingham, St Leonard, Cheshire, and died in 1919 aged 76.

- + 10 M vii. **William Warburton** was born on 22 Nov 1850 in Elton, Sandbach, Cheshire, was christened on 22 Dec 1850 in Warmingham, St Leonard, Cheshire, and died on 31 Dec 1916 in Chester, Cheshire aged 66.

- 14 F xi. **Alice Warburton** was born in 1858 in Aston by Newhall, Cheshire and died in 1915 aged 57.

3. Thomas Warburton (*Joseph*¹) was born about 1826 in Elton, Sandbach, Cheshire, died in 1897 in Newhall, Cheshire aged about 71, and was buried on 2 Feb 1897 in Wrenbury, St Margaret, Cheshire.

General Notes: Thomas's death was registered in 1q 1897 Nantwich 8a 267. His burial record shows he was from Hollin Green. He was living in Hollin Lane in the 1891 census. His reported age of 71 ties in with his census ages, except for that in 1891 where he is said to be 69, which may account for the date of birth of 1822 given in the Wainwright family tree.

Mary's presence with Thomas in the 1891 census is the only corroboration of the Wainwright Family Tree's identification of Thomas as Ralph's brother. Mary is about the correct age but her place of birth is incorrect, being given as Audlem, which is close to Newhall. However no Mary from Audlem appears in any other census. Also Ernest Grounds is also said to be born in Audlem which is known to be incorrect, and Thomas does have a son-in-law who was born in Audlem. It is therefore probable the enumerator was given incorrect information.

It may also be significant that Thomas moved from Hale to Newhall in the decade in which his brother died at Newhall.

Apart from Ralph and Thomas only one other Warburton who was born in Sandbach in the 1815-30 period appears in the censuses. He was James (b.circa 1822) who was unmarried and described as a pauper in 1891.

It is most likely Emma died after the birth of Lionel Wellesley Smith, the last of William's children by Emily Smith, and before he married her in 3q 1905. The registration of the death of Emma aged 60 is indexed in both the second and third quarters of 1905 at Nantwich, references 8a 216 and 217 (probably repeated in error).

William next married **Emily Smith** on 13 Sep 1905 in Nantwich Primitive Methodist Chapel, Cheshire. Emily was born on 28 Jul 1870 in Sound, Nantwich, Cheshire and died on 21 Apr 1949 in Chester, Cheshire aged 78.

General Notes: Emily's birth was registered in 2q 1869 Nantwich 8a 332. This makes her 13 when Charles was born. There was then a 7 year gap to her next child so it is possible the affair with William began after Charles was born.
