		c			Thomas	9 Aug 1640			
		c			George	1 Jan 1643		Tottington	
		c			Margrett	14 Mar 1644	14 Mar 1644	Holcom	Robert and Margaret are both described as children of Thomas of Holcombe, but are too close together to be the same family. Either the parish register is incorrect on one of them or two families are producing children concurrently in Holcombe. I've assumed the former and Margaret should be from Tottington.

25		w	John	Marie Pilkington		6 Sep 1632			circa 14 baptisms between 1633 and 1656. Clashes, and occasional references to Tottington/Holcombe and Elton imply 2 families but only one wedding found

		b	Jon			11 Jun 1693	10 Jun 1693		Mr Jon Warburton; Jon is usually the abbreviation of Jonathan but its use here, matching the date in the Edenfield clan (though I don't know if that has another source), implies it was also used for John in the Bury registers.
		b		Katherine	Katherine	9 Feb 1687	7 Feb 1687		wife of Mr John Warburton
		c			John	2 Nov 1656		Stubbins	
		c			Peter	5 Sep 1665	26 Aug 1665		Abode given as Ramsbottom in Edenfield clan
