		c			John	13 Jan 1783			of Bank Top; this baptism doesn't really fit either Henry and Mary family. 		c			John	1 Oct 1780			of Boonkirk; this is a little to the north of Priestentax.
		c			James	30 May 1784			of Haslingden; does this fit. There are IGI submissions allocating James to Henry and Alice but it is unknown if there is more evidence than this parish entry.

		c			Thomas Anderton	25 Sep 1785			of the Town

39			James/Henry	Alice					This family is unknown, but baptism doesn't fit Henry and Alice Thredfield who had a son baptised the next day.
		c			John	29 May 1784			of High Moor (James crossed out and Henry inserted); this John must belong to a different family but no matching wedding found.
		b			John	9 Jan 1822		38	of Sheepgreen

		c			Robert	14 May 1797			of Pack Barn
42		w	John	Anne Birtwistle		16 Sep 1786			Both of this Chapelry
		b		Anne		6 Oct 1800			wife of John of Manchester; best candidate wife of John assuming they were married at Haslingden
		c			Jenny	8 May 1787			of Deardengate
		c			Mary	16 Nov 1788			of Deardengate (Ann)
		c			Susan	14 Aug 1790			of Oakenheadwood (Ann)
		c			Anne	6 May 1792			of Deardengate

43		w	Robert	Nancy Hargreaves		22 Jul 1787			Both of this Chapelry
44		w	James	Betty Grimshaw		1 Apr 1793			Both of this Chapelry. This is the only James and Betty/Eizabeth marriage at Haslingden until that of James and Elizabeth Halstead in 1814, or James and Betty Taylor in 1825. There were marriages in Bury (Walmersley) and Leyland in 1811, and some further afield. Based on their ages at death they were both born in 1777 making them 16 when they married.

		c			John	12 Feb 1797			of Priestentax (= Priest's Intake); it s near Grane
		c			Henry	23 Dec 1798			of Troy (probably Troy Quarry. Haslingden Grane)
74		c			Charles	10 May 1801			of [the] Town; should this be Troy?
		c			James	24 May 1801			of Troy (probably Troy Quarry. Haslingden Grane). The proximity of this baptism to that of Charles is a worry but Charles is linked to James and Betty by being in the same grave and there is no other James and Betty marriage to indicate that 2 families have been mixed up.
		c			Anna	27 Aug 1803			of Troy (probably Troy Quarry. Haslingden Grane)
		c			Mary Anne	25 Dec 1814			stone cutter of Haslingden

65		w	James	Elizabeth Halstead		29 Aug 1814			He no details, she of this Chapelry, with consent of parents. There are no baptisms that can be attributed to James and Elizabeth apart from the one at Heap Clough. However it is known they had a son John who informed the LDS Church in Utah he was born on June 16th 1823 in Haslingden Grane, the son of James and Elizabeth nee Alstead. Possibly he was a second John after the first died though there is no record of this. The parents names may be recorded incorrectly. He and possible siblings may have had nonconformist (Wesleyan) baptisms whose records are lost or as yet not published on-line.

Place of birth for Henry and Isabella is always Haslingden. Mother's maiden name on Emmanuel's birth registration links the census record to Henry and Isabel Chew.
